Called to Service

By C. P. BOLLMAN

CHRIST has called us to His service,
Heralds of the King to be.
Go, He says, and tell the story
How from sin God sets men free.

Signs there are in earth and heaven;
Time's last sands are running low.
Speed, oh speed the timely message,
That all men the truth may know.

Nations everywhere are angry;
Due rewards will soon be given;
Speed, oh speed the saving message;
Thus commands the Lord of heaven.

PREFACE

The following pages present a directory of the conferences, missions, and institutions connected with the Seventh-day Adventist denomination. The territory is divided into the following Division Conferences, each of which has the evangelistic organizations, churches, and membership indicated below, according to the Statistical Report for 1936:

FUNDAMENTAL BELIEFS OF SEVENTH-DAY ADVENTISTS

Seventh-day Adventists hold certain fundamental beliefs, the principal features of which, together with a portion of the scriptural references upon which they are based, may be summarized as follows:

1. That the Holy Scriptures of the Old and New Testaments were given by inspiration of God, contain an all-sufficient revelation of His will to men, and are the only unerring rule of faith and practice. 2 Tim. 3:15-17.

2. That the Godhead, or Trinity, consists of the Eternal Father, a personal, spiritual Being, omnipotent, omnipresent, omniscient, infinite in wisdom and love; the Lord Jesus Christ, the Son of the Eternal Father, through whom all things were created and through whom the salvation of the redeemed hosts will be accomplished; the Holy Spirit, the third person of the Godhead, the great regenerating power in the work of redemption. Matt. 28:19.

3. That Jesus Christ is very God, being of the same nature and essence as the Eternal Father. While retaining His divine nature He took upon Himself the nature of the human family, lived on the earth as a man, exemplified in His life as our Example the principles of righteousness, attested His relationship to God by many mighty miracles, died for our sins on the cross, was raised from the dead, and ascended to the Father, where He ever lives to make intercession for us. John 1:1, 14; Heb. 2:9-18; 8:1, 2; 4:14-16; 7:25.

4. That every person in order to obtain salvation must experience the new birth; that this comprises an entire transformation of life and character by the recreative power of God through faith in the Lord Jesus Christ. John 3:16; Matt. 18:3; Acts 2:37-39.

5. That baptism is an ordinance of the Christian church and should follow repentance and forgiveness of sins. By its observance faith is shown in the death, burial, and resurrection of Christ. That the proper form of baptism is by immersion. Rom. 6:1-6; Acts 16:30-33.

6. That the will of God as it relates to moral conduct is comprehended in His law of ten commandments; that these are great moral, unchangeable precepts, binding upon all men, in every age. Ex. 20:1-17.

7. That the fourth commandment of this unchangeable law requires the observance of the seventh day Sabbath. This holy institution is at the same time a memorial of creation and a sign of sanctification, a sign of the believer's rest from his own works of sin, and his entrance into the rest of soul which Jesus promises to those who come to Him. Gen. 2:1-3; Ex. 20:8-11; 31:12-17; Heb. 4:1-10.

8. That the law of ten commandments points out sin, the penalty of which is death. The law can not save the transgressor from his sin,

nor impart power to keep him from sinning. In infinite love and mercy, God provides a way whereby this may be done. He furnishes a substitute, even Christ the Righteous One, to die in man's stead, making "Him to be sin for us, who knew no sin; that we might be made the righteousness of God in Him." 2 Cor. 5:21. That one is justified, not by obedience to the law, but by the grace that is in Christ Jesus. By accepting Christ, man is reconciled to God, justified by His blood for the sins of the past, and saved from the power of sin by his indwelling life. Thus the gospel becomes "the power of God unto salvation to every one that believeth." This experience is wrought by the divine agency of the Holy Spirit, who convicts of sin and leads to the Sin-Bearer, inducting the believer into the new covenant relationship, where the law of God is written on his heart, and through the enabling power of the indwelling Christ, his life is brought into conformity to the divine precepts. The honor and merit of this wonderful transformation belong wholly to Christ. 1 John 3:4; Rom. 7:7; Rom. 3:20; Eph. 2:8-10; 1 John 2:1, 2; Rom. 5:8-10; Gal. 2:20; Eph. 3:17; Heb. 8:8-12.

9. That God "only hath immortality." 1 Tim. 6:15. Mortal man possesses a nature inherently sinful and dying. Eternal life is the gift of God through faith in Christ. Rom. 6:23. "He that hath the Son hath life." 1 John 5:12. Immortality is bestowed upon the righteous at the second coming of Christ, when the righteous dead are raised from the grave and the living righteous translated to meet the Lord. Then it is that those accounted faithful "put on immortality." 1 Cor. 15:51-55.

10. That the condition of man in death is one of unconsciousness. That all men, good and evil alike, remain in the grave from death to the resurrection. Eccl. 9:5, 6; Ps. 146:3, 4; John 5:28, 29.

11. That there shall be a resurrection both of the just and of the unjust. The resurrection of the just will take place at the second coming of Christ; the resurrection of the unjust will take place a thousand years later, at the close of the millennium. John 5:28, 29; 1 Thess. 4:13-18; Rev. 20:5-10.

12. That the finally impenitent, including Satan, the author of sin, will, by the fires of the last day, be reduced to a state of non-existence, becoming as though they had not been, thus purging God's universe of sin and sinners. Rom. 6:23; Mal. 4:1-3; Rev. 20:9, 10; Obadiah 16.

13. That no prophetic period is given in the Bible to reach to the second advent, but that the longest one, the 2300 days of Dan. 8:14, terminated in 1844, and brought us to an event called the cleansing of the sanctuary.

14. That the true sanctuary, of which the tabernacle on earth was a type, is the temple of God in Heaven, of which Paul speaks in Hebrews 8 and onward, and of which the Lord Jesus, as our great high priest, is minister; and that the priestly work of our Lord is the antitype of the work of the Jewish priests of the former dispensation; that this heavenly sanctuary is the one to be cleansed at the end of the 2300 days of Dan. 8:14; its cleansing being, as in the type, a work of judgment, beginning with the entrance of Christ as the high priest upon the judgment phase of His ministry in the heavenly sanctuary foreshadowed in the earthly service of cleansing the sanctuary on the day of atonement. This work of judgment in the heavenly sanctuary began in 1844. Its completion will close human probation.

15. That God, in the time of the judgment and in accordance with His uniform dealing with the human family in warning them of coming events vitally affecting their destiny (Amos 3:6, 7), sends forth a proclamation of the approach of the second advent of Christ; that this work is symbolized by the three angels of Revelation 14; and that their threefold message brings to view a work of reform to prepare a people to meet Him at His coming.

16. That the time of the cleansing of the sanctuary, synchronizing with the period of the proclamation of the message of Revelation 14, is a time of investigative judgment, first with reference to the dead, and secondly, with reference to the living. This investigative judgment determines who of the myriads sleeping in the dust of the earth are worthy of a part in the first resurrection, and who of its living multitudes are worthy of translation. 1 Peter 4:17, 18; Dan. 7:9, 10; Rev. 14:6, 7; Luke 20:35.

17. That the followers of Christ should be a godly people, not adopting the unholy maxims nor conforming to the unrighteous ways of the world, not loving its sinful pleasures nor countenancing its follies. That the believer should recognize his body as the temple of the Holy Spirit, and that therefore he should clothe that body in neat, modest, dignified apparel. Further, that in eating and drinking and in his entire course of conduct he should shape his life as becometh a follower of the meek and lowly Master. Thus the believer will be led to abstain from all intoxicating drinks, tobacco, and other narcotics, and the avoidance of every body- and soul-defiling habit and practice. 1 Cor. 3:16, 17; 9:25; 10:31; 1 Tim. 2:9, 10; 1 John 2:6.

18. That the divine principle of tithes and offerings for the support of the gospel is an acknowledgment of God's ownership in our lives, and that we are stewards who must render account to Him of all that He has committed to our possession. Lev. 27:30; Mal. 3:8-12; Matt. 23:23; 1 Cor. 9:9-14; 2 Cor. 9:6-15.

19. That God has placed in His church the gifts of the Holy Spirit, as enumerated in 1 Corinthians 12 and Ephesians 4. That these gifts operate in harmony with the divine principles of the Bible, and are given for the perfecting of the saints, the work of the ministry, the edifying of the body of Christ. Rev. 12:17; 19:10; 1 Cor. 1:5-7.

20. That the second coming of Christ is the great hope of the church, the grand climax of the gospel and plan of salvation. His coming will be literal, personal, and visible. Many important events will be associated with His return, such as the resurrection of the dead, the destruction of the wicked, the purification of the earth, the reward of the righteous, the establishment of His everlasting kingdom. The almost complete fulfillment of various lines of prophecy, particularly those found in the books of Daniel and the Revelation, with existing conditions in the physical, social, industrial, political, and religious worlds, indicates that Christ's coming "is near, even at the doors." The exact time of that event has not been foretold. Believers are exhorted to be ready, for "in such an hour as ye think not, the Son of man" will be revealed. Luke 21:25-27; 17:26-30; John 14:1-3; Acts 1:9-11; Rev. 1:7; Heb. 9:28; James 5:1-8; Joel 3:9-16; 2 Tim. 3:1-5; Dan. 7:27; Matt. 24:36, 44.

21. That the millennial reign of Christ covers the period between the first and the second resurrections, during which time the saints of all ages will live with their blessed Redeemer in Heaven. At the end of the millennium, the Holy City with all the saints will descend to the earth. The wicked, raised in the second resurrection, will go up on the breadth of the earth with Satan at their head to compass the camp of the saints, when fire will come down from God out of Heaven and devour them. In the conflagration which destroys Satan and his host, the earth itself will be regenerated and cleansed from the effects of the curse. Thus the universe of God will be purified from the foul blot of sin. Rev. 20; Zech. 14:1-4; 2 Peter 3:7-10.

22. That God will make all things new. The earth, restored to its pristine beauty, will become forever the abode of the saints of the Lord. The promise to Abraham, that through Christ he and his seed should possess the earth throughout the endless ages of eternity, will be fulfilled. The kingdom and dominion and the greatness of the kingdom under the whole heaven will be given to the people of the saints of the Most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey Him. Christ, the Lord, will reign supreme and every creature which is in heaven and on the earth and under the earth, and such as are in the sea will ascribe blessing and honor and glory and power unto Him that sitteth upon the throne and unto the Lamb forever and ever. Gen. 13:14-17; Rom. 4:13; Heb. 11:8-16; Matt. 5:5; Isa. 35; Rev. 21:1-7; Dan. 7:27; Rev. 5:13.

EDUCATIONAL INSTITUTIONS

OUTLINE OF COURSES IN EDUCATIONAL INSTITUTIONS

As a result of various actions taken by the Educational Department, it is recommended that the work of our intermediate schools, academies, and colleges be organized upon a semester basis, each semester to be subdivided approximately into three periods of six weeks each. It was also recommended that the credits given in these schools be reckoned upon a unit basis, one unit representing a study pursued 36 weeks with five recitations a week, forty-five minutes in length, or its equivalent; that college credits be given on the semester-hour basis, a semester-hour representing a study pursued one sixty-minute hour a week for eighteen weeks. The scope of the various courses conducted in these schools is as follows:—

	Grades	Years
Intermediate Course	7-10	4
Academic Course	9-12	4
College Course (General)	13-16	4
College Course (Special):—

Music	the conservatory course	
College Course (Medical)	15-18	4
For Dietitians	—	4
For Nurses.....the instruction given in our sanitariums		3
For Preparatory Medical Students.....	13, 14	2

Lists of church schools and teachers will be found in connection with directories of the conferences in which such schools are located. Directories of colleges, academies, and intermediate schools follow in alphabetical order.

If it is desired to find the directory of a school or other institution whose name can not be recalled, refer to the list of institutions at the close of the Division directory in preceding pages, and there will be found the name of every institution listed. Then refer to the index, where the institution may be readily located.

In addition to the foregoing Conference institutions, there are a number of sanitariums and treatment rooms owned and operated by private individuals and organizations. While under private or semi-private management, many of these enterprises are doing a work which adds greatly to the volume of medical work of the denomination as a whole. As our Year Book gives only such institutions as are directly owned and managed by the denomination, these enterprises are not listed.

CONSTITUTION AND BY-LAWS OF THE GENERAL CONFERENCE

CONSTITUTION

(As revised at the 43d session held in San Francisco, Calif., in 1936)

Article I — Name

This organization shall be known as the General Conference of Seventh-day Adventists.

Article II — Object

The object of this Conference is to teach all nations the commandments of God and the everlasting gospel of our Lord and Saviour Jesus Christ.

Article III — Membership

Section 1. The membership of this Conference shall consist of:

(a) Such union conferences and union missions as have been or shall be properly organized and accepted by vote of the General Conference in session.

(b) Such local conferences and properly organized missions not included in any union conference or in any union mission as have been or shall be properly organized and accepted by vote of the General Conference in session.

Sec. 2. The voters of this Conference shall be designated as follows:

(a) Delegates at large.

(b) Regular delegates.

Sec. 3. Delegates at large shall be:

(a) All members of the General Conference Executive Committee, and such members of the division committees as are not members of the General Conference Committee.

(b) Such representatives of missions of the General Conference and of general institutions and departments of work, and such general laborers and field secretaries as shall receive delegate's credentials from the Executive Committee of the General Conference, such credentials to be ratified by the General Conference in session. The number of these delegates thus seated shall not exceed 25 per cent of the total number of delegates in attendance otherwise provided for.

Sec. 4. Regular delegates shall be such persons as are duly accredited by division committees and union conferences.

Sec. 5. Each division shall be entitled to one delegate for each union mission organization within its territory, and one delegate for each one thousand members or fraction thereof within its union mission territories.

Sec. 6. Each union conference shall be entitled to one delegate in addition to its president without regard to numbers, an additional delegate for each local conference and organized mission in its territory, and an additional delegate for each one thousand or fraction thereof of its membership. In the case of union conferences operating under division committees, these delegates shall be appointed in counsel with the division committees, and shall be seated as part of the division delegation.

Article IV — Officers and Their Duties

Sec. 1. The regular officers of this Conference shall be a president, vice-presidents, a secretary, associate secretaries, a treasurer, and an undertreasurer, who shall be elected by the Conference.

Sec. 2. President: The President shall act as chairman of the Executive Committee, and labor in the general interests of the Conference, as the Executive Committee may advise.

Sec. 3. Vice-Presidents: The Vice-Presidents shall preside over the division fields to which the General Conference has elected them, and shall assist the President in administering the affairs of the Conference as may be directed by the General Conference in session, or by the General Conference Committee.

Sec. 4. Secretary and Associate Secretaries: It shall be the duty of the Secretary and the Associate Secretaries to keep the minutes of the proceedings of the General Conference sessions and of the General Conference Committee meetings, and to collect such statistics and other facts from union and local conferences and missions as may be desired by the Conference or by the Executive Committee, to maintain correspondence with the fields, and to perform such other duties as usually pertain to such office.

Sec. 5. Treasurer: It shall be the duty of the Treasurer to receive all funds of the General Conference, and disburse them in harmony with the actions of the Executive Committee of the General Conference, and to render such financial statements at regular intervals as may be desired by the Conference or by the Executive Committee.

Sec. 6. Election of Officers: All officers of the Conference, and the members of the Executive Committee, except the presidents of union conferences and superintendents of union missions, shall be chosen by the delegates at the regular quadrennial sessions of the General Conference, and shall hold their office for the period of four years, or until their successors are elected, and appear to enter upon their duties.

Article V — Auditor and Associate Auditors

At each regular session the Conference shall elect an auditor and one or more associate auditors.

Article VI — Executive Committee

Sec. 1. At each regular session the Conference shall elect an Executive Committee for the carrying on of its work between the sessions.

Sec. 2. The Executive Committee shall consist of the President, the Vice-Presidents, the Secretary, the Associate Secretaries, the Division Secretaries, the Treasurer, the Undertreasurer, the Assistant Treasurers, the division Treasurers, the Statistical Secretary, the General Field Secretaries, the division Field Secretaries, the presidents of the union conferences, the superintendents of union missions, the Secretary and Associate Secretaries of the Ministerial Association, the Secretary of the Home Commission, the Secretary and Associate Secretaries of each duly organized General Conference Department, namely, the Publishing, Medical, Educational, Sabbath School, Religious Liberty, Young People's Missionary Volunteer, Home Missionary, North American Negro, and North American Bureau of Home Missions, the division Departmental Secretaries,

the ex-presidents of the General Conference having credentials from this Conference, and other persons not to exceed fifteen in number.

Article VII — Incorporations and Agents

Sec. 1. Such incorporations may be authorized by the General Conference in session, or by the General Conference Executive Committee, as the development of the work may require.

Sec. 2. At each regular session of this Conference, the delegates shall elect such trustees of corporate bodies connected with this organization as may be provided in the statutory laws governing each.

Sec. 3. The Conference shall employ such committees, secretaries, treasurers, auditors, agents, ministers, missionaries, and other persons, and make such distribution of its laborers, as may be necessary effectively to execute its work.

Sec. 4. The Conference shall grant credentials or licenses to ministers and missionaries except in division fields, in union and local conferences, and in organized union missions.

Article VIII — Sessions

Sec. 1. This Conference shall hold quadrennial sessions at such time and place as the Executive Committee shall designate by a notice published in the *Advent Review and Sabbath Herald* in three consecutive issues at least four months before the date for the opening of the session. In case special world conditions seem to any Autumn Council to make it imperative to postpone the calling of the session, the Executive Committee shall have authority to make such postponement not to exceed two years, giving notice to all divisions.

Sec. 2. The Executive Committee may call special sessions of the General Conference at such time and place as it deems proper, by a like notice as of regular sessions, and the transactions of such special sessions shall have the same force as those of the regular sessions.

Sec. 3. The election of officers, and the voting on all other matters of business shall be by *viva voce* vote unless otherwise demanded by a majority of the delegates present.

Article IX — By-Laws

The voters of this Conference may enact By-Laws and amend or repeal them at any session thereof, and such By-Laws may embrace any provision not inconsistent with the Constitution.

Article X — Amendments

This Constitution or its By-Laws may be amended by a two thirds' vote of the voters present and voting at any session: provided that, if it is proposed to amend the Constitution at a special session, notice of such purpose shall be given in the call for such special session.

BY-LAWS

Article I — Division Sections

Sec. 1. The General Conference shall conduct its world-wide work in division sections, each section to operate within a specified territory in harmony with the policy of the General Conference.

Sec. 2. Union conference and union mission field organization shall be preserved, and such fields, together with all other organizations and institutions within the territory, shall be responsible to the respective division committees.

Sec. 3. The division fields shall be known as, Australasian Division, Central European Division, China Division, Far Eastern Division, Inter-American Division, North American Division, Northern European Division, South American Division, Southern African Division, Southern Asia Division, Southern European Division, and Soviet Russia Division. The boundaries of these division sections shall be subject to adjustment only at the General Conference sessions, or at biennial council sessions, provided no division territorial lines shall be changed when such division is not represented at the council by one of its executive officers, or otherwise when such division has not given consent, except under an emergency such as war; in such case the General Conference Committee shall make such provision as is necessary for the conduct of the work in the territory concerned.

Article II — Vice-Presidents

Sec. 1. Vice-Presidents shall be elected as follows: three Vice-Presidents for general administrative work, and one additional Vice-President for each division of the General Conference.

Sec. 2. The General Vice-Presidents shall assist the President in his administrative work as the Executive Committee may direct. The Vice-President for North America shall work under the direction of the General Conference Committee.

Sec. 3. The Vice-Presidents elected for the divisions outside of North America shall act as chairmen of the division committees operating in their respective fields, and shall have charge of the work in those fields under the direction of the division committees, and shall be designated within their respective division territories as presidents of the divisions over which they preside.

Article III — Associate and Statistical Secretaries

Sec. 1. The term "associate secretary" shall be used to designate the Secretaries elected to be associated with the Secretary of the General Conference, or such secretary or secretaries as may be elected to be associated with any Departmental Secretary, in carrying the primary responsibilities of his office.

Sec. 2. Associate Secretaries shall be elected to share the work of the General Conference Secretary. Such Associate Secretaries shall also be elected as may be deemed necessary to assist the Departmental Secretaries in the conduct of their work.

Sec. 3. At each regular session the Conference shall elect a Statistical Secretary, whose duties shall be to compile statistics of the world work, reporting the same under the direction of the Executive Committee.

Article IV — Division Secretaries

Sec. 1. The term "Division Secretary" shall be used to designate the person elected to serve as secretary of a division.

Sec. 2. A Division Secretary shall be elected for each division outside of North America.

Sec. 3. The Division Secretaries shall work under the direction of the division committees. It shall be their duty to keep the minutes of the division committee meetings, to furnish to the President, the general Vice-Presidents, Treasurer, and Secretaries of the General Conference a copy of their minutes, to collect information and to make such reports as may be required, and to do such other work as usually pertains to such office.

Article V — Assistant and Division Departmental Secretaries

Sec. 1. The term "assistant departmental secretary" shall be used to designate such persons as are appointed to assist the Departmental Secretaries and their Associate Secretaries in the Departmental work of the General Office.

Sec. 2. Division Departmental Secretaries shall be elected for the respective division fields, and shall labor under the direction of the division committee.

Sec. 3. Division committees shall appoint such other secretaries as may be needed to serve in special capacities, to labor under the direction of the division committee.

Article VI — General Field Secretaries

Sec. 1. The term "general field secretary" shall be used to designate such persons as may be employed by the General Conference to travel extensively both at home and abroad in the interests of the general work.

Sec. 2. Such General Field Secretaries shall be elected as may be deemed necessary to assist the officers of the General Conference in carrying on the world-wide work, and they shall labor under the direction of the Executive Committee.

Sec. 3. Such Division Field Secretaries shall be elected as may be deemed necessary to labor in the divisions under the direction of the division committees.

Article VII — Undertreasurer and Assistant Treasurers

An Undertreasurer and Assistant Treasurers shall be elected to share with the Treasurer the work of his office. They shall perform such duties connected with the Treasury Department as may be assigned to them by the Treasurer or by the Executive Committee. They may be authorized by the Executive Committee to sign checks under the instruction of the Treasurer.

Article VIII — Division Treasurers

Sec. 1. The term "division treasurer" shall be used to designate the treasurers elected for the respective divisions outside of North America.

Sec. 2. A Division Treasurer shall be elected for each division outside of North America.

Sec. 3. It shall be the duty of the Division Treasurers to receive and disburse the funds of the General Conference made available for their territory, under the direction of the division committee, and to perform such other duties as usually pertain to such office.

Article IX — Executive Committee

Sec. 1. During the intervals between the sessions of the General Con-

ference, the Executive Committee shall have full administrative power, with authority to grant credentials and licenses, and to fill for the current term any vacancies that may occur in its offices, boards, committees, or agents, by death, resignation or otherwise. The Executive Committee shall also have power to withdraw credentials or licenses by a two thirds' vote of the members present and voting at any regular committee meeting.

Sec. 2. A majority of the full membership of the Executive Committee, including the President or any other officer of the General Conference appointed temporarily as chairman, is empowered to transact business at any time and place. Any seven members of the Executive Committee, including an officer of the General Conference, shall, after due notice to available members, constitute a quorum of the Executive Committee, and shall be empowered to transact such executive business as is in harmony with the general plans outlined by the committee at the designated place of meeting of the Executive Committee as hereinafter provided.

Sec. 3. All meetings of the Executive Committee, except majority meetings, shall be held at the general headquarters, or at such other place as may be definitely arranged by a majority meeting of the Executive Committee, or by the quorum of at least seven members meeting in regular session at general headquarters.

Sec. 4. Meetings of the Executive Committee may be called at any time by the ranking officer of the Conference who may be present at headquarters, and such officer, or any member of the committee appointed by him, shall act as chairman of the meeting.

Sec. 5. Minority meetings of less than seven members of the Executive Committee may be held at the General administrative office for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a regular session of the Executive Committee.

Article X — Division Committees

Sec. 1. In each division outside of North America, a division committee shall be constituted as hereinafter provided, for the transaction of business pertaining to the division.

Sec. 2. The members of a division committee shall be the President, the Secretary, and the Treasurer of the Division, the Presidents of union conferences, the Superintendents of union missions, the Division Field Secretaries, the Division Departmental Secretaries, and any other members of the General Conference Committee present. Other persons may also be appointed as members of the Division Committee.

Sec. 3. The actions taken by Division Committees pertaining to the administration of affairs in the division field, shall be considered final, provided they are in harmony with the plans and policy of the General Conference as set forth in the Constitution and By-Laws, and in its Executive Committee actions at regular Autumn Councils.

Sec. 4. It shall be arranged as far as practicable for each division field outside of North America to send its President or such representatives as may be chosen, to the annual Councils of the General Conference Executive Committee.

Sec. 5. Five members of a division committee, including the chairman, shall constitute a quorum for the transaction of business. When

the chairman is to be absent from headquarters, he and the committee shall designate an acting chairman. Minority meetings of less than five members of the division committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present.

Sec. 6. As the Australasian field consists of only one union organization, the time and extent of the development of the division feature of that organization shall be optional with the Australasian Union Conference, it being understood that until the divisional feature is developed, the president of the Australasian Union Conference shall be a Vice-President of the General Conference, and the Australasian Union Conference will function as a division of the General Conference in all phases of its relation to the world movement.

Article XI — Corporation Boards

At each regular session of the General Conference the requisite boards of trustees, according to their respective Constitutions and By-Laws, shall be elected for each legal corporation serving and holding properties and receiving gifts and legacies for the General Conference unincorporated. The trustees of the General Conference Corporation shall also constitute the Board of Trustees of the General Conference Association.

Article XII — Departments

Sec. 1. The Departmental Secretaries and Associate Secretaries elected by the General Conference shall work under the direction of the Executive Committee of the General Conference, and shall occupy an advisory relation to the field.

Sec. 2. The Executive Committee shall appoint a representative departmental committee of counsel for each department. Such committee shall in each case be composed of the secretaries of the department, the secretaries of departmental work in the divisions, and of such other persons as the Executive Committee may deem necessary.

Article XIII — Auditors and Audits

Sec. 1. The Executive Committee shall have the accounts of the General Conference and of its legal corporations audited at least once each calendar year, and the Auditor or one of the associate auditors shall report upon the same to the Executive Committee annually. The Auditor or an associate auditor, as may be arranged, shall report also, for the quadrennial period, to the General Conference at its regular sessions. The General Conference Auditor and the associate auditors shall also be made available for auditing the accounts of union conferences and general institutions, as well as division accounts. The auditors shall be under the general direction of the Executive Committee.

Sec. 2. The division committees shall have authority to appoint an auditor or auditors to audit the books of such organizations or institutions within their territories as the division committee shall direct.

Article XIV — Wages and Expenses

Sec. 1. The Executive Committee shall appoint annually eight persons not in its employ who, with the officers of the General Conference, and

not less than seven presidents of union conferences, shall constitute a committee to audit the expense accounts of employees, and to fix their wages for the succeeding year.

Sec. 2. The Executive Committee shall have power to make such adjustment from time to time in the wage of clerks, stenographers, and other routine workers as may be necessary.

Article XV — Funds

Sec. 1. The funds of the General Conference shall be as follows:

(a) A tithe of the tithe receipts of the union conferences and union missions and of the local conferences and missions not included in union conferences and union missions.

(b) Regular missions offerings.

(c) Special donations.

(d) Such percentage of the regular tithe of local conferences as may be determined at a joint meeting of the Executive Committee and conference presidents.

(e) Surplus tithes which may be appropriated by local and union conferences for the mission fields.

(f) A tithe of the profits of publishing houses, sanitariums, and other profit-earning institutions which are under the control of the General Conference, or which, because of the character of their work, have more than local influence and responsibility. Such percentage of the annual profit also of these institutions, after deducting the tithe, as may be arranged by joint council of the Executive Committee of the General Conference with the board of management of each institution.

(g) Such percentage of the funds of union conferences and missions and of institutions and tract societies, as may be arranged by the General Conference Committee in counsel with conference presidents, the same to be known as the Sustentation Fund for the support of aged and infirm workers, and for the dependent widows and orphans of workers.

Article XVI — Appropriations

Sec. 1. The Executive Committee shall make its appropriations for home and foreign work at the Autumn Councils, said appropriations to be based on budgets from the fields requiring financial help.

Sec. 2. Appropriations shall be made subject to the receipt of the full amount of funds estimated in the General Conference budget. In case of a shortage, the distribution shall be on a pro-rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major permanent investments shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to division fields shall be administered by the division committees.

Sec. 4. All funds raised in division fields, except the regular funds belonging to the General Conference, as indicated under Article XV, may be used for the advancement of the work in the fields in which they were raised.

Sec. 5. General Conference funds in all the world shall be made available to meet the annual appropriations of the General Conference.

Article XVII — Finance

Sec. 1. The Treasurer of the General Conference shall carry a Reserve Fund to tide over a possible financial depression, equal to one fourth the regular appropriations of the preceding year, said Reserve Fund to be held in cash and in readily convertible securities.

Sec. 2. The Executive Committee acting through its legal agency, the General Conference Corporation, shall have power to make such annuity contracts as may seem desirable; but all moneys obtained in this way shall be invested in securities, and not be made available for appropriation until the annuity contracts have expired.

Sec. 3. The tithes and mission offerings received by the General Conference shall be held as a trust for appropriations to the work of the Seventh-day Adventist denomination. It shall not be within the prerogative, therefore, of the General Conference Committee, the Treasury Department, nor of any agent or agency of the denomination, to loan these funds to private individuals, to indorse notes, sign bonds or other securities, or in any way to divert the funds of the General Conference from their intended purpose.

Sec. 4. The basis for computing per capita funds shall be the average of the membership of the four quarters of the second preceding calendar year as published by the Statistical Secretary in his quarterly reports.

BABY-SAN

AMERICA'S
FAVORITE
BABY SOAP

KEEPS YOUR NURSERY INCOME AT A HIGH LEVEL

Many of the largest hospitals in the Seventh-Day Adventist group use this purest liquid Castile soap. For the Baby-San bath wins, for the nursery, the respect and good will of mothers. Its olive oil lather spreads comfort and protection over tender skins. . . prevents dryness or chafing. That's why more than 75% of American hospitals use Baby-San.

LAY EVANGELISM

THE CALL OF THE HOUR

"A WORKING CHURCH IS A LIVING CHURCH"

"There is something for every one to do. Every soul that believes the truth is to stand in his lot and place, saying, 'Here am I; send me.'"—*"Testimonies," Vol. VI, p. 49.*

To help each member of the church to find and occupy his place in the Master's service, the following facilities are available:

1. **Bible Service Training School**—Offering a brief course in Bible doctrines, denominational history, and simple technique of Bible readings.

2. "The Lay Preacher."—Bimonthly publication in the interests of lay preaching and cottage meetings.

3. "Lay Preacher's Manual,"—Handy pocket vol. 123 pages.

4. H. M. Series Leaflets, Nos. 1-20, each containing instruction on the different lines of missionary endeavor.

5. "The Dorcas Letter," issued quarterly as an exchange between leaders of Dorcas Societies.

6. "The Church Officers' Gazette,"—Monthly periodical.

7. Society of Missionary Men—An organization for church comradeship and closer fellowship in lay evangelism.

Home Missionary Leaders in every Division, Union, and Conference stand ready to help every one find his place.
