Union's Enrollment Hits 8 Year High

Union Nurses Display Civil Defense Methods In Denver Disaster Day

A simulated enemy attack made up the determining test in twenty-seven student nurse's final grades at the Union College School of Nursing at Porter Sanitarium in Denver.

Tuesday, August 21 at 9 a.m. a plane flew over a forty-acre tract south of the campus at Porter Sanitarium, 2525 South Downing St. and dropped a bomb on 135 victims, who were strategically placed with predetermined blast effects such as shock, fractures and burns. With this action the third annual Civil Defense demonstration open to the public was underway.

As part of their training, these students in the Union College school of nursing in Denver, take part in the annual Civil Defense Disaster Day held at Porter Sanitarium.

The two-hour exercise, in which some 500 persons participated, culminates three years of schooling with "implications of mass disaster brought into all discussion" in chemistry, psychology, sociology and other nursing classes, according to Miss Alice Smith, head of the School of Nursing.

During the August 21 demonstration, victims were actually moved to Porter Sanitarium. During the exercise, made as realistic as possible, hospital personnel were assigned to traffic control until Denver's auxiliary police could arrive.

T-Toatlers

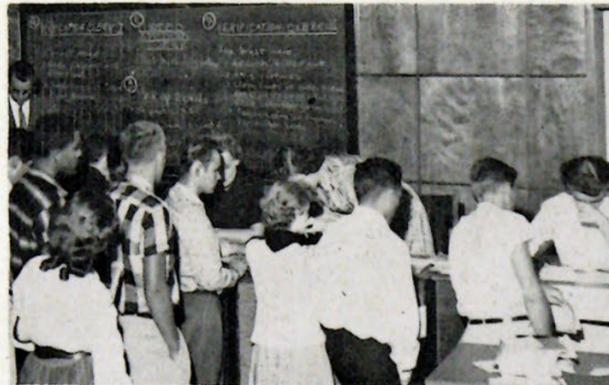

PROGRAM LAUNCHED AS 500 MEMBERS SIGN

Shown signing up for the A.T.S. program is Warren Hoyer, as Jim Maxwell explains the project. Attracting prospective members with the public address system are Don Nelson and Vern Thompson. At right Elder C. G. Cross signs up as Vern Thompson and Doug Eddleman prepare membership cards and free punch.

Union ATS received members with punch and recorded music during registration week. Don Nelson presided over the membership booth and reports an approximate 500 members in the temperance organization so far.

The "Model-T-Toatler" equipped with temperance background music and local club officers at mike solicited members from the campus. Banners and balloons bedecked the old truck which rattled

Students again lined up for registration as the 56-57 school year opened. At right President Harvey C. Hartman welcomes new students; Ernestina Garbutt, Gary Barger, and Arlene Archbald.

Smith Presents Stripes to 21 Sophomores on Promotion Day at Porter Sanitarium

The annual Moving-up Day consecration service of the students in the Clinical Division of the Union College Department of Nursing was held in the Denver Central Church on September 14, 1956.

Three ministers assisted in the service. Elder J. H. Nixon offered the invocation; Elder Walter R. Howe gave the sermon and the special consecration prayer for the graduates of the class of 1956; Elder Francis Avery sang a hymn of benediction.

Miss Alice Smith, Director of Union College Department of Nursing, reminded the students that each advancement the Christian makes in any phase of life is accompanied by an obligation to give more exalted service to God. As she presented each student with a new nurses' cap adorned with the insignia indicating promotion to higher standing in the school, she spoke of the significance of the cap to a Christian nurse and the importance of keeping the cap which is used by all Seventh-day Adventist nursing schools a symbol of Christian dedication to ideals of Christlike service to those in need.

Mission Promotions

Fall Field Day to Be Oct. 10

On Wednesday morning, October 10, the students and staff of Union College will conduct their annual Mission Promotion Field Day in the Lincoln area and adjoining communities. Starting at 7:30 that morning the group, led by 126 leaders chosen from the student body will meet in the college auditorium for a brief worship period, after which material for the day's activities will be distributed. Following this the participants will leave for a full day of solicitation in the southeastern Nebraska area, returning in the evening at approximately 5:30.

The entire day's program is under the direction of the Religious Life committee, and the two local church pastors, Elder Murray Deming and Elder Stanley Pedersen. Leslie Bietz, Bonnie Smith, Max Singhurst and Bob Beck, student committee members and Elder Lief Kr. Tobiassen, committee chairman have planned two field day promotion programs to be held prior to the solicitation date. Monday, October 1, a review of projects carried on in the mission field is scheduled to be presented by forty student speakers, and on Friday, October 5, a missions rally, under the direction of Leslie Bietz is slated for the college auditorium.

"Organization of the project will be completed tonight at 7:30 in the chapel. At this meeting each of the 126 leaders will be instructed and given a chance to choose four or five other students for his band," states Elder Tobiassen. "And," he added, "our goal for the college this year is \$6050 of which a large per cent is expected to be brought in on this field day."

SYSTEM COMBINES CLASSES; DIVIDES SECULAR, RELIGIOUS

A new chapel service system was inaugurated here this week combining the entire student body in two services per week. Chapel services are to be held in the church Monday morning at 9:35 and a new designation, convocation is to be applied to the service held Fridays at 9:35 in the auditorium. Services at both times are to be 10 minutes shorter—forty minutes instead of 50 minutes—to facilitate students to travel the longer distance.

The Monday period is to be of a religious nature while the Friday convocation is to be secular. In the past, four services were held weekly in the Administration building chapel. Lack of seats required the division of lower and upper classrooms for the meetings.

During the first convocation service, President Harvey Hartman addressed the entire student body. His subject was the advantages of the privilege of going to college and he urged every student to take sincere attitude in his studies.

ANNUAL SPRING PICNIC GIVEN NEW FALL LOOK

An annual tradition was broken Thursday as Union's students gathered at Pioneer Park for the all school picnic. In previous years the picnic has been a spring event.

A variety of athletic events was held throughout the morning in which both boys and girls took part. Girls activities included tug-of-war, slipper kick, an egg throw and various relay races. Boys competed in the hundred yard dash and the discus throw. Other activities of the morning were volley ball, badminton and nature hikes.

At noon, a traditional picnic lunch was served under the direction of Miss Ruth Whitfield, director of the college cafeteria.

The afternoon's main attraction was the play off game between the winners of the freshman, junior and the sophomore, senior baseball games. Games were also played between two dormitory girl's teams and between the faculty men and the academy.

791 UC'ers Register From 35 States; D.C., and 17 Countries

Students enrolled during the first two weeks of registration have reached a high point not equaled since the 1948-49 school year, eight years ago when a record high of 1049 was recorded. According to the latest figures available from the registrar's office, 791 students had signed up for classes as of Tuesday noon, a figure of nearly 50 ahead of last years total enrollment at a comparable date. Late registrants and second semester students are expected to boost the total to the nine hundred mark for the year, as was earlier anticipated.

This year thirty five states and the District of Columbia are represented in our student body as well as students from a total of seventeen foreign countries. 754 of these enrolled are attending classes on the Lincoln campus and the remaining 37 are studying in the Clinical division on the Denver campus.

A complete roster as of Friday evening, September 21, is given on pages two and three.

Campbell to give 'Forest' in Film, talk on October 6

Sam Campbell and one of his forest friends.

Sam Campbell, "Philosopher of the Forest," will present his lecture, "Animals of the North Woods," in the Union College auditorium Saturday night, October 6. The program, sponsored by the Academy Home and School Association, will feature motion pictures in natural color about animals which Campbell has incorporated in his books.

In twenty-four years in the lecture field, Campbell has appeared before 8,500 audiences with attendance totaling over 7,000,000 persons. Books which Campbell has written include *How's Inky*, *Too Much Salt and Pepper*, and *Loony Coon*.

Speaking of Campbell's ability, *Nature Magazine* notes, "From Sam Campbell we can gather the understandings that come with a lifetime in which access to wilderness is frequent and extensive..."

Tickets for the program are available at both UC dormitories. Admission price for adults is \$1; Students, 50¢; children who sit with their parents will be admitted free. For 45 minutes before the program, Campbell will autograph his books for those who desire it.

Editorials

Another summer has passed and once again the first issue of the **CLOCK TOWER** is now published. Here in the first editorial column of the new school year we should like to set forth briefly the main ideas, purposes and goals of the **CLOCK TOWER** and the staff.

As a newspaper we will cover the events which go on here on the campus and those which concern the students and alumni of Union College in some way, so that in this manner both the students and those who are not on the campus will be aware of the forward march of news and events at Union College.

As a student newspaper and a part of the Associated Student Body of Union College we will endeavor to function as an instrument to promote harmony between the students and the staff, to promote the student viewpoints in affairs concerning them, and to attempt to create an interested and a thinking group of readers. In doing this both sides of controversial questions will be presented as unbiased as is possible and the conclusions left to the readers.

As a student newspaper of a Seventh-day Adventist college, our objective will be to present Union College, its members, and its surroundings in a true and promoting manner.

With these ideas and purposes in mind, we will publish on alternate Fridays a newspaper that we hope will prove enjoyable, interesting, and constructive to the readers both on and off the campus and which we hope will continue to serve as an integral part of Old Union, both to those who know her now and to those who have known her in years previous.

Let's Do Our Part

The tired professor scratched his weary head and looked out into the moonlit October night. He could have been pouring over some deep mathematical formula or some linguistic law, but not this time—he had something else on his mind. October 10 was Mission Promotions Day at the college and he was wondering whether the necessary effort was worthwhile. This wasn't the first time that he had pondered over the problem—it had come up every year; however, in past years other activities had won the battle over a troubled conscience.

But now he was trying to analyze the situation as a college professor is supposed to do. Do we need the money? Do I need the experience? Do the students watch me? Isn't there a better method? No, he couldn't find even a dark corridor around the door of his conscience. This was the year for a decision and his was on the side of integrity.

Not only did success crown his efforts but money was brought into the "storehouse of God." This could be the experience of any teacher or student; we all have to decide sooner or later. Dear student or teacher, October 10 is Mission Promotions Day. Why don't YOU "Think it over"?

ASB President's Message

Bright new students? Sure! We have found the personification of enthusiasm and intelligence in those who have decided this year that Union is their "land of educational opportunity and progress." To these students we say a monotonous, but nevertheless, sincere, Welcome!

In the weeks and months ahead our eyes will be turned to the same objectives; we will be presented with the same opportunities. What you accomplish remains behind the protected wall of your own decision.

This is your "palace of learning;" this is your home; we are your friends. One could tell you what has happened in the lives of other young people who have found satisfaction in attending Union College; this is not necessary, for you will realize as time progresses that your personal success is the primary goal of the entire school. For this you and I ought to be thankful. I hope that you find this "personal touch" soon, and when you do, please share it with others—that is the way all of us can progress together.

Buddy Clark

In Brief

The first faculty-staff social of the school year was a pot-luck supper at the College View Park Monday evening, September 24.

John Joyner, freshman from Nevada, Iowa, suffered a painful accident in the Union College laundry recently. It was the first serious accident in the industry since 1920, according to V. S. Dunn, business manager of the college.

Elder and Mrs. Robert Whitsett were campus visitors over the weekend of September 22. Elder Whitsett is the Northern Union evangelist, currently engaged in evangelism at Fargo, North Dakota.

New roofing seems to be the vogue around the Union College campus these days. The auditorium and the Kern Courts are being treated to a "roof lifting."

Dean Culver's mother is visiting the Culver home in South Hall for a few days.

The Golden Chords Chorale, under the direction of William Haynes, presented the worship in song for the first church service of the school year on Sabbath, September 22.

56-57 Social Yr. Opens With Informal Mixer Get Acquainted Theme Initiated; To Replace Traditional Handshake

by PHIL FREITAS

One of our prominent professors has said, "The school year '56 and '57 is going to be a year of changes at Union." One of the first of these changes evidenced was the first Saturday night get-together. In the place of the traditional hand-shake our Social Committee presented us with a varied program of gab, games, and gobble.

In the get-acquainted opener each participant was expected to get as many names as possible for each letter of the alphabet and for a list of states, territories and countries that was provided.

When the confusion had quieted down a bit Mr. Arthur Howard led us in Union's pep song, "Slinga Da Ink."

Dixie Marcotte and Phil Reiswig welcomed oldtimers and newcomers to Union with best wishes for a very good year. The keynote of their talks was that no matter how difficult or discouraging the road becomes we may be sure that God is always by our sides at Union College.

Prizes were awarded to the winners of the opening contest. Bert Reid, a junior from Colorado, had names starting with the most letters of the alphabet. Alan McTaggart, Minnesota freshman, and DeWayne Hjermstad, South Dakota freshman, tied on the states with 46 states and countries represented. Dr. Douglas Brown, the master of ceremonies for the evening, suggested that the boys try to find as many different major fields represented as possible. However the tie was not broken and the boys were awarded duplicate prizes.

One of the highlights of the evening was the appearance of a newly organized quartette composed of Larry Fillingham, Frank House, Bud Siebenlist, and Harold Hampton.

After the program in the gym, groups were organized for the playing of a few games on the football field.

The evening ended with a watermelon feed.

Porter Pulse

Dearest Mom,

Sorry I haven't written—lately everything and everyone has been moving. Friday evening was "Moving-Up Day"—a time when we sophomores became juniors, juniors became seniors, and the seniors were recognized as graduates. Those present, as well as the students, were inspired to "Live for Others" and constantly be "moving up" in our Christian experience.

Porter welcomes some of the graduates—**Janelle Allen, Elaine Laeger, Aiko Taba, June Martin, Marion Page, Martha Robison**, and perhaps others after state boards in October. Sheyenne River Academy boasts **Corrine Deming** as their dean for the coming year. Good luck to you girls!

Our dorm isn't empty now, though; some of the seniors have been moving in. Now, it isn't going to be quite so lonesome when some of the juniors leave for Pediatrics next week. It is fine to have the seniors back!

Another of our members—**Vera Bergman**, left us to visit briefly with her friends and relatives in Iowa and Florida. On October 20 she will sail from New York for Africa. It was kind of hard to see "Bergie" go, but God will surely find a place for her ambition and friendliness in those "Far Away Places." Four years go fast, however, when they are busy years.

Speaking of far away places—**Viola Voegle** was happy to have her parents here from South Dakota. Her nephew and cousin, **Laverne**, who is also **Miriam Binder's** brother, added excitement and surprise. Surprises like these are always welcome. By the way, **Miriam**, that orchid was beautiful! Didn't come from South Dakota, though—could be from someone in Denver.

Last week **Mom Cornell** supplied delicious watermelons for us out on the lawn. Can't imagine what happened to them, but they surely didn't last long! All of us were filled to the fullest extent of our seams.

Monday we were sorry to learn of the tragic death of **Miss Pride's** brother. On Monday she and Mrs. Cornell drove to southeastern Colorado to attend funeral services. Our deepest sympathy goes to her and her family.

Good-bye for this time.

Phyllis Larson

As a climax of the evening's program, students and staff enjoy themselves with the last of the season's watermelon.
