

## UNION'S 1957-58 ENROLLMENT NEARS 750

### OMAHA CRUSADE TO FEATURE RICHARDS

#### Seminar Course Added to Religion Department

A new course in Doctrine of the Atonement is being taught this semester by Professor Leif Kr. Tobiassen, chairman of the Department of Religion. The course is on an advanced level and takes up the principal Adventist doctrine for specialized study, analyzing the biblical teaching concerning the sanctuaries and God's way of saving man. The class is conducted primarily as a seminar-type roundtable discussion group to which each student contributes his findings after individual study, the instructor coordinating the discussions and directing in the further research. Nineteen students are enrolled in the class, four of whom are girls.

October 4 will be the opening date of an effort to be held in the city of Omaha by Elder H. M. S. Richards and his Voice of Prophecy group. Assisting Elder Richards will be J. O. Iverson, associate speaker, the King's Herald, and Brad Braley, organist.

The meetings will be held in the Music Hall of the Omaha Municipal Auditorium at Eighteenth and Capital in downtown Omaha. The meetings will close on Sunday, October 13.

Two musical groups from Union College will be taking part in the meetings. The Unionaires and the Union College Concert Band will be performing on October 4, and October 11 respectively.

#### First Convocation Previews New Year

The first convocation of the new school year was held in the college auditorium September 20. President Bieber gave the opening remarks and official welcome to the student body.

Dr. Cleveland, chairman of the Activities committee, introduced Mr. Joice, head of the Social Committee; Dr. Rhodes, head of Music Production; and Mr. Hauck, head of Special Productions, who outlined entertainment for the school year.

President Bieber announced a few changes that would take place and encouraged close student-faculty association.

The new students were then dismissed and the support of the "old students" was solicited to help make the new students' year more enjoyable.

#### Names, Games in Mixer

A name-finding, place-finding contest set off the first social Saturday evening of 1957-58. Students were given papers with first names of a number of other students. They were then to find persons with those last names, filling in blanks opposite the first. Names of students from the foreign countries listed had to be found also.

For the other activities, the participants were divided into seven groups which made a circuit about the play area, each participating in one game for ten minutes.

In the seven-ring circus that resulted, various indoor and outdoor group activities were featured.

At one stop during the circuit donuts and hot chocolate were served.

### Six Additions to UC Staff

Veryl Drury, Genevieve Dickerson, Virgil Mayer, Hartley Berlin

Six new members: Elder Sidney Allen, Miss Genevieve Dickerson, Mr. Virgil Mayer, Mr. Veryl Drury, Mr. Jerry Wiley, and Mr. Hartley Berlin, were recently added to Union's staff.

Elder Sidney Allen is the new addition to the Religion Department. Elder Allen came from the Nevada-Utah Conference. He received his Bachelor of Arts degree from La Sierra College, and is near completion of his Master of Arts from the Theological Seminary. In the religion department he is teaching Evangelism and some Bible classes.

In North Hall, Miss Genevieve Dickerson is the assistant dean of women. She has served in this capacity at Enterprise and Campion Academies.

Mr. Virgil Mayer, a graduate of Union College, is the new accountant. Previously, he was assistant credit manager of Hinsdale Sanitarium and Hospital in Hinsdale, Illinois.

The assistant instructor in chemistry is Veryl Drury. Mr. Drury received his B.A. from Walla Walla College.

Mr. Jerry Wiley, graduate of Union College, is an academy instructor in English and speech. Mr. Wiley has almost completed his M.A. at the University of Nebraska.

Teaching mathematics and science in academy is Mr. Hartley Berlin. He also is a graduate of Union College. He held this same position at Sheyenne River Academy.

### Council Recommends CT Status-quo

Wednesday, September 25, the Student-staff Council met in special session and voted to recommend that the CLOCK TOWER be continued on a bi-weekly basis as it has been in the past. Someone who felt the need of a change in its form, referred the question to the council and suggested the possibility of publishing a small weekly sheet for student circulation only and one large paper per month which would be mailed to subscribers.

Discussion of the matter, which was first submitted at the council's Sunday meeting, was not completed at the time for adjournment. Therefore, the special session was held Wednesday to hear all sides of the question. When the various aspects of the issue had been presented, the council recommended the continuation of the present system.

Union's Student-staff Council aims at promoting co-operation between the students and the staff and provides a place where common problems may be discussed and solutions may be found which will lead to a better college program.

### Organic Lab Equipped with Electric Heat

New electric heaters have been added to equip the organic chemistry laboratory. Formerly, these heaters were used to evaporate insect repellent in front of army barracks and, as surplus, were given to Union College. Dr. D. K. Brown, head of the Chemistry department, procured them for use in the laboratory. Since they are run by electricity, they will eliminate the danger of explosions. Previously, an open flame or a hot plate was used.

### UC GRADS RECEIVE ADVANCED DEGREES

The twenty-ninth commencement of the Seventh-day Adventist Theological Seminary was held on August 29 in Takoma Park, Maryland, at the Sligo church.

Those from Union College who were graduated were Floyd E. Hills, '33, who received his Bachelor of Divinity degree in Church History, Jack J. Blanco, '56, Master of Arts in Bible and Systematic Theology, and Samuel Lee DeShay, '54, Master of Arts in Bible and Systematic Theology.

The commencement address was delivered by Dr. Floyd O. Rittenhouse, president of Emmanuel Missionary College. The degrees were conferred by President Ernest D. Dick of the Seminary.

### Whitsett to Conduct Autumn Prayer Week

Elder Robert Whitsett, evangelist in the Northern Union and currently conducting a great evangelistic effort in Minneapolis, will be the speaker for the Autumn Week of Devotion, October 18 to 26. He will be assisted by President Bieber and the members of the joint Student-Faculty Religious Life Committee. The members are: Leif Kr. Tobiassen, Chairman; M. S. Culver, Joe Fletcher, Ernestina Garbutt, Hilda Fern Remley, Noretta Upchurch, Leonard Weaver, L. W. Welch, Anne Whitsett and F. G. Young.

#### In Memoriam

The students and staff of Union College express their sympathy to the family of Dean M. S. Culver upon the death of the dean's mother, Mrs. Olive Culver of Panorama, Iowa. Mrs. Culver passed away while visiting her sister-in-law in Weiser, Idaho.

Mrs. Culver, a frequent visitor to South Hall, will be missed by the men of South Hall.

### New Students Display Talent in Varied Areas

Iowa led the parade of new student talent presented Saturday night, September 28, in the college auditorium. The program consisted of a variety of music and novelty numbers. The master of ceremonies for the evening was Dr. J. W. Rhodes of the music department. Dr. Rhodes added to the color of the evening by disclosing little known facts about a number of the participants, such as various training or experience which the person might have had in the past. Something new in the way of talent on the campus was ventriloquist Lonnie Simpson and his partner, Jerry Mahoney.

Other members of the cast were Garv and Betty Bentzinger, Dixie Millburn, Sharon Huso, Millie Rieter, Nina Speed, Barbara Fox, Maxine Reed, Dave Grayson, Joe Greig, Bill Doles, Marilyn Clark, Sara Lou Nettouner, Elwyn Rexinger, Vada Waldron, Bruce Freeman, Don Berglin, Duane Ytredal, and Sandra Julius. Accompanying the various acts were new students Norma Stark, Judy Crofoot, and Betty Bentzinger. Old student accompanists were Carolyn Rhodes, Bob Bockman, and Charlotte Lehto.

The program was produced by the music productions committee.

Since registration began September 15, some 741 students have been enrolled for the 1957-58 school term. According to Miss Marie Anderson, registrar, this year's total enrollment should reach a total of approximately 830.

Twenty-eight states and 20 countries are represented in Union's sixty-seventh student body. The top nine states in the roster are Nebraska 146, Colorado 68, Minnesota 65, Iowa 52, Texas 49, North Dakota 41, Kansas 35, South Dakota 30, Missouri 27.

Thirty-seven are enrolled in the clinical division on the Colorado campus.

Although this year's total enrollment is approximately 50 less than one year ago, the number of freshmen registered is 13 greater.

Total enrollment, including late and second semester registrants will approach an average for the last five years of 836.

Union College Academy reports 84 students enrolled as of September 23.

A complete roster will be found on pages 2 and 3.

### College View MV's Present 10 Free Gifts

The College View Missionary Volunteer Society began the new school year with an enthusiastic start at their booth during registration week. Upwards of 500 people signed up as members during the three-day period. In so doing, they joined one of the "Share your Faith" activity bands, and also made themselves eligible for one of the 10 free Messages to Young People which was given at the MV meeting Friday, September 27. Winners in the drawing were numbers 333, Viola Lowry; 210 Billie Deming; 421, Gayle Holweger; 73, Albert Beierle; 1, Charles Chambers; 434, Herbert Johns; 254, Vernon Craven; 25, Bill Wilson; 173, Don Bunch, and 245, Joyce Thornton.

Pictures of last year's activities helped newcomers decide which activity they would like to join this year. Along with their membership cards, two Missionary Volunteer book jackets were given to each member.

#### COMING EVENTS

- Friday, October 4**
  - 10:15 A.M. Convocation, Dr. L. W. Welch
  - 8:00 P.M. Vespers, Elder Sidney Allen
- Saturday, October 5**
  - 8:30 A.M. First church service
  - 9:30 A.M. Sabbath School
  - 11:00 A.M. Second church service
  - 8:00 P.M. Faculty Parties
- Monday, October 7**
  - 10:15 A.M. Chapel, Elder Walter Howe
- Friday, October 11**
  - 10:15 A.M. Convocation, Dr. E. B. Ogden
  - 8:00 P.M. M.V.
- Saturday, October 12**
  - 8:30 A.M. First church service
  - 9:30 A.M. Sabbath School
  - 11:00 A.M. Second church service
  - 8:00 P.M. Open Night

# Divers Data

## North

by Sally

Slinga de ink, slinga de ink,  
Pusha de pen, pusha de pen  
Slinga de ink and pusha de pen  
along  
At Union College in Lincoln,  
Nebraska  
We slinga de ink and pusha de  
pen along.

"Slinga de ink and pusha de pen  
along" aptly describes the begin-  
ning of activities at Union College.  
With the filling of registration  
books and cards, and the starting  
of assignments, we all find our-  
selves busy with the activities that  
are associated with the beginning  
of school.

Jeanie Rogers must have been  
in registration line too long  
last Tuesday, because she was  
seen streaking across campus  
toward the bus. She made it, only  
to discover, much to her dismay  
and the driver's disgust, that she  
did not have her billfold with her.  
Good looks are handy but they cer-  
tainly don't pay the bus fare to  
town. Better luck next time,  
Jeanie.

Jane Camp is back this year  
with a new, all new, voice. Seems  
as if it comes from an old, old cold.

Lola Cleveland, after dialing  
4-9938, was amazed to hear  
"Pete's Pool Hall, Eight Ball speak-  
ing." A quick "Who is this?" by  
Lola, followed by a long, frustrat-  
ing pause revealed the culprit to  
be Jerry Huset.

An old room, namely 126, is get-  
ting a new look, thanks to occu-  
pants, Donna Wolfe and Maxine  
Reed. With the help of their able  
assistant, Bill Edwards, they form  
one of the best paper-hanging trios  
in North Hall, in fact the only one.

A quick note on the weather.  
Sylvia Scott was overheard to  
say, "Why, where I come from we  
think it's really cold when it gets  
down to fifty. And when it snows  
we just don't have any school."  
Perhaps we of the North could  
adopt some Southern policies.

North Hall is getting settled  
slowly but surely. Some rooms still  
have three in them, but although  
it is crowded, we still feel lucky to  
have a place to put our heads at

## South

by Bob

It was the best of times; it was  
the worst of times; it was the start  
of another school year. The scene  
was familiar—chaotic scenes of un-  
packing . . . struggling freshmen  
and Don Bunch struggling up to  
the third floor (or was it the sixth?)  
to deposit their bunglesome pack-  
ages in neat disarray on the fresh-  
ly polished floors. For some, this  
was as far as unpacking went.

Happily for UC females there  
is an encouragingly larger number  
of men than women on the scene  
this year. Old North Hall is bulging  
at its ancient seams, while Pearl  
Rees Hall rears its head encourag-  
ingly in the foreground. Hold on  
a little longer, gals.

One of the most discouraging  
starts of this school year was ex-  
perienced by Bob Whitsett and  
Jim Maxwell. Bob, so his story  
goes, was driving his '54 Hudson  
down Prescott very slowly and ex-  
plaining to Jim how his "Bermuda  
Bell" worked when he discovered  
that he had managed to drive into  
the front end of a certain '54 Pon-  
tiac which was parked on the left  
side of the street. Jim cut his lip  
when he was thrown against the  
dash at the time of impact. This  
was the second mishap of the sum-  
mer for Jim, who wrecked his own  
car just before coming back to  
school. MORAL: "Bermuda Bells"  
don't scare parked cars.

SHORTS: Larry Henderson came  
back to school with a stomach ul-  
cer. Joe Corrigan got his private  
pilot's license this summer. Wel-  
come to all the foreign students.  
Dean Culver informs us that the  
greatest number of foreign students  
come from the Inter-American Di-  
vision. Elder Sidney Allen, new  
addition to the teaching staff in  
the Religion Department this year,  
has been living in South Hall for  
the past several weeks with his  
wife and three boys. They have  
their house picked out and are only  
waiting for the arrangements to  
be concluded before moving into  
their new home.

night. We look out and see the new  
dorm and dream of the time when  
we will be living in it and realize  
that we will be able to manage for  
another year.

## UC Graduate Finishes at Military School

Capt. Leo Herber of Denver, Colorado, recently was graduated from the military medical orientation course at the Army Medical Service School, Fort Sam Houston, Texas.

The course, designed for newly commissioned officers, stressed medical service in combat.

Captain Herber has received orders assigning him in Little Rock, Arkansas.

He is a 1952 graduate of Union College, Lincoln, Nebraska, and a 1956 graduate of the College of Medical Evangelists, Loma Linda, California. The 26-year-old captain is the son of Mr. and Mrs. G. H. Herber, Shattuck, Oklahoma.

## Sports Preview

The nights have begun to have that "winter feeling," which reminds us that football season is here again. Very shortly you will be able to see the fellows running around on the 49er's field trying to pull flags out of each other's pockets. Don't be alarmed though; they are simply playing flag ball.

When cold weather sets in, all of the football enthusiasts will be nursing their bumps and bruises, so that they won't have to miss any of the games the volleyball league will play each noon hour.

To those who have the mistaken idea that anyone can play volleyball, we would like to invite you to stop by the gym some noon. You will see some real teamwork and skill.

The tennis enthusiasts are hoping that winter will stay away for a little while at least; while on the other hand those who spend their time aiming round, leather ovals at a barrel hoop with ropes hanging down from it, are hoping for cold weather real soon. The remainder of our school year, after basketball season is over, will be our softball games.

There will be numerous tournaments during the year in each sport. We would like to encourage each of you to take an active part in all of these, for that is what makes them a success.

Good luck to you in the coming school year and "may the best team win!"

"Jip" Brady

# It's this way Doors To Friendship

An old man walked along the road from the little town. A car, travelling toward the town, slowed down and stopped near him. "Say, mister, what town is this?" the driver queried.

"Lawrence," came the answer.  
"And what are the people like here?"  
"Well, what are the people like where you come from?"  
"Where I lived," the stranger replied, "the people were not much account. They were always gossiping and quarrelling among themselves. I hope they aren't that way here."

"That's too bad," the old man returned, "because the people here are just the same way."

After a time another car stopped and this traveler asked the same question. "And how are the people where you come from?" the old man asked again.

"Oh, we had the most wonderful people back home. They were the best neighbors and were always kind and friendly. I hope that I meet some more people like them."

"You will," the old man said, "because they're just that way here."

New students and old, we are glad to welcome you to Union this year. We hope that you'll like it here and make many friends.

Someone who has a wide circle of friends in college will also find many friends after college, or to the one who knows the secret of cultivating friendship, wherever he goes "the people there are just the same way."

The real key to open friendship's door lies not in personality, not in social or financial position, but simply in being a friend yourself.

As Edwin Markham put it:

"They drew a circle to shut me out  
Heretic, rebel, a thing to flout,  
But love and I had the wit to win,  
And drew a circle that took them in."

Success in college, or anything else, depends so much on the way we get along with people. No one can afford not to be a friend. JM

## Placements

Second class mail privileges authorized at Lincoln, Nebraska, April 5, 1911, under Act of Congress, March 3, 1879. Accepted for mailing at special rate of postage provided in Section 1103, Act of October 3, 1917. Authorized June 17, 1921. Subscription price, \$2.00 per year. Published bi-weekly by Union College at the Union College Press, 49th and Bancroft, Lincoln, Nebraska, during the school year except during holidays, registration periods, and examination weeks. Also published once in June and August.

## Hands Shake at Staff-Student Reception

The outstretched hand was the theme of the traditional Faculty-Student reception, held on Wednesday evening, September 18. Represented at the semi-formal gathering were the members of the faculty and staff headed by President and Mrs. Bieber, and members of the student body.

Student Association President Bud Siebenlist and his wife led the contingent of new students in greeting the faculty and old students. The group next enjoyed refreshments served by the social committee.

The short program which followed consisted of a vocal solo by Lorenzo Greenidge, "Without a Song"; Don Duncan and Maxine Reed played a saxophone and accordian duet; a ladies' trio consisting of Sara Lou Nettrouer, Jackie Schimke, and Nina Speed accompanied by Iris Ghaly sang "O, What a Beautiful Morning." To close the program Marjorie Britt played "Autumn Leaves" on her harp.

Intermingled in the musical portion of the program were various remarks made by Bud Siebenlist, Kay Conley and President Bieber. Mr. Paul Joice of the Business department served as master of ceremonies.

## THE COLLEGE VIEW of a 'Talked-about' Change

(Story - page 1, column 3)

"My personal feeling toward this new campus sheet is that it's fine if run on less expensive paper, not under the title of the CLOCK TOWER, especially for this new publication."

"What the students want, in my opinion, is a paper that tells the news when it is news. I think a paper every week would be a marked improvement—a step forward."

"If the campus sheet would not cost the students anything and the CLOCK TOWER would only be changed from a bi-weekly to a monthly journal, I am in favor of it." . . . Judy Walker.

"Interestingly written and containing real up-to-date news, editorials and public opinion, I believe the weekly campus paper would be a definite step toward providing a very needful service to the college family. But having a monthly edition of the CLOCK TOWER does not appeal to me. I am of the opinion that it would contain so little up-to-date news that it would lose much of its present usefulness. I suggest for your consideration that we maintain a bi-weekly CLOCK TOWER and with a separate editorial staff, publish a weekly campus sheet paid for with advertising." . . . Nathan Sims.

"Here are some reasons why we should have the school paper every fortnight: The school will be more informed of the happenings on our campus, and thus indirectly be advertising our college . . ." Ben Cameron.

"Since the school paper is one of the best advertisements any school can have, let's circulate it. I believe more people are persuaded and influenced to go to a school by the school paper than any other means. Let's have a good one and see that it is before the public. We have a grand school—why don't we tell folks about it?" . . . Donna Wolfe.

"The CLOCK TOWER or any school paper is to be the pulse of the students and their activities; therefore, the bi-weekly plan would prove more satisfactory." . . . Joan Picou.

"I would like the idea of one a week plus the big one because two dollars is two dollars and it costs a good many two dollars to stay here at school." . . . Alfreda Wallen.

## Registration Mix-up

## Welcomes Weaken Students

by Beverly Reyant

### PHILLER . . . by Freitas

Last week (15 to 21) history was being made and repeated in the United States (Arkansas to Maryland.) In the South, Orval Faubus and John Kasper made sounds like big men only to reveal their smallness to the world. But while these egoists drew a black mark across the headlines, the little people of the South proved their true greatness—more than 122,000 Negro children are now attending Southern schools which were formerly segregated.

In Maryland, Dr. Winston H. Price, a scientist at Johns Hopkins University, made history by successfully perfecting a vaccine that is capable of killing one of the major cold viruses. It seems ironical that scientists are having so much trouble isolating a cold virus. Why not a court order, "virus segregation?"

And at Lincoln, Nebraska, history is repeated. Union College: mobs of students in registration lines, the old familiar, "And what is your major?" at the dinner table, the expectancy on new faces, and mellowed joy on the old.

Yessir, school has begun, and this columnist is here to say, "Welcome, welcome, let's make this year the best yet."

Here's a little P.S. As a special feature in this column, I'm going to inaugurate what will be called, "These Faces In The Crowd." In each issue I will mention the names of personalities who have displayed some reason for making me believe that they will be going places at Union and after graduation. If you've been impressed by someone, let me know. I may share your enthusiasm. This week, let me suggest that you keep an eye on Jean Shy from Texas and Herb Johns from California.

See you next issue.

"Welcome to Union College, freshmen and new students."

These words were repeated many times during New Student Week—a week designed to acquaint new students with "Old Union" and to enable Union to become better acquainted with each new student.

New Student Convocation Monday morning introduced the week of activities. President D. J. Bieber welcomed the new students to Union College and expressed his wishes for a good school year.

Placement tests given under the direction of Dr. G. H. Straight kept everyone occupied most of the afternoon.

Late afternoon found new students partaking of a picnic supper in the College View Park. Pastor M. W. Deming of the College View church gave an inspirational talk for the worship period.

Tuesday was busier and more confusing for most new students, because registration is really a chore! There were many tired feet and an occasional sigh of "Where do I go next?"

Music, readings, speeches of welcome, and light refreshments were on the program for the social hours Tuesday afternoon held in the North Hall parlor for the ladies and in the gymnasium for the men. This hour gave everyone a chance to relax from his busy schedule and meet as many new people as possible.

The first all Student-Faculty reception of the school year, a formal handshake, took place in the auditorium Wednesday evening at 8:00. The atmosphere of the evening was of a friendly welcoming nature, and the new students felt it keenly. After the handshake everyone passed by the large punch bowl and received a glass of cold, refreshing punch. A short program of music and talks climaxed the evening's entertainment.

Thursday morning the freshmen and new students, still a bit confused, attended their first classes (some in the wrong classrooms).
