ENGEL'S ORCHESTRA TO GIVE THIRD NUMBER OF LECTURE COURSE

Orchestra Well Known Because of
Radio Programs

The third number of the Union College lecture course is to be given Saturday night, December 10, in the college chapel. The program will be given by Professor C. C. Engel and his little symphony orchestra, assisted by Miss Estelle Kiehnhoff, soprano, with flute obligato.

Professor Engel has been connected with the Union College faculty for some time. He is able to play nine different instruments: violin, cello, clarinet, cornet, trombone, saxophone, piano, French horn, and oboe.

Professor Engel and his symphony orchestra have made themselves famous by their broadcasting work over station KFAB, the Nebraska Buick Automobile company at Lincoln, every Sunday evening.

MISSIONARY VOLUNTEER SOCIETY GIVES UNIQUE PROGRAM

Books of the Reading Course
Are Reviewed

The regular young people's meeting, Friday evening, December 3, was devoted to a study of the reading course books for this year. One of the features of the program was a talk by Professor Schilling on the Bible. He urged independent thinking and more Bible study. In his talk were the statements that although the Bible is difficult to study, in it is found the solution to our daily problems. "I feel we have never learned how to study" he said, and suggested an outline to follow.

Merrill Smith gave an illustrated talk on the book, "From Beacon Lights to Radio." He traced the signal system from the time of the siege of Troy down to our radio. A comparison was drawn between radio communication and our communication with God.

Miss Hazel Berg introduced "The Lighted Way" by M. E. Kern. "Being able to stand loyal to principle is one of the most outstanding things in life."

Miss Helen Wells gave a talk on "Glimpses of Indian America." She illustrated her talk with several stories. This book is being read in the parlor of North Hall at 3:30 on Sabbath afternoons. Those interested were urged to attend.

The closing feature was an act representing "Cannibals and Head Hunters of the South Seas." Several of the students were dressed in the costumes of the South Seas and brought their idols to the missionary.

FAMOUS CONTRALTO TO SING IN LINCOLN

The second number of the Artist's Course will be given in St. Paul's Church next Tuesday evening, December 12. It will consist of a concert to be given by Florence Macbeth, famous contralto.

Schmitz to Teach Art

Karl Schmitz, senior, is teaching the classes in drawing and advanced art formerly taught by Miss Lilah Hazelton. Due to ill health the former art instructor was compelled to return to Colorado where she is teaching a private school at Rocky Ford.

Mr. Schmitz took two years of art in the Art School of Gerhard Palzin, Celle, Germany. He studied chiefly applied art, especially poster technic, book designs and ex libris, as well as anatomy and painting.

PRESIDENT DISCUSSES STUDENTS' PROBLEMS

Compares Different Branches of
Denominational Work

"What do you expect to do with your life?" was the question asked by Professor Thiel in his chapel talk Wednesday, November 30.

Professor Thiel stated that the work of the denomination is divided into two divisions, work in the home land and work in the foreign fields. The work in the home land is a stepping stone for work in the foreign land.

Professor Thiel mentioned the need for the students to be trained in the school of experience in connection with school work. He laid stress upon college students canvassing during the summer months following their freshman and sophomore years, thus preparing them to connect with tent work, the summer after the junior year. Of canvassing, he said, "It is a wonderful training, as it will train you to be boss of yourself."

STUDENTS GIVE RECITAL IN CHAPEL

Music and Expression Departments
Represented

A joint musical and expression recital was given Saturday night, December 3, in the college chapel. The piano solos were given by Misses Irma McMahan, Harriet Peterson, Olivia Harder, Gladys Shaffer, and Allie Banik; the violin solos were rendered by Clayona Engel and Otto Krotz; the readings were given by Myrna George, Verna McWilliams, and Elsie Ortner; those giving vocal solos were Clara Culver, Jeanette Hawley, and Lois Jones, accompanied by Otto Krotz, violin, Miss Estelle Kiehnhoff, organ, and Clara Erickson, piano; a piano trio was given by Marian Wight, Helen Stevens, and Evelyn Baer.

Mary Ruth Miller Again Wins Honors

Miss Mary Ruth Miller, assistant librarian, also a member of the class of '28, is named as the honor student of Union College, receiving all A's with one exception, for the mid-semester's work. This honor was won by Miss Miller last year at the completion of both the mid-semester and also the semester's work.

CHANGE IS MADE IN CLOCK TOWER BOARD

Harriet Peterson Resigns Position as
Editor-in-Chief

To fill the vacancy caused by the resignation of Miss Harriet Peterson, which was accepted by the Student Publishing Association, November 30, Wesley Address, former president of the Clock Tower board, was elected editor-in-chief of the Clock Tower. Elden Peterson was elected president of the board to fill the vacancy caused by the transfer of Mr. Address to the editorial staff.

Mr. Peterson was advertising manager of the paper last year, and served as president of the summer board. Mr. Address, a junior, was one of the editors of the Clock Tower last year.

ALTMANS WRITE FROM SINGAPORE

Express Appreciation of Letters

A letter has been received from Mr. and Mrs. Roger Altman of Singapore, Straits Settlement. Mr. Altman was a member of the class of 1927, and was the first president of the Clock Tower.

"We join," they write, "in expressing thanks and appreciation for the thoughtfulness of the dear friends at home in writing us in such a warm and friendly way. We are of good courage and the work is moving forward. The vacation period is on now, and about fifty of the boys from school are in the field selling our literature. We look for the largest sales in the history of the publishing house this year, and pray that there may be a corresponding increase in the number of souls won to the kingdom of God.

"The club of 'Signs' so kindly provided by brother Aul, is being sent to various government officials in the colony. We trust they will learn of the truth, and that some will take their stand with us.

"The two rockers we bought for ourselves with a part of the generous gift from our College View friends have added, much to our comfort. They are plain wooden rockers but are very comfortable."

The Week's Announcements

Friday, December 9

4:53 p. m. Sunset
7:00 p. m. Mission bands
8:00 p. m. Vesper services

Saturday, December 10

9:00 a. m. Teachers' meeting
9:45 a. m. Song service
10:00 a. m. Sabbath school
11:15 a. m. Preaching service
3:30 p. m. Village Missionary Volunteer meeting
8:00 p. m. Engel's orchestra

Sunday, December 11

10:00 p. m. Radio program from KFAB

KFAB Changes Schedule

The radio programs which are broadcast weekly by Union's symphonic orchestra over station KFAB have changed their hour of broadcasting. The hour heretofore has been nine o'clock; the hour now is ten o'clock central standard time. This change is necessary because of a new ruling by the federal radio commission, requiring KFAB to divide the time evenly with KOIL, of Council Bluffs, Iowa, which broadcasts on the same frequency of 940 kilocycles.

MISS PHILMON SPEAKS TO SIGMA IOTA KAPPA

Subject is "True Sportsmanship"

Miss Rochelle Philmon, head of the English department of Union College, spoke to the young men of South Hall at the regular meeting of the Sigma Iota Kappa society Thursday evening, December 1, on the subject of "True Sportsmanship." Miss Philmon said that a good sport would observe the following rules:

1. Thou shalt not quit.
2. Thou shalt not alibi.
3. Thou shalt not gloat over winning.
4. Thou shalt not be a rotten loser.
5. Thou shalt not take unfair advantage.
6. Thou shalt not ask odds thou art unwilling to give.
7. Thou shalt always be glad of thy opponent's success.
8. Thou shalt not underestimate thine opponent nor overestimate thyself.
9. Remember the game is the aim, and he that thinketh otherwise is a mucker.
10. Honor the game thou playest even though thou lovest.

Miss Philmon showed how these rules might be applied to that most important game of all—the game of life. She drew many apt illustrations of true sportsmanship from the experiences of her friends and students. In conclusion she cited the life of Jesus as the perfect example of true sportsmanship.

STUDENTS RECEIVE BELATED GRADES

Average Lower This Year

Another tabulation has been added to the large number already recorded in the registrar's office. This tabulation is a result of the scholastic showing Union College students have made during the past nine weeks. The showing as a whole is not as good as last year. The outside girls are the honor group, with a percentage of 83.5, excelling over the North Hall girls by .1 per cent only.

It might be interesting to note that the North Hall girls received three F's last year and six this year. The South Hall boys received thirteen F's last year and fourteen this year. The total percentage of grades of last year was 82.3 per cent as compared to 81.6 per cent this year.

PROMINENT SPEAKERS TO ATTEND DETROIT STUDENT CONVENTION

John R. Mott to Be Present

Union College delegates to Detroit, Mich., December 28 to January 1, will have opportunities to hear many noted speakers such as Mordecai Johnson, president of Howard University, Henry Hodgkin, secretary of the National Christian Council of China; John R. Mott, chairman of the International Missionary Council; Frank Laubach, sociologist and psychologist, who since 1915 has served in educational work in Manila, Philippine Islands; and many other men of note.

Four thousand students from the United States and Canada are expected to be present at the convention. "Outstanding speakers from all parts of the world are being brought to Detroit, but the convention will not center in the speakers. The high spots of the gathering will be in colloquia, a combination of discussion and forum groups," according to word received from Elmer M. McKee, pastor of the Church of Christ in Yale University. The convention is being set up by the Student Volunteer Movement, a fellowship in the colleges of those planning on entering some form of foreign Christian service. The conference is not limited to prospective missionaries, but is planned for all students who are really concerned about Jesus and who are eager to do some thinking on the question of how to make His resources available for a distressed world.

MINISTERIAL BAND REPORTS SUCCESSFUL ACTIVITIES

Meetings Held in Various Places

At a meeting of the ministerial band Friday, December 2, reports were given by different groups.

Mr. Andrus and Mr. Miller are conducting meetings every Sunday evening at Bennett, Nebr., a town of about seven hundred. Much interest is being manifested in the meetings, according to Mr. Miller.

Willard Wentland and Fred Sofsky are conducting Sabbath services every week at Cortland. "These people are of our own faith and manifest much interest in our efforts," says Mr. Wentland.

Mr. Schmitz has been working among the German speaking people of Lincoln; but owing to the fact of the delay of literature, his work has been checked.

Mr. Wiedemann has found some of the Filipinos of the State University interested, and is preparing to conduct meetings for them.

After these reports were submitted, Professor Meiklejohn suggested a method for carrying on the work. "I do not believe in creating an unnecessary prejudice by going into doctrinal points," he said, "but the work should be carried on by the distribution of literature, and by holding meetings in the homes of the people, after this the public meetings should follow."

Editorial

A glance at the grades which were passed out to us last week lead us to ask several questions. First, why is it that the outside girls seem habitually to lead all the rest of the school in point of scholarship? Very evidently it is not because of strictly supervised study periods, nor can we believe it to be a carefully curtailed social program. Do outside girls have more time than any other class of students, or do they merely utilize more carefully the time they have? We might be inclined to place the credit for this enviable record entirely upon the personnel of the group were it not for the fact that the record for the group remains reasonably constant from year to year in spite of extensive changes in personnel.

Another interesting question provoked by the returns on the grade cards is, Why does North Hall consistently receive better grades than does South Hall? Psychological tests fail to reveal a superior mentality in our fair co-eds over that of their masculine competitors; hence there must be some other reason for their scholastic leadership. Perhaps they take their college work more seriously, perhaps they are not carrying as heavy a work program, or perhaps—who knows—the benefits of democratic government and formal scholastic superiority might be too great to be concentrated in either hall.

College work is difficult for most of us, but isn't it surprising the E's with which some students go through school?

We are pleased to learn that Champion Academy has followed the example of Union College, Enterprise Academy, and Plainview Academy by replacing their monthly magazine with a newspaper. The first copy of this young newspaper, which is to be known as the "Champion Frontiersman," has just come to our desk, and we wish to congratulate them for having at least set a good pace for their future efforts in the publication of this newsy little sheet.

It has been interesting to us to note and compare the reasons for the change from magazine to newspaper form as outlined in the initial editorials of the new publications in the schools making such changes. All seem to agree that a newspaper is better adapted to the needs of a school than is a magazine, and that such a change marks an advance in the experience of the institution. We welcome the "Frontiersman" as the newest member of the society of school publications in the Central Union.

PRISONERS VERSUS COLLEGIATES

An eastern professor recently found that prisoners in penitentiaries are more eager to study than college students. The professor came to the conclusion that the reason for this is that students take so much time in football, baseball, debating, and other activities, that they really do not have time for study. The prisoner, lacking these things becomes a real student.

ECONOMICS FROM LIFE

Columbia College students of economics will no longer go to textbooks to learn about economics, but will study life itself. After four years of research William E. Weld, associate professor of economics, believes that he has discovered a method whereby his subject may be illustrated by living examples rather than classical "laws."

A constantly shifting body of cases is to be employed. Students may furnish cases of their own, taken from situations that have come under their own eyes.

"Readings in the regular textbooks are assigned," explained Professor Weld, "but we give the student no guarantee that he will find the answer to his problem in them. Columbia's plan is the pioneer attempt to better the old method of teaching economics which leaders have long realized was not meeting the practical needs of the student," Professor Weld said.—"The New Student."

CHURCH NOTES

The nurses' training class under the direction of Mrs. Lottie Nelson, visited the Orthopedic Hospital on Tuesday, November 29. The superintendent showed them the entire institution and the class returned very deeply impressed with the thought of giving themselves more fully to the work of aiding suffering humanity.

One class of the senior department of the Sabbath school has a perfect record for lesson study and has passed the goal of thirty cents a member. The officers of the Sabbath school are hoping that many of the other classes will follow this good record.

Plans are already in operation for the coming week of prayer which begins for our churches throughout the world, Sabbath, December 10. Elder Chas. Burroughs will be associated with the pastor in the week of prayer effort in the church. The district prayer meeting leaders are working up a good attendance for the coming annual week of prayer effort.

The Sabbath school has appreciated the musical numbers rendered by the college students of late, and it is hoped that more of this kind of assistance will be forthcoming.

Literature for the church Missionary Volunteers has been ordered and the society, under the leadership of

Miss Ruby Magee, has definite plans for extending the missionary operations of the society, making their work known throughout Lincoln and other towns.

The delegation from the church which attended the Layman's Missionary Convention in St. Paul's church last week, was impressed with some of the strong appeals made in that convention in behalf of the extension of the gospel in all the nations of earth. Dr. Furgeson's appeals for India, Dr. Bible's strong pleas for China and Dr. Bruhnam's presentation of the need of world evangelism were inspiring to all.

A delegation of members of the Fairbury church came up to attend the baptismal service last Sabbath. Several new members have united with the church at Fairbury recently.

Alumni Activities

1911

Three members of the class of '11 are college presidents. They are: W. I. Smith, Walla Walla College; H. O. Olson, Broadview Seminary; Leo Thiel, Union College.

Three members of the class of '11 hold degrees of doctor of philosophy. They are: W. G. Wirth, College of Medical Evangelists, Loma Linda, Calif.; H. O. Olson, Broadview Theological Seminary, La Grange, Ill.; and E. K. Salisbury, Washington Missionary College, Washington, D. C.

Dr. W. W. Wooster is practicing medicine in Los Angeles.

J. I. Beardsley is principal of the La Combe Junior College, Alberta, Canada.

Leon Twining, academy, is residing in Alexandria, S. Dak., where he is caring for his parents.

Jake Nies, business, is secretary-treasurer of the South Dakota Conference.

H. C. Chilson, A. B., is a contractor and builder in Takoma Park, Washington, D. C.

1923

A girl, Ruth Virginia, was born at the Loma Linda hospital to Dr. and Mrs. Walter McKinzie on November 20. Dr. McKenzie finished pre-medic here and the medical course at the College for Medical Evangelists at Loma Linda in '27 and is now interning at the college.

LITERATURE BAND REPORTS INTERESTING EXPERIENCES

Special Program Given Friday Evening

Many amusing incidents were related by the members of the literature band in their special program Friday night, December 2. Members reported that they enjoy their work in spite of such experiences as occasional encounters with dogs, and that they are finding a good response on the part of the people of Havelock.

"He who never changed any of his opinions never corrected any of his mistakes."

FORMERLY ARMSTRONGS

Pointed Paragraphs

Selected by W. W. Prescott

The Saviour would have passed through the agony of Calvary, that one might be saved in his kingdom.

Happiness is not the end of life, character is.

But every house where love abides, And friendship is a guest, Is surely home, and home sweet home; For there the heart can rest.

Few people regret the times when they are silent, but many regret and often suffer because of imprudent speech.

You can prove the worth of Christianity by practicing it.

Religion is a personal relation of fellowship—between God and man.

It is a false issue when men deal with religion as if it were physics or chemistry, or biology, or psychology, or sociology.

Miracles in the New Testament are not "isolated wonders." They are a necessary part of a great moral and spiritual movement and they serve the highest divine ends.

The religion of evolution puts ideals in the place of God as the object of worship.

God remains identified with the natural order, according to the teaching of evolution. The difference between the religion of evolution, as thus expounded, and the religion of Jesus, is the difference between despair and hope.

Religious experience knows more than biological science has discovered.

Redemption from sin implies a gracious Being who can interpose and give power for victory.

The fatal defect in the religion of biology is its lack of redeeming power.

In the Christian religion Christ is the Revealer of God and Redeemer of men. The difference between Christ and other Masters is his Omnipresence and power. Call Buddah and Buddah does not come. Call Mohammed and Mohammed remains silent. Call Plato and Plato can only speak by his recorded words. Call Jesus Christ and he comes. It is new life itself that refutes the biological theory of life.

Religion itself is the best answer to the biological attempt to re-make religion.

At best then the so-called religion of science is a soliloquy, not a dialogue.

A pantheistic universe with an impersonal God can not serve the ends of religion or ethics or sociology.

Sunshine Bands Are Active

The sunshine band of Union College is doing real missionary work. Groups go each Sabbath somewhere to bring sunshine to some less fortunate than they. Saturday, December 3, a new band under the leadership of Edda Rees went to the new state orphanage near Bethany. A short time was spent in telling the children stories and in entertaining them. This band plans to visit the orphanage during the holidays and bring them more cheer.

"A short time ago," said Myra Jordan, leader of the entire sunshine band, "we were given the flowers from a funeral here in town. These flowers were made into bouquets and taken to the sick people of the village."

In the sunshine band group meeting which was held Friday night, December 2, ways and methods of growing flowers indoors were taken up. "In this way we hope to have more bouquets to give to those in need of cheer."

FOOD FACTORY OPERATING SUCCESSFULLY

Rush Requires Double Shift

The food factory of South L Street has successfully packed sixty thousand cans of extra quality tomatoes this season. In addition to these, five thousand bottles of catsup have been produced. The crop from approximately twenty acres was handled this season by the factory. Two shifts were run during the rush.
Radio and other advertising has helped to place a large part of this stock on the local markets. The company plans to soon resume the manufacture of their regular line of foods, which work could not be carried on until the packed tomatoes were marketed.

Near East Relief Worker Speaks in Church

Mrs. F. Wilnau, regional representative of the Near East Relief work, gave a lecture in the Seventh-Day Adventist church, Sabbath afternoon, December 3, on the work for the thousands of orphan children left without help in Europe as a result of the great World War. The amount donated by the Seventh-day Adventist church amounted to \$90.

FROM OTHER SCHOOLS

Maplewood has the largest enrollment it has had for years. The girls' home is so well filled that they are living three in a room.

The students and faculty of Oak Park Academy received over \$200 for sacrifice week.

Campion Academy is starting a newspaper to take the place of the "Rocky Mountain Academician." The new paper is called the "Campion Frontiersman."

STATION U. C. C. T. ANNOUNCING

Dr. and Mrs. I. E. Larson and son Jack, of Adams, Nebr., were guests at the home of Dr. and Mrs. F. T. Lopp, 909 L Street, November 27.

C. W. Marsh left November 30 for a week's trip in Wyoming in the interest of evangelical and educational work.

Elder and Mrs. B. M. Garton, of Seward, Nebr., visited friends in College View, November 30.

Miss Iva Thorp, 118 West Thirteenth Street, who has been teaching a district school near Martel, Nebr., and has been ill at her home in College View for a number of weeks, is reported to be much improved. Miss Thorp expects to be able to resume her teaching by January 2.

Mrs. Ward Studt, who has been spending the past few months with her parents, Mr. and Mrs. J. I. Winter of the village, has returned to her home in Utah.

The new Texaco filling station at West 12th and L Streets will be opened December 4, according to Gene Lowe, proprietor.

H. H. Humann purchased a lot on Lincoln Avenue, College View, where he expects to build a modern bungalow in the spring.

The Lincoln symphony orchestra will give a concert in the St. Paul's church both in the afternoon and evening of Tuesday, December 13. The matinee concert is given especially for students and school children. The price of admission for either entertainment is one dollar.

UNION COLLEGE PRESS
College View, Nebraska

December 17 to Be Perfect Sabbath

The Sabbath school is anticipating a perfect school on Sabbath, December 17. The plan is that every class should have a perfect record on that day, which means that every member will have studied his lesson every day, will be present, on time, and each class will reach its goal for offerings.

Another goal for December 17 is that it be a 100 per cent dollar day.

READING BANDS ARE ORGANIZED

Groups to Meet in North and South Halls

A new reading band has recently been organized. It is the purpose of this band to give all who do not have access to the reading course books, an opportunity to hear them read. The band has been divided into two divisions. One division is under the leadership of Miss Dorothy McCormick and meets every Saturday afternoon in the worship room of North Hall at three o'clock. The other division is under the temporary leadership of Merrill Smith, and also meets each Saturday afternoon at three o'clock in South Hall. Both divisions are open to village students.

Union Alumnus Is Married

Word has recently been received of the marriage of Miss Kathryn Elizabeth Ochs, of Califax, Wash., to Abraham Lorenz, of Federal, Wyo., on Thursday, November 24. Mr. Lorenz was graduated in the class of '26.

MERE MENTION

Mr. and Mrs. Dan Picha moved from the Harris apartments to rooms in the bank building, November 29.

Mrs. A. G. Jordan who has been visiting her daughter, Myra, since Sunday, November 27, left for her home in Lawrence, Kans., on December 4.

Professor and Mrs. Chas. Lowry after a short visit with Professor and Mrs. D. G. Hilts, returned Sunday afternoon to their home at Roseland, Nebr., where Professor Lowry is teaching.

Clarence Meakins and family moved November 28 from the Davies Block to 135 East Twelfth Street.

Miss Mildred Rhodes of North Hall is reported to be ill.

A baptismal service was conducted in the Adventist church Sabbath, December 3, by Pastor R. T. Baer. Those baptised were: Mrs. Chas. Zadina, Mrs. Daniel Picha, Nettie Leckner, Frankie Dearborn, Edna Welch, and Harold Lickey.

The friends of Mrs. Emma Valentin surprised her at her home on the evening of December 3, the occasion being her sixty-fourth birthday. Refreshments were served by the hostesses.

Eddie Barr spent the week-end December 2-4 at his home in Enterprise, Kans.

A. B. Kalem recently finished a dwelling on Fortieth Street for the Swift Lumber company.

The Ladies' Circle of the Union church held their annual bazaar, November 29, in the Union church basement. Approximately \$150 was raised toward their building fund.

The village firemen were called November 30 to the residence of Peter Diehl, 528 West Eleventh Street. The fire, starting in a clothes closet, caused little damage.

Thomas Dolan writes from Camp Crook, S. Dak., that he plans to return to Union the second semester.

Fay Rouse and family recently moved from their home on Seventh Street to the corner of Ninth and H Streets.

On November 25 the interior decorating class of the college visited the model rooms of the Rudge and Guenzel company and the Hardy furniture company, of Lincoln.

President Thiel spoke to the academy students in chapel Thursday, December 1, about his visit to the Colorado academies.

Martin Wiedemann, left December 1, to attend a convention at Berrien Springs, Mich.

Lars Christenson, a student of Union College, fractured six ribs in a fall, November 28, while wiring a new house being built by Felix Lorenz, near Fourteenth and Cheyenne Streets, Lincoln.

Mrs. Walter Foreman, who has been visiting her daughter, Helen, of North Hall, left for her home in Nevada, Iowa, Wednesday, November 30.

Roy Kile, 422 West Seventh Street, who has been working at the Swift Lumber company has changed his employment and is now manager of the Eastridge Club in Lincoln. He took up his new duties December 1.

Word was received Friday, December 2, of the death of Mrs. William Nethery, Riverside, Calif. She is the grandmother of Miss Dorothy McCormick and Robert Nethery, both students of Union.

It is only through labor and prayerful effort, by grim energy and resolute courage, that we move on to better things.—Roosevelt.

MORSE STUDIO
1029 L St.

In studying the English Bible nine strong features characterize Union's instruction.

1. The whole Bible is studied.
2. The whole Bible is a background for doctrinal study.
3. Prophetic lines are stressed.
4. The Bible's historical background is recognized and developed.
5. Scholarship conspicuously present.
6. All lines of prophecy connected.
7. Instruction is pedagogical and intellectual as well as spiritual.
8. Every course is Christo-centric and develops the rightful place of the threefold advent movement.
9. The course is applied to the personal experience of the student.

Prophetic

Messianic

Homiletic

Eight separate courses, in a sequence, develop these objectives.
