THE Clocktower

Recommendations from the Resources Committee Revealed

In 1985 the Resources Advisory Committee at Union College was formed. It is a twelve member board, chosen from the faculty and staff of Union College, and the Mid-America Conference office. Its purpose was to find places to cut Union's budget without jeopardizing the quality of the education that was available. Thursday evening, March 20, 18 meetings later, a reluctant Dr. Manley announced the committee's decisions.

The committee was able to reduce expenditures by slightly over one million dollars. The cuts were made in a number of different areas, ranging from a \$24,800 cut in the "misc. and travel" area of the Division of

Business, to \$500 in the Physical Education Department.

The big cuts seemed to come in the "retrenchment" of faculty and staff. A number of division secretaries have been cut as well as a number of others mentioned by name in Dr. Manley's speech.

Those who will no longer hold their current positions at Union are: Linda Dick, Nancy Carlson, and William Fitts from the Humanities Division; Marilyn Schwisow from the Division of Human Development; James Hayward, of the Division of Science and Math, who will be going to Andrews; Darrell Beyer and Terri Schlegel from the TLC; James Ferguson from the Accounting Office; Janice Brummett from Duplicating;

Rick Blythe and Louis Arokiasamy from Institutional Advancement; Ned Saunders, Fernando Carrillo, and Jon Mirth from Plant Services, the area hit the hardest by the budget cuts. Also leaving will be Mindy Brooks, FIPSE coordinator; Sara Gregerson from the switchboard/mailroom; and Larry Onsager and Sue Job from the library.

Of all of the staff members cut, only 3 will be replaced, and these replacements will be made from inside Union. Marilyn Schwisow, who resigned to get married, is being replaced by Ward Hill. Linda Dick, who is planning to attend graduate school, is being replaced by Deborah Leonard, who is returning from China.

Also, the switchboard, previously run by Sara Gregerson, will be moved to Rees Hall and taken over by one of the deans.

With all of the cuts being made it was a relief to find that only one major, Early Childhood Education, was going to be cut from Union's curriculum. But nonetheless, this particular cut is of concern to the nine Early Childhood Ed. majors who are wondering if they are going to be able to finish their education at Union.

Aside from the decisions on how to decrease spending, a few were made on how to increase revenue. The most solid source mentioned was Computer Services. Resources, continued on p.3

KUCV's Fundraiser a success; large turnover in staffing

Mr. Larry West of KUCV is happy to announce that the recent fundraiser for the station has

by Anita Gregerson

been a success. Mr. West stated that KUCV is only \$2000 short of their \$40,000 goal, and two months remain for pledges to come in. The fundraiser has also brought in approximately 140 new members. The money raised in the drive will be used for the operations of the station, such as; staff salaries, buying records, and operational expenses.

The station has recently experienced some changes in the staff. Mel West assumed the position of General Manager of the station on a trial basis, but decided not to assume the position full-time. The position of General Manager is still vacant.

Two other members of the staff are leaving the station due to a

change in residence. They are Cheryl Hayward, Membership Director, and Beverley Wong, Program Director.

One year ago the staff numbered 30 people, this included full-time, part-time, and student employment. Now the staff has six full-time employees and less than ten others. KUCV plans to replace the senior staff positions which have opened.

Another matter of interest for KUCV fans may be the program guide which was formerly published in the Lincoln Magazine. Mr. West stated that Lincoln Magazine was too expensive to publish but KUCV does plan to publish a new program guide when they are able to find a less costly way to produce it. The name of the publication has not yet been determined, nor the date of publication.

Easter Sunday Brunch

The ASB cordially invites the students of Union College to attend an all-you-can-eat, pancake brunch held Sunday, March 30 at 10:30 a.m. in the cafeteria.

Special announcement to be made!
(REGARDING CASH PRIZES...)

Opinions

Editorial

Union loses another friend— Dr. Richard McCluskey

Of the editorials that I have not wanted to write, this one ranks in the top three. I am sure that you are aware of Dr. Richard McCluskey's resigning effective July 31 to pursue a different avenue of his professional career. I really don't know where to begin.

I was introduced to Dr. McCluskey by my sister when she was a biology major at Union and Dr. McCluskey still taught in the Science/Math department. He was much more imposing then (since I was still in academy), but easy going and relaxed. It was with the strong advice of my sister that I asked to be his advisee when he came to Maplewood Academy my senior year to recruit for Union. Thankfully, things worked out.

Now, five years later, Dr. McCluskey is still my advisor and, the last I heard, carries the largest number of advisees. If

nothing else, this should tell you that the man cares about students. I see a genuine interest in his eyes when I talk to him and talk to others about him.

I like to start conversations and then sit back and listen to what the people are saying. After hearing about Dr. McCluskey's resignation, and mentioning his name to others, I was not really amazed at what I heard. It was what I have known about the man for years—that he cares about students, that he goes out of his way, he puts in a good word, that takes time to talk, that he is a friend. The last point is the founding point of all the others: Dr. McCluskey takes the time to be your friend. The rest naturally follows.

With Dr. McCluskey being my advisor, I have increased my life expectancy by more than five years, I have an avenue for dialogue with the Administration and I will graduate with a degree. I have a friend who sees the positive in me and wishes to help me see it with him. He doesn't defraud a friendship by hiding what needs to be seen; when I talk to him about grades, my point is made perfectly clear.... He will not say one thing and mean another. He will not make one point and the next day hold the opposite to be true.

Everybody leaves an educational institution with the thought, "The year after I left, the place went downhill faster than a polar bear on skis." I guess I would like to echo that thought about Union for when I get out. Unfortunately, incoming freshmen won't have the opportunity to know Dr. McCluskey as an advisor, but I know he'll always be there as a friend. That is tried and true and you can bank on it. I just can't say enough good about Dr. McCluskey, my advisor and friend. T.B.

News

Special awards to be voted for by students and faculty

For those individuals who like to pride themselves on being a people person, athletic jock, work-

by Nichole Parks

a-holic, and all-a-round-cool-dude, Union College is now planning a special event just for you!

On April 26, non-academic awards will be given honoring those students who have uplifted Union in a variety of ways.

There are several different categories that students will be chosen from:

VOTED ON BY STUDENT BODY

1. Female Athlete: An outstanding performance, sportsmanship, and contribution to the campus athletic program.

2. Male Athlete: Same as above.

3. Student Activities: Involvement in student activities and contribution to campus spirit.

These three categories will be voted on by the student body. You may receive a voting ballot

from any of the senators after April 3.

VOTED BY FACULTY AND WORK SUPERVISORS

The next three categories are as follows:

4. Contribution to Media: Media Expertise (radio, publications, photography, etc.), creativity, and contribution to campus media.

5. Community Service: Participation in volunteer activities, and contribution to Lincoln community programs (political, social, artistic, etc.)

6. Student Worker: Unusual level of performance and responsibility on a campus job.

The last three awards will be nominated by the faculty and work supervisors and then voted upon by staff ballot. All awards will then be reviewed and chosen by the Student Affairs and Services committee.

Remember, Saturday night, April 26, at the "Yearlook" presentation...YOU could be awarded at what YOU excell in--- DON'T MISS IT!!

Resources

(continued from pg. 1)

ces, which is expected to bring in \$100,000 next year. An increased enrollment would bring in more money, therefore better and more extensive recruiting techniques are being looked into as a possible way to increase Union's financial state.

In addition to this, plans for an endowment fund are in the beginning stages. Union currently has \$600,000 that needs another \$400,000 before it will be matched by a donor and placed into an endowment fund for the college.

In his speech Dr. Manley also advised the students on the use of their funds in the ASB. He made several suggestions, and asked students to feel free to add their input, emphasizing their importance in the system.

One person Dr. Manley did not mention in his speech was Dr. McCluskey. Dr. McCluskey has resigned as vice-president in charge of academic affairs in order to take up a position with Scientific Research Institute here

in Lincoln. When asked about this, Dr. Manley could only respond that while Dr. McCluskey would be replaced, no one had been chosen as yet.

The decisions were not easy ones to make, and extensive reports were done in all areas before making anything final. Dr. Manley's outlook is hopeful, and he is willing to listen to suggestions from students, and anyone who is concerned with Union and its future.

"Places in the Heart" with Sally Field for ASB Sat. night

Students of Union College are in for a real treat Saturday night, March 29, when the ASB presents

by David Earles

yet another blockbuster film, "Places in the Heart", starring Sally Field.

"Places in the Heart" is a touching story of a sheriff's widow who takes in two misfits and fights to keep her family together, and hold on to the land she loves. The movie will be shown at 7:30 p.m. and again at

9:30 p.m. Admission is \$.75 for singles and \$1.00 for couples, at the door. "I like showing these movies," comments Nedd Brown, ASB Social Vice-president and coordinator of the evening's events, "But I'd also like to see it be a social event. I figure that maybe with the prices like this, I can encourage some 'kosher' social interaction around here."

For those planning to attend the evening's events, you will need at least one ID card per couple.

Sports

Hoop Scoops

Season in Review....Another hoop season has come to an end. There was tremendous balance in both Men's A- and B-League. In B-League, four teams finished within one game of each other and A-League has neither an undefeated team nor a winless team....The Faculty squeaked out another championship by virtue of their head-to-head record against Freund. All four of the top teams in B-League had shot at the title going into the last eight days of the season...Steve Newton won the free throw shooting contest for men. It was held the Monday after Spring break. He played Tink Kittrell for the championship. Tink had come up through the loser's bracket and then defeated Steve in

their first match, forcing the second game. Tink buried 14 out of 15, but Steve dropped 15 straight to capture the tournament...The spring Intramural program offers variety: Monday and Tuesday nights will be devoted to men's floor hockey, Wednesday night will host women's floor hockey and Thursday nights will be the badminton intramural tournament.

Pennock 47, Pursley 41

After falling behind 14-4 early and trailing 22-14 at the half, Pursley fought back to tie it at 28 with 12:40 left in the 2nd half. The teams were knotted at 37 with 5:30 left in the game. But Pennock took over, running off a 10-4 string and pulled away to the victory.

Fandrich 58, Hoehn 55 (in OT)

In a fitting close game to a very well-balanced A-League season, the final game of the year had to go to overtime. Jon Hoehn scored 10 first half points to lead his team to a 27-25 half time lead. But Troy Beans answered with 10 second half points and Michael Miller pulled down 10 rebounds to pull Fandrich even at the end of regulation. Hoehn's Redmen drew first blood in the OT period when Hoeh drilled a 10' jumper from the baseline. Fandrich's Blue Demons scored the next 6 points (4 by Miller) to put the game out of reach. By winning, Fandrich pulled their record to 4-4 and a three-way scored place tie.

The two teams combined for 113 points and shot a respectable 42% from the field.

Kawamura 2, Clemons 1

1st period: C, Chokka (1) (unassisted), 1:31; K, Paul Martin (1) (Randy Hagen), 19:30. Penalties: C, Daisuke Fujita, Highsticking, 9:13. 2nd Period: K, Kevin Krall (1) (Monte Dean), 19:22. Penalties: K, Bryan Powers, roughing, 15:28; C, Troy Beans, roughing, 15:28; K, Randy Hagen, cross-checking, 19:35.
 Shots on goal: Kawamura: 1st, 9; 2nd, 10, Total, 19.
 Clemons: 1st, 9; 2nd, 8; total, 17.

Radovan 4, Boaz 3

Bob Boaz squad outshot Radovan 22-21, but came away with the loss. Boaz had a goal and an assist to lead his team, but David Lauer came up with a hat trick for Radovan to lead them to victory.

Boaz 6, Freund 2

Captain Bob Boaz scored 4 times for his team and assisted on another goal to lead his team's explosive attack. Jim Nelson assisted on 3 of Boaz's goals. Dave Tenold scored both of Freund's goals. Boaz outshot Freund, 18-12.

Clemons 5, Radovan 4

Bob Clemons' team outshot Radovan 19-13 in the game and 9-4 in the decisive first period during which Clemons jumped out to a 3-0 lead. Radovan came roaring back in the second period with 4 goals, but came up short. Gareth Burgess led Radovan with a goal and an assist. Mark Tenold scored the hat trick for Clemons and Sonny Chokka added 2 goals.

Radovan 4, Kawamura 2

Jerry Huether scored a hat trick to overcome Kevin Krall's two goals for Kawamura. Huether's last goal with 2 seconds left in the game to "ice" it for Radovan.

Clemons 8, Freund 3

Bobby Clemon's team exploded for a season-high 8 goals in a single game. Mark Tenold had a hat trick. Clemons scored a pair and Sonny Chokka added a goal and 6 assists. The 7 points by Chokka are a season and single game high, also. To add the irony to the game, Freund outshot Clemons, 19-18.

Canada retained its hockey championship by stunning Minnesota with 3 goals in the last 3 minutes. Minnesota outshot the Canucks 26-19, but came up short in the goals' column. Dave Tenold and Rich Carlson scored 2nd period goals to give Minnesota a 2-0 lead. The momentum began to shift to the Canadian's favor in the 3rd period. Sonny Chokka pumped in two goals within a 75 second span and Ralph Bochinski scored the game-winner with :13 left in the game. His shot from the right point deflected off a Minnesota defenseman and dribbled past a sprawling Rick Craven into the goal.
 The Canadians were spurred on by the terrific goal-tending of Steve Kawamura who made 24 saves. Canada has now taken 4 straight games from the Minnesotans. The next game between these hockey powers is tentatively scheduled for this Sunday afternoon, March 30.

Steve Johnson, 1986-87 ASB President, Profiled

Steve Johnson always seems to have a never ending supply of energy and enthusiasm, and soon

by Lisa Homer

it will be channeled into the ASB— something that Union students can feel very lucky about.

Steve Johnson is a senior here at Union. He is majoring in Accounting, with a minor in Biology. He is also the ASB President for the 1986-87 school year.

Steve has a lot of practical experience in organization and responsibility. He has started his own paint business, and has

participated heavily in college activities, including holding the office of sophomore class President at Atlantic Union College and junior class treasurer here at Union.

Steve says that his main reason for running for the office of president was because he wants to see students more involved and excited about being at Union. Steve reasons, "If the ASB is active enough, it can provide activities that will help boost school spirit."

It is important to Johnson that the students be kept informed and therefore involved in the workings of the ASB. This is evident in his

plans for next year. Some of the things that Johnson would like to see happening on campus next year include one ASB meeting per month in which students can get together with the officers and ask questions. Also, he would like to see a more active senate, with more publicity for their decisions. He also plans to have an ASB newsletter going out to the students and faculty once a month.

Activities are an important part of the Johnson administration. Steve feels that a wide variety of activities with good strong publicity will be helpful to the student morale here at Union, and he

plans to keep all of the officers very involved. "I think the students should know who all of the officers are, not just the president or the person responsible for activities," says Johnson.

Next year's executive staff are already very involved. They are meeting regularly on Wednesday evenings, and have the budget finished and ready to submit for approval.

"I am very optimistic about next year," Johnson says. But for anyone who talks to him, it's obviously more than optimism, it's excitement, and it's contagious.

Personals

TOGA PARTY AT AUNT JUDY'S!! This week-end. It should be total **PANDA-monium!!** You know who to call for more information.

Melinda Renee Kearby
You're someone that I truly do admire.

...from your slender form to the sparkle in your eye...And everytime I think of you my heart burns with desire.

Forever,
NYMFS

To: S.B., R.G., and friends
This year was a flop, 'till into your lives I dropped. Now you've added some fun, to this normal hum-drum, to my clouds you've added much sun.

Thanks, C.C.

Dave P.
Great letter last week. I couldn't agree more.

JZ

--Remember all the fun of last year's spring barbecue?? Well it's that time again, and the 2nd annual picnic is being planned. Save a couple of bucks and keep April 26 open...watch for details!

--Parks & Recreation Inc.

Bri.
My nylons are your nylons! Can I borrow your seamless ones sometime?

Eva

D.W. & A.U.
How about some peace and quiet in the library? Please go elsewhere to discuss your future together!

Someone wanting to study.

Brett & Dave
When do I get to test drive your honda's??
