

Seniors will be on campus this week

by Ed Christian

More than 350 academy seniors will be looking over our campus during College Days, April 1-3, deciding whether all those great tales about Union College are true.

They will be arriving on our campus Sunday afternoon, and will be met by college students who will give them I. D. buttons and meal tickets. The visiting seniors will be billeted in every available space. After being assigned rooms, they will be free to eat supper or wander around. There will be refreshments and a film in the Student Center.

Elder Meloncon will have worship in the church, followed at 8:00 p.m. by an academy talent program in the gym. Students from all over the Central and Northern unions will be displaying their skills.

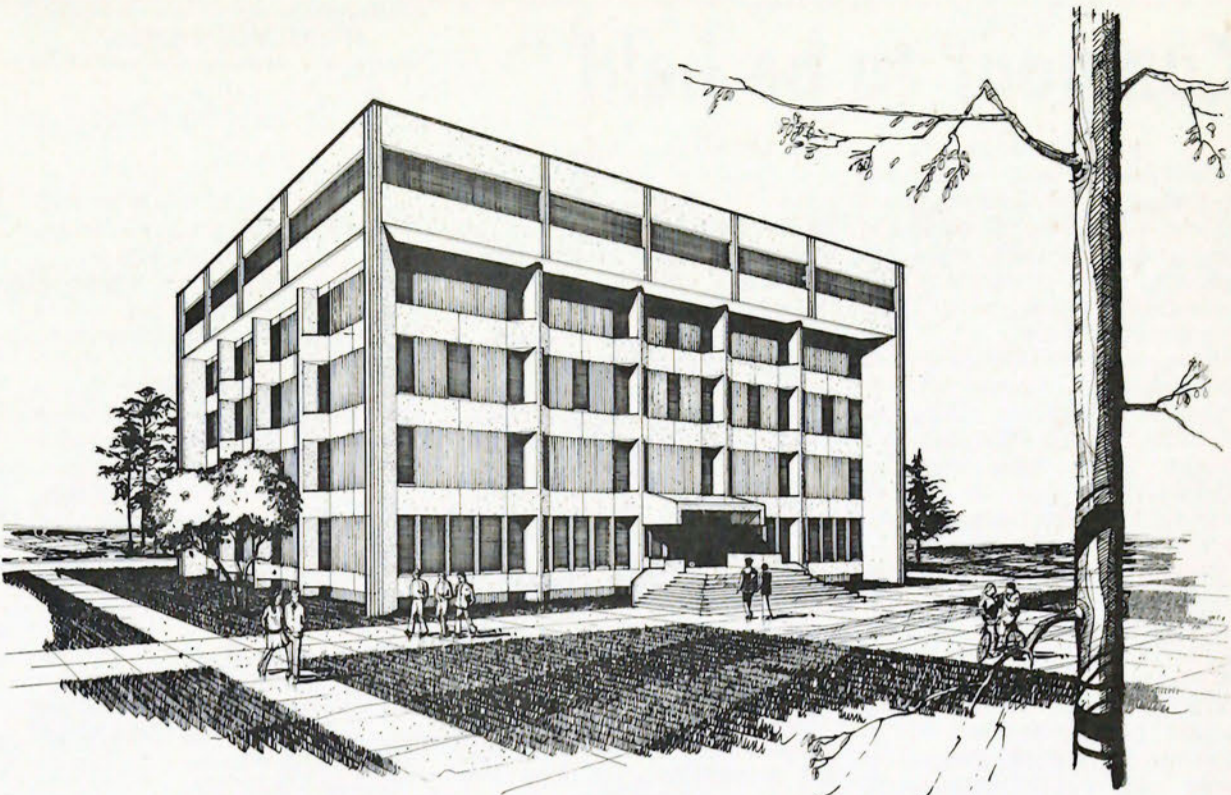

Monday morning there will be a general meeting in the college gym. Members of the community will discuss their occupations. All the departments of the school will have booths along the sides of the gym exhibiting what they have to offer. During this time there will also be tours to various industries.

In the afternoon, the seniors will have a chance to tour the department of their choice and talk to the teachers. They will, if they wish, be able to meet with the department heads and choose which courses they want to take next year. They may also use this time to find jobs for next year.

At 4:00 p.m., the first of several basketball games will take place, pitting the academies against each other. After the games, at 7:00, there will be a special Buffet Supper in the cafeteria. During the supper, scholarships will be awarded to selected students. There will be more basketball games after the supper.

The seniors will be leaving Tuesday morning.

Try to recall how you felt when you first visited Union College and encourage the seniors. Tell them what you like about Union College and encourage them to come here. Remember, they are somewhat afraid and in awe of you, so don't make any sudden moves or loud noises. Show them how friendly we are; every extra student helps.

Austria offers jobs

Any student wishing a summer job in the country of Austria should apply now. Paying student jobs are available on a first come, first serve basis to any student aged 17 through 27.

The majority of jobs are in hotels, mountain and lakeside resorts, and restaurants. Standard wages are paid—plus free room and board. This means that only a few weeks on the job easily earns back the cost of the school charter flight or youth fare air ticket.

Most jobs do not require knowledge of a foreign language, and experience counts less than willingness to work, ability to adapt to foreign life, and the maintenance of an open mind. Opportunities for this practical, inexpensive way to spend time in Europe are given out as fast as students apply, and the

working papers are processed.

Jobs are matched as closely as possible to each student's choice. This work is done by the SOS-Student Overseas Services, a Luxembourg student-run organization specializing in helping American students in Europe for the past 15 years.

SOS also provides a brief orientation in Europe to insure each student worker a good start on the job in Europe.

Students interested in obtaining a summer job in Austria may obtain application forms, job listings and descriptions, and the SOS handbook on earning a trip to Europe by sending their name, address, educational institution, and \$1 (for printing, postage, addressing and handling) to: Summer Placement, SOS, Box 5173, Santa Barbara, CA 93108.

Missouri River hosts banquet

The junior-senior banquet will be held on Sunday, April 15. The place is the *Bellevue Queen* Restaurant in Bellevue, Nebraska. The restaurant is located on the riverbank of the "wide" Missouri—2401 River Drive.

"We are planning a different kind of banquet set-up this year and hope the evening will be very enjoyable," says Sherry Roethler, vice-president of the junior class.

Tickets can be picked up at the cashier's office. There is no charge for juniors or seniors but others must pay \$3.50 for a ticket. All tickets must be bought by April 9.

If transportation is needed please contact an officer of the junior class, or if you have room to take others please let the junior officers know

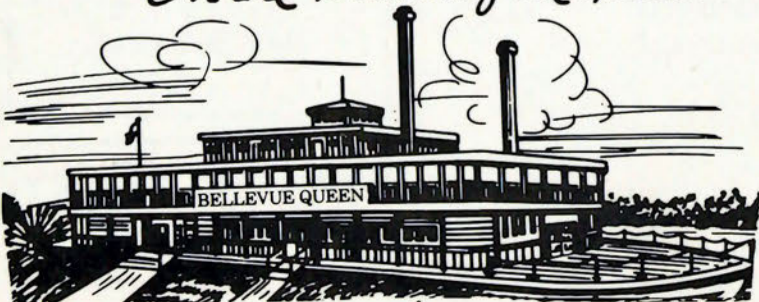

this also.

Bellevue is about an hour's drive from the college and the program starts at 6:30. Directions to get there will be available on a separate sheet on April 13 near the *Union News* pickup. Also they will be posted in each dorm on April 15.

The dress will be semiformal—either Sabbath clothes or formals. "If a girl does not have a formal, she should feel free to come dressed in her Sabbath clothes," assures Sherry. "And if you do not have a date, please come and enjoy the evening," she further invites. Furthermore, you can eat heartily for the food will be free regardless of amount eaten.

Groundbreaking set for Friday the 13th

by Ed Christian

The date for the groundbreaking ceremony for the new administration building has been set for the Alumni Homecoming Weekend by the Board of Trustees according to Dr. Brown. Other important actions regarding the budget and staff of Union College were also taken at the Board's recent meeting.

Plans for the new building have finally been completed, and were approved by the Board during their meeting March 8. The college is now collecting bids from contractors interested in building the new Administration building. On April 12 the bids will be opened and the builder selected.

Friday, the 13th of April, has been selected for the groundbreaking date. It will take place at 11:30 a.m. Since that is Alumni Homecoming Weekend, Dr. Brown hopes that many former students will be on hand for the occasion.

Tuition Raised

Tuition for next year has been raised \$90 by the Board of Trustees, Dr. Brown said. In their March 8 meeting the Board discussed the budget for next year and raised the yearly tuition charge to \$1870. Five Adventist colleges charge more than Union, Dr. Brown added.

The total operating budget for next year is \$3,012,965. (Approximately \$2,000,000 is from student tuition.) In addition to a raise in tuition, the Board requested that the Central and Northern Union increase their subsidies to Union College by \$100,000 a year for three years. The Unions have agreed to do this.

Faculty Transfers

Dr. Brown was pleased to announce that at least nine teachers at Union College will be receiving their doctorates next year. However, five

faculty members will be leaving at the end of this school year to take up new jobs. The following faculty and staff will take up new positions next year: Dean McClain, Dean of Student Affairs, will be Principal of Maplewood Academy. Mr. Ben Chilson, Director of Food Services, will be the same at Hinsdale Sanitarium and Hospital. Mr. Dave Nieman, Instructor of P.E., will study Health Education at Loma Linda University. Mr. Karl Segebartt, Auto Tech. Director, plans to take up private practice. Dr. Victor Griffiths, Associate Professor of English, will take the same job at Loma Linda University Graduate School.

New Faculty

At this time, eight new teachers have been accepted for next year and more will be selected in the near future. Dr. George Saxon will be coming to Union to teach Geophysics. Mrs. Saxon, to teach Nursing. Dr. Virginia Simmons will head the elementary education program. Mr. Fordyce Kink will be Instructor of P.E. He is coming from College View Academy. Mr. Earl Evans, from Andrews University, will be Director of Food Service. Ms. Jeannie Hall will be Instructor of Home Economics. Mr. Craig Buller, who is coming here from PUC, will teach Auto Mechanics. Mr. Tom Baker, coming from Sunnysdale Academy, will teach Modern Languages and English.

Seven faculty members have also been chosen to receive promotions: Elder Ward Hill will become the Associate Professor of Religion. Dr. R. M. Hillier will be the new Associate Professor of Education. Miss Eileen Moon will serve as Assistant Professor of Physical Education. Dr. Robert Murray will be Professor of Music. Miss Marilyn

Neumiller will serve as Assistant Professor of Home Economics.

Dr. Rankin will become a Professor of English and Ms. Felistis Zabriskie of the Denver campus will become Assistant Professor of Nursing.

Retiring

Five faculty members are retiring and receiving the positions of Faculty Emeriti. This is not conferred on all retiring faculty members, but on those who have especially distinguished themselves or given long years of service to Union College.

Dr. Lowell Welch is retiring as Professor Emeritus of Education and Psychology after 30 years of service. Ms. Anne Dunn will become Professor Emeritus of Home Economics after 36 years of service. Ms. Opal Miller is retiring as Associate Professor Emeritus of Music after 17 years of service. Ms. Irma Minium will retire as Professor Emeritus of Secretarial Science after 34 years of service, and Mr. Minium will receive the title of Professor Emeritus of Agriculture after 23 years of service.

Campout to be held

by Judy Brisbine

The Union for Christ campout will be held on the weekend of April 6 through 8 at Camp Arrowhead in Lexington, Nebraska. "We are hoping for an attendance of at least 150 students," says Karen Schwartz, campout coordinator.

A camp fee of two dollars must be paid before the campout either to Karen or to someone taking applications in the Spiritual Life Center. Applications are also available from Karen or may be picked up in the Spiritual Life Center or in the dormitories.

Those who desire transportation on the school bus will need to turn in a fee of four dollars. The food used on the campout will be charged to the student's college bill.

Elder Duran will be the featured speaker for the weekend. He is currently serving as principal of Linda Vista Junior Academy in Southern California. He has given a special Week of Prayer at Oak Park Academy and has taught Bible at Auburn Academy.

Elder Duran has planned to emphasize the topic of the Holy Spirit during this weekend. The first meeting will be held on Friday night at 7:30 and will be entitled "One Accord." The same topic will be continued at 8:30 a.m. Sabbath morning.

Elder Duran's message for the

10:30 service Sabbath morning will be "Secrets of Success." The afternoon meeting at 4:00 p.m. will discuss "Gifts of the Spirit" and will include a question-and-answer period.

A communion service will be held at 7:15 p.m. Saturday evening. A prayer breakfast will be held at 8 o'clock on Sunday morning and a canoe trip will follow breakfast.

Special music during the weekend will be provided by students from the college.

Elder Duran stated that he is hoping to experience an outpouring of the Holy Spirit during this weekend. He also suggests that students who desire to do so observe a special fast at noon on April 5 as he will be doing.

Elder Duran has based his talks on the book of Acts in the Living Bible and on sections taken from Mrs. White's book, *Acts of the Apostles*.

Applications should be turned in either to Karen Schwartz or to the Spiritual Life Center by the 30th of March if possible. Cabin assignments and transportation arrangements will be posted in the Center by April 2. Special arrangements will be made for married students.

Elder Duran will also be presenting the chapel service on April 9.

Service to Him

Dear Editor:

The objectives of the Ministerial Club are to develop our relationship with Christ, and to promote service to Him among the students. Christian witnessing is one area in which both of these objectives can be accomplished.

As we draw to an end a week of prayer with the theme "Life More Abundant," I can think of no better way to live the abundant life than to step out in faith in service to Him.

One of my favorite passages is on page 340 in *Desire of Ages*. "It is in working to spread the good news of salvation that we are brought near to the Saviour."

The churches of Lincoln welcome any help you can give them in their lay activities program. These are the people to call and their respective churches:

Ten students present Week of Prayer talks

by Bonnie Burgeson

The "Life More Abundant" has been examined this week as students have shared experiences in Christian living. Nightly meetings, Monday and Friday morning services, and daily prayer breakfasts were designed to initiate personal study and growth, according to Don James, chairman of the Week of Prayer Committee.

Wendy Sandburg and Mark Johnson presented concepts of growing through faith by giving and taking Sunday night.

Bill Achord and Nancy Moon in Monday morning chapel spoke about witnessing in daily living and its effect on witnesser as well as people being witnessed to.

Knowing God through nature, the Holy Spirit, and through His Word was Ben Clausen and Paul Hood's subject Monday night.

Ann Halley and Myrna Swayze on Tuesday gave their answers to the questions: What is prayer?, How do we pray?, When can we pray?, and Where can we pray?

Bill Johnson and Barb Lokken on Wednesday night spoke about doubt and concluded that while God doesn't remove the possibility of doubt, He does give evidences on which faith can be based. The Holy Spirit, the Word, and personal experience were offered as ways of coping with doubt.

Thursday and Friday schedules provided a special opportunity for discussion, study, and sharing while classes were dismissed.

"Christian Courtship and Marriage, I Do or Do I?" was the topic as presented by Elder Hirsch in his discussion group. Elder

Bresee discussed "The Remnant Church—Who, Me?" Mr. C. Ward's topic was "AIM, ERA, CORE—and you, The Christian and Social Action Groups."

Elder Chapman and Elder Warner discussed "Long Hairs, Short Hairs, and the Church." Elder Hill and Elder Gane explored the topic "Jesus Freaks, Tongues, and Modern Revivals—Fad or Holy Spirit?" Dr. Brown and Dr. Rowland led the group discussing "Man's Home—Eden or the Ocean; Theories of Beginning with a Physicist and a Biologist."

Thursday night's activity was a film in the Student Center called "Nature's Half Acre."

Sabbath activities will bring the week to a close with Elder Ponder's sermon, "An Honest Believer," and a city-wide afternoon musical highlight, "Sing N' Celebrate Unto the Lord" in the College View Church.

Sponsored by Union College Student Missionaries, the program will feature Herman Harp and Elder Marvin Ponder, a singing team which is currently recording an album; Jimmy Miller, a denominationally well-known organist; Ryan Wells, a Union student, at the piano; the Allonairens from Lincoln's Allon Chapel, and also on-campus musical groups, as well as congregational singing of hymns and choruses.

The afternoon of gospel music and hymns, choruses, and sacred folk music will bring to a conclusion the special week of learning and sharing and should give all an opportunity to respond in singing to blessings received during the week.

Concert consists of three groups

The Union College Orchestra, the Collegiate Chorale, and the Unionaires will be united in concert tomorrow night at the UC gymnasium.

The Orchestra, a 35-piece ensemble under the direction of Ellis Olson, will perform "Overture" by Mozart, "Nocturne" by Borodin, and theme from "Exodus." David Fuller, a senior Music Education major, and student conductor of the orchestra, will direct "Slavonic Dance" by Dvorak.

The Collegiate Chorale will be performing "They Called Her Moses." The story of Harriet Tubman, an ex-slave who led others to the freedom of Canada via the underground railroad, is the basis of this unusual chorale. Student soloists will be featured in speaking as well as singing parts.

The Unionaires, also under the direction of Mr. Lynn Wickham, will present the "Liebeslieder Waltzes" by Johannes Brahms. Brahms, a Romantic composer and lover of folk dances, captures folk tunes, tempos and rhythms in this series of German songs.

Insight to publish job market analysis

The job scene for denominational employment is changing.

At a time when the job market is tight and a lot of young Americans, including Seventh-day Adventists, are getting out of school without jobs, or having to settle for second choice, *Insight* recently interviewed Clyde O. Franze, secretary of the General Conference of Seventh-day Adventists, regarding job opportunities within the church.

Franz outlined the needs of four major areas of denominational employment—administrative, medical, educational, and ministerial—plus miscellaneous categories. He pointed out that while most overseas workers at the present time are involved in administrative work, the current openings indicate that a new trend is coming.

Some areas have greater demands

for medical and paramedical personnel. Trained nationals are becoming more involved in administrative and ministerial posts. In some parts of the world the need is for educational personnel.

Insight editors asked the GC secretary how a person goes about landing a job in a certain locale. They asked the difference between obtaining a position in the United States and getting an overseas assignment, and discovered there is more than one road into denominational employment.

Some job markets within the denomination are saturated, Franz stated, and some openings demand that a worker have training and experience in more than one speciality.

The interview with Franz appears in the April 10 issue of *Insight*.
