# Dem Candidate Sorensen Visits Campus Tomorrow

Philip C. Sorensen, Democratic gubernatorial candidate for Nebraska, will be the featured speaker at the ASB convocation tomorrow morning.

Sorensen, 33, was born in Lincoln and attended the Lincoln public schools. He received an LLB cum laude from the University of Nebraska School of Law in 1959.

He practiced law for several vears and taught part time at the law schools of the University of Nebraska and the University of

against poverty.

Sorensen is a brother to Ted Sorensen who was a speech writer for President John F. Kennedy.

"The most important single issue in this governor's race," according to Sorensen, "is the role which state government will play in the future of Nebraska. For too many years we have heard the cry, 'Let the states do it,' when they actually meant, 'Let's not do it at all.'

"It is my firm belief that state government can play a responsible and vital role in the development of our state. I believe that state government in Nebraska can and must meet its proper responsibil-

ities by striving to solve local problems with local resources, rather than allowing the federal government to move in by default."

When asked what Nebraska's most pressing problem was, he said, "Nebraska's number one problem -and what I would, as governor, consider my number one program, as well-is to provide education of the high quality which is rightfully demanded by the people. Even without taking into account the purely human and personal benefits-on which there can be no price tag-it has been proved over and over again that investment in education is the most profitable investment which can be made. Money spent on education repays itself many times over, both for the individual and for the economy as a whole.'

Immediately following Friday's convocation Union College radio station KVUC is sponsoring a question and answer session in the Student Center with Mr. Sorensen and a panel of students selected by KVUC. This press conference will be recorded for future broadcast.

ASB president, Jack Krogstad, says that the ASB also hopes to present Norbert Tiemann, Republican candidate for governor.

Frank B. Morrison, the incumbent governor, is challenging Republican Senator Carl Curtis for a U.S. Senate seat this fall.

## THIS SATURDAY NIGHT

## **Xylophonist Gives** Concert

Xylophonist Yoichi Hiraoka and his chamber ensemble will present a musical program Saturday night, Oct. 1, at 8:00.

The program will include classical music by Bach, Haydn, Mozart and Brahms and several songs of Mr. Hiraoka's homeland, Japan.

Mr. Hiraoka started playing the xylophone in his youth after deciding against playing the piano because of the small size of his hands. In 1930 at the age of 23, he came to the United States to further his career as a xylophonist. Soon after arriving in the United States, he signed an exclusive contract with NBC radio. He played on more than 4000 programs during the 1930's.

He returned to Japan when World War II broke out and did not give a concert in the U.S. until 1962 when he appeared with the New York Philharmonic at Carnegie Hall in New York City.

A xylophone is quite similar to a marimba, but the xylophone is smaller, having one less octave of keys. Only two hard strikers are used on the xylophone while usually more than two are used on the marimba.

Some numbers will have only piano accompaniment, others will feature the full ensemble which includes a violinist and a cellist.

College students will be admitted free with their new ID cards. There will be a charge of \$1.25 for adults and \$.75 for children.

# Sunday's Pageant **Final Celebration** Noting 75th Year

The College View seventy-fifth anniversary pageant will take place Oct. 2, at 7:00 p.m. in the Union College gymnasium. Hostesses, dressed in gay 90's clothing, will serve refreshments while music is presented by the Union College band, directed by Dr. Melvin Hill, chairman of the music department.

Short talks by ministers from various churches in the College View vicinity will be featured.

The ministers will tell of the establishment and growth of their churches and congregations.

This final celebration of Union College's 75th anniversary commemorates the arrival of the first students on Sept. 30, 1891, and the first day of classes, Oct. 4, 1891.

Election procedures were among the items discussed by the ASB legislature, the Student Council, last Wednesday morning.

The working policy for ASB nominations and elections requires that any interested students must be given an opportunity to file for nomination for the four at-large Council seats. This policy is being implemented by Nominations and Elections Committee chairman,

Clyde Cooper. Nomination blanks are now available in the ASB office (room AD 206A) and at the two dormitory desks.

"Peanut Hill," the Union College student directory made its 1966-67 debut at a special presentation in the gym last night.

Students who did not attend will have to wait until Monday or Tuesday to receive their copies, according to editor Terry Dietrich.

Although a revision was made in the format and size, the "Peanut Hill" includes only the same features as previous years which are pictures, classifications and addres-

ses of Denver campus students, faculty, dorm students and village students.

In 1953 the ASB started "The Directory of the Students and Staff," a 4x9 pamphlet of 28 pages. Later, in 1959 this was enlarged to 5½x8½ and 32 pages containing pictures of the students and staff. This new and improved directory was named "Peanut Hill Populace."

The "Peanut Hill Populace" has grown from a small booklet with only names and classifications to a

book very important to all students, college organizations and faculty. It is a vital part of every nominating committee and a "get-acquainted book" for everyone associated with the college.

Assisting Terry Dietrich in the preparation of the "Peanut Hill" were assistant editor Earl Cree; layout editor Jan Ruths; roster editor Kathy Swanson; art editor Don Sauser; typists Carol Stephenson and Sharlene Anderson; and Victor S. Griffiths, sponsor.

# UC Ties 'King' Feigner; Johnson Pitches 5-Hitter

By DAN PAULIEN

Gene Johnson, Union College instructor in biology, matched Eddie Feigner pitch for pitch last Saturday night as a Union College all-star team tied the King and His

Both pitchers allowed only five hits in the seven inning exhibition game held at Sherman Field in southwest Lincoln.

The Court took the lead by scoring twice in the first inning. After the lead batter, Jim Herrick, had walked and advanced to second on a wild pitch, Eddie Feigner blooped a single into center field scoring Herrick. With two outs and Feigner on third due to an infield error and a wild pitch, Al Jackson singled to right scoring Feigner.

The Unionites quickly equaled the score in the bottom half of the inning. After Ed Storey had doubled to left, first baseman Derryl Ogden, a College View dentist, smashed a ball deep to right field which went for an inside-the-pa. K

Neither pitcher allowed another hit until the bottom of the sixth inning.

With one out, Wayne Fleming, chairman of the Union College physical education department, doubled to left. An infield single by Derryl Ogden put runners on first and third and Red Stephens, a 1966 graduate, slammed a triple to deep right field.

The Court thus trailed 4-2 going into their last turn at bat. Al Jackson singled with one out. After Eddie Feigner had grounded out, Jim Herrick smashed a ball over the right-fielder's head for an inside-the-park home run.

The next two Court batters reached base but Gene Johnson forced Jim Herrick to pop to centerfielder Ron Hixson to end the threat.

Feigner struck out the side in the bottom of the seventh.

Outstanding fielding plays were made by Euel Atchley, starting rightfielder for the Unionites and Harry Cummins. Atchley, of the General Conference temperance department, made a diving catch on a Texas league blooper hit by Feigner.

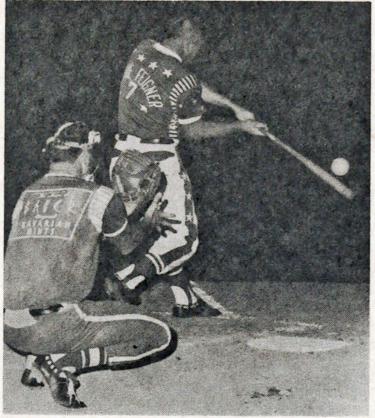

In the fourth inning Cummins, substitute shortstop for the Court, made a diving catch on a high pop by Derryl Ogden. The wind currents above Sherman Field made it an especially difficult play and Cummins caught the ball while diving with his back to home plate.

Feigner uses only three fielders, four men playing against nine. Gene Johnson needed only an in-

field. Only two putouts were recorded by the outfielders, as Johnson's drop pitches had both King and Court hitting the ball on the

Feigner pitched blindfolded to several batters, from second base to several others and got out of one jam by using his famous fast pitch, which is so fast no one can see itlargely because it is never released from his hand.

touchdown passes. Two of them were caught by Jerry Thayer and one each by Ron Scott and Don Moon. Captain John Seltman scored his team's only points with a 30 yd. run.

In other games, two extra point kicks by Larry Vandeman provided the margin of victory as Wentworth shaded Gooch 14-12, and Taylor and Wahlen tied 6-6. Wally Fox scored Taylor's touchdown on a 12 yd. run and "Buzz" Prowant scored for Wahlen catching a 27 yd. pass from Don Soderstrom.
