

leader of MV Aitken plans for 1969 rally

Delmar Aitken has been chosen MV leader for the 1969-70 school year. Aitken, a chemistry major, served on the sunshine bands this year.

Other officers chosen by the nominating committee are Roy Orr, treasurer; Jeanice Wehling, secretary; Fred Wier, student missionary committee; Connie Jo Gerst, temperance.

Also nominated were Gordon Doss, sunshine bands; Bill Sabin, week of prayer; Janet Webb, student to student; Nathan Schilt, Probe.

Additional appointments are Joe Watts, evangelism; Dorothy Gay, Master Guide; Jerry Moon, radio; Ed Wagner, music; Dan McMillen, religious liberty; and Janell Mackie and Dave De Booy, public relations. Dr. Gerald Colvin, assistant professor of education, was delegated as sponsor.

The major topic of discussion has been the annual MV rally.

ASB officers travel to SUC for workshop

An ASB workshop for officers from U.S. Seventh-day Adventist colleges and universities will be held in Keene, Texas, April 21-23.

Union's newly elected ASB president, executive vice-president, associate vice-president, president from the Denver campus, *Clock Tower* editor and this year's officers will attend the workshop.

The workshop at Southwestern Union College will be conducted to explore problems concerning the operation of an efficient and effective ASB.

The agenda includes such topics as public relations and the role of a student body president. Speeches by the student association will be given.

Questions like the following will be discussed: Should the MV be a part of the Student Association? Do students have a place on Administrative Committees? and Where shall the Intercollegiate Amateur Hour, E.I.W., and the College Bowl be located?

Gabrieli ensemble presents concert

The London Gabrieli Brass Ensemble, on its first North American tour, will be presenting a concert in the college auditorium Saturday evening, April 19 at 8.

Since it was founded in 1962 the Gabrieli Brass have played over 1750 concerts, giving more than 500 concerts per year in schools, universities, cathedrals, music clubs and major European festivals.

They appear regularly on British television, have recorded six albums and have given command performances for the Queen of England.

The ensemble are also featured in "Canterbury Tales," the current hit of the London theatre season, a musical based on their early album "Canterbury Pilgrims." This is soon to be produced on Broadway.

The purpose in creating this ensemble was to bridge the gap in education between classical and pop music.

The rally will be held the first weekend of the school year. Hopefully part of the rally can be held at Pioneers Park.

According to Aitken this will give students an opportunity "to get acquainted in casual surroundings right from the first."

ACP rates CT as First Class

The *Clock Tower*, the official student publication of Union College, has received a First Class honor rating in the 80th All-American Critical Service conducted by the Associated Collegiate Press at the University of Minnesota.

The first eleven issues of the *Clock Tower* were sent to the Critical Service at the University School of Journalism in Minneapolis, Minnesota, in December. Because of the December 13 deadline date the color Christmas issue was not included.

These newspapers were compared to other papers in the same classification according to frequency of publication, enrollment of the college and method of printing. Student newspapers from more than 600 colleges and universities across the nation were rated by this service.

Judging was based on content, writing and makeup of the papers. Areas of consideration included adequate coverage of news, quality of content and physical properties such as front page makeup, headlines, typography and photography.

The *Clock Tower* is limited in some areas such as sports coverage because of the intramural program which receives less emphasis than highly competitive events at most universities and colleges.

The UC student government also received less emphasis this year in the *Clock Tower* than is given to such organizations in many colleges because of the scope of its activities, according to Lynnet DeRemer, editor-in-chief.

A score of 3600 out of 4000 was awarded to the *Clock Tower*. The score required for an All-American rating, which is the highest honor awarded, was 3700.

Members of the *Clock Tower* staff who received recognition for their journalistic achievement are Lynnet DeRemer, editor-in-chief; Joyce Bennett, associate editor; David Walker, managing editor; and Carol Barker, news editor.

Delmar Aitken (far left), MV leader for 1969-70, discusses next year's plans with four other new officers. They are Roy Orr, treasurer; Jeanice Wehling, secretary; Fred Wier, student missionary committee; and Connie Jo Gerst, temperance.

fiery collision kills two, injures nine of Campion group enroute to Union

Two persons from Campion Academy were killed and nine were injured in a head-on collision which took place at approximately 1:45 a.m. Sunday, April 13, about 10 miles east of Greeley, Colorado on Highway 34.

Mrs. Glenn Wheeler, wife of the driver of one of the vehicles, and Penny Stinett, a passenger in the same vehicle, were the victims.

Those injured included Mr. Glenn Wheeler, a teacher at Campion, driver of the 1969 Ford van, and eight girls who were students at Campion Academy in Colorado.

The accident took place shortly after Mr. and Mrs. Wheeler and their nine passengers left Campion Academy enroute for "Senior Visitation Days" at Union College.

According to reports from Campion, the Wheeler vehicle was met head-on at the crest of

a hill by a car driven by a 17-year-old boy who at last report was in critical condition with two-thirds of his body covered with second and third degree burns.

The vehicles caught fire. Wheeler, in spite of a fractured right leg, succeeded in rescuing the students from the flames. In addition to the knee injury, Wheeler is suffering from first degree burns, a broken arm and fractured ribs.

Melvin Brass, one of the sponsors of the senior class at Campion, who accompanied the students traveling by bus to Union, reported on the injuries.

Teri Coleman, a student from California, is suffering from a fractured collarbone and broken teeth. Carolyn Current of Boulder, Colorado, has a broken finger and at press time is in severe shock. Diane Dupper of Greeley, Colorado, is reported to have a

concussion and head lacerations.

Sherlyn Ehrlich of Fort Collins, Colorado, also has head lacerations and a broken leg. Lannette Lane of Loveland, Colorado, has a compacted spinal fracture. Roberta Nelson of Axtell, Nebraska, received serious head bruises and fractured ribs.

Jenny Seibert, also of Loveland, Colorado, is suffering from a broken back; she was at first also thought to have had internal injuries. Cindy Wagner of Commerce City, Colorado, has a fractured neck bone, which is not a broken neck as was first reported.

The girl killed, Penny Stinett, 18, was the daughter of Mr. and Mrs. Ray Stinett of Fort Collins, Colorado. She was a senior at Fort Collins public high school. Her funeral was Tuesday, April 15, in Fort Collins. She is survived by her parents and three brothers.

Mrs. Wheeler, 35, was the former Beverly Arlene Thompson of Rapid City, South Dakota. She graduated from Union College May 27, 1956, with the bachelor of science degree in secretarial science. She is survived by her husband and two children, Greg, 11, and Debbie, 9. Her funeral will be today.

This was the Wheelers second year at Campion Academy where she was the registrar and taught organ. Wheeler teaches choir. Prior to their residence at Campion they had taught at Maplewood Academy in Hutchinson, Minnesota.

The students of Union College, many of whom are former students of the Wheelers, wish to extend their sympathy to the families and friends of the Stinetts and the Wheelers and to the students and staff of Campion Academy.

The London Gabrieli Brass Ensemble, on their first American tour, formed the group to bridge the gap between pop and classical music.

as we see it...

congratulations, new officers

Congratulations, and good luck, to the newly elected ASB officers for the 1969-1970 academic year.

If the spirit of the campaign is any indication of the enthusiasm and work which will be exhibited next year, the prospects for an active year look good. We sincerely hope that under the direction of the new officers the Associated Student Body as an organization will progress and accomplish the beneficial changes which ever-rising needs demand.

The campaign this year has been an interesting one. Once students finally decided that they wanted to run for an office, they really seemed to put forth a lot of effort to obtain their goals. Those competing in both the primary and final elections are to be commended for their spirit and determination.

Another interesting aspect of the campaign has been the countless platforms distributed both personally to individual students and in bulk. Everyone became involved through this material. We sincerely hope that the hard cold facts of finances and time-consuming work, which demands great mental strength too, will not shatter the idealism conveyed by some of the platforms. Even discouraging experiences and defeats can build character and teach much.

You, the students, have elected the individuals who will take office in the near future. It is up to you to support them, to tell them what you want in your ASB, and to help them as they work with and for you. Good luck to all of you as you plan for the best year yet in 1969-1970.

on being transplanted...

Beginning next fall, South Hall will be open only to first-year freshmen, monitors employed in South Hall, and their roommates. All other dormitory men will be required to room in Prescott Hall.

This administrative announcement elicits no objections from those who prefer residence in Prescott Hall. However, for those who prefer South Hall, it seems unfair that only close friends of freshmen and monitors should have a choice of dormitories.

There are over 60 men presently in South Hall who, though eligible to room in Prescott Hall, chose South Hall. Many of these have previously spent one or more semesters in the newer building.

We have interviewed a number of these men and have asked their reaction to being required to move to Prescott Hall. Responses ranged from "I don't like it" to "It makes me mad!"

Understandably, the administration would like to have Prescott filled to capacity, since the room rent is \$5.00 higher per month than in South Hall. Furthermore, Prescott's private bathrooms substantially reduce janitorial expense.

Many students feel that Prescott's wall-to-wall carpeting, color TV, physical fitness room and sauna bath are worth an extra \$5.00 per month.

However, South Hall residents prefer their dorm for a number of reasons. South Hall is more conveniently located. Residents are closer to classrooms, the library and Rees Hall. They appreciate having the cafeteria and worship room in the same building where they live. On the other hand, only the industrial complex and the parking lots are closer to Prescott than to South Hall.

Men we interviewed further indicated they prefer South Hall's more informal atmosphere. Several voiced their opinion that Prescott's appointments (identical curtains, bedspreads and carpeting for all of the 16 rooms on a floor) give the dormitory a "hotel" atmosphere they do not enjoy. They value the opportunity to personalize their room's decor. Students also mentioned waiting for the elevator as a Prescott Hall nuisance they wished to avoid.

We recognize that many prefer Prescott Hall. We are, however, pointing out that, from the viewpoint of at least 60 other men, South Hall has just as many advantages.

It is hardly equitable that those upperclassmen who prefer South Hall should be penalized simply because they are not freshmen.

Jerry Moon

letters

"thank you"

Dear Editor,

I would like to say a "thank you" to Mr. Bennett Chilson and his staff for the wonderful job they have done in the cafeteria this year.

He has had so many nice buffets this year and has gone the extra mile in making our food service a good place to eat.

As a student employee I can honestly say it has been a pleasure to work for Mr. Chilson.

Thank you,
Dee Dee Little

(Editor's note: The following letters were sent to Dr. George Stone from Seventh-day Adventist soldiers in Vietnam or Korea. Since they were students at Union, we share their letters with the student body.)

GI reports from Korea

Dear Dr. Stone,

I am at the aid station on duty now so I will answer your letter I received last night. Thanks for sending the *Clock Tower*, because I enjoy keeping up on what's happening at Union.

I have been really busy here at the aid station because we are short of medics. I am in charge of the medical records and treating patients when the need arises.

I have just gotten back from four days near the DMZ on a field exercise. The weather was warm so I didn't mind it so much, except it was muddy from the recent six-inch snowfall.

There has been quite a lot of action up on the zone the past week or so. The North Koreans keep firing on American work parties on the zone. Saturday night a Medevac chopper went down, killing eight guys.

One of the guys who was killed went through medical training with me, so I felt quite bad about that. I hope nothing serious breaks out over here while I am in Korea.

Today has really turned colder. The wind is really blowing up a gale. But soon it will be warmer and then the monsoons will be here.

I want to thank the ladies of the College View Church for sending the cookies to us servicemen overseas, and I want to thank you for your interest in us.

Well, I must close now.

Your friend,
Dave McAadoo

Larry Austin, ex-Unionite serving in Viet Nam, is pictured at the Mekong Delta.

news from Mekong Delta

Dear Dr. Stone,

Thank you so much for your letters and school papers that come so regularly.

thoughts from Viet Nam

Dear Dr. Stone,

Thanks again for the nice tape you sent. It was so nice to hear your voices!

Last night Hue and Phu Bai were hit pretty hard by rockets but no significant ground attacks followed. And little damage came to our area. I hope we don't get it again tonight because I could sure use some good rest!

Well, I'll be working pretty regularly the next few weeks in the Company Orderly Room as Company Clerk since our regular clerk will be gone to Australia. Also the Executive Officer will be on R & R so I should be pretty busy. I'm not exactly looking forward to it all.

I sure hope Larry Austin is all right and can make it through a few more months in the Delta. I know how discouraged he gets and I've been writing him more lately. I hope my letters do some good.

I worry so much about him. Larry and I went through four years at Campion together, two years as roommates. Then we roomed together one year in college. I sure hope he will be assigned to a supporting unit soon. I'm sure he appreciates all you do for him, too.

Our weather is raining again as usual. Yesterday was nice and then it has rained all day as it has been for the last two to three weeks steady. It make life quite miserable.

I hope your weather gets warmer and the snow stops. It has certainly been a rough winter for you all. It will be spring by the time you get this letter and I guess you'll all be anxious for that.

Give my best as always to everyone back at school. Thanks again for everything.

It's getting late and maybe I should get to bed and sleep while I can! I'll try to keep you informed on things here in the North.

Sincerely,
Larry Austin

Sincerely,
Jon Carlson

Opinions expressed in this publication are those of the writers and are not to be construed as the opinions of the Associated Student Body or the college. Editorials, unless otherwise designated, are the expressions of the editorial staff. The CLOCK TOWER is published weekly during the school year by the Associated Student Body of Union College, 3800 S. 48th St., Lincoln, Nebr. 68506, except holidays, registration periods and examination weeks, and once during the summer. Subscription rates \$2.75 per year. Second class postage paid at Lincoln, Nebraska.

Dr. Benjamin Bandiola and his wife and family, who are native Filipinos, will enrich the lives of Union College students by exposing them to their varied knowledge.

Dr. Benjamin Bandiola joins UC education faculty

Dr. Benjamin E. Bandiola has been announced by the department of education and psychology as a new staff member.

He will teach in the areas of elementary education and psychology. Bandiola and his family will arrive on campus in mid-summer in time for the second session of summer school.

The Bandiolas have five children who are in church school and academy.

Mrs. Bandiola is an elementary teacher. Both Dr. and Mrs. Bandiola are graduates of Philippine Union College, where Dr. Bandiola also received his master's degree in 1959.

Prior to this, he held several teaching and administrative positions in SDA schools in the Philippines.

In 1959, Dr. Bandiola was the recipient of a Fulbright Scholarship Grant to the University of Iowa. While at Iowa he was also a research assistant in the College of Education.

Bandiola received the Ph.D. in the spring of 1961 at the University of Iowa with a major in elementary curriculum and supervision and a minor in educational psychology.

During the summer of 1961 he was a visiting professor of education and psychology at Union College.

Returning to the Philippines in the fall, he became dean of the school of education and later dean of the school of graduate studies at Philippine Union College.

He is a member of Phi Delta

Lincoln Symphony to present concert

The Lincoln Symphony Orchestra will present the final concert of the season at the Stuart Theatre, Tuesday, April 15 at 8 p.m.

Mr. Leo Kopp will conduct the orchestra, which will present "Overture to 'Il Signor Bruschini'" by Rossini, "Violin Concerto, opus 47" by Sibelius, "Piano Concerto No. 1" by Brahms and "Carmina Burana" by Orff.

The "Childrens Zoo Fantasy" will also be presented. Mr. Robert Beadell of the University of Nebraska School of Music has been commissioned to write the "Fantasy."

Kappa, an honorary fraternity for men in education. Bandiola has done considerable research and publishing as well as lecturing in several graduate schools in the Philippines.

"We are happy for this addition to our staff which will be a real asset in strengthening and maintaining our present national accreditation, NCATE, and providing a stronger program in teacher training," said Dr. George P. Stone, chairman of the department of education and psychology.

cafeteria computer removed due to operating difficulties

The IBM computer installed in the cafeteria in October of 1967 was taken out March 27 because of operating difficulties, according to Mr. Bennett Chilson, cafeteria director.

The system used previous to the computer installation was resumed and will be used for the rest of the school year. Two checkers are now employed to write student meal charges in a card file.

Chilson said, "Increasing problems in the electrical circuitry is the reason for the discontinuation of the machine's use. The cafeteria has been plagued by frequent machine breakdowns."

Repairs were costly and recording student charges during the breakdowns was inconvenient and expensive, reported Chilson. "The machine just wasn't paying for itself," he said.

The old system seems at least workable. Chilson reports that he rarely sees a pile-up at the checkers' desk. Figuring weekly charges puts an extra load on the accounting office. It was this inconvenience that originally led to the computer's installation.

However, the card system enables the student to find out directly from the checker the amount of his account. Also, the old system requires no more personnel than did the computer.

One person was needed in the Jorgensen Hall computer center during meal hours to record charges as well as the checker in the cafeteria. Two checkers now complete the job with the card files in the cafeteria itself.

students, staff achieve compromise regarding increase of ASB funds

Students and staff in a recent student-staff council arrived at a compromise in the debate over the present ASB financial difficulties.

An increase of \$5 per student in the amount appropriated from the tuition to the ASB funds for the 1969-70 budget was requested by several ASB officers.

Also submitted for discussion was a proposed \$100 increase in the salaries of the ASB president and editors of the **Golden Cords** and the **Clock Tower**.

The administration felt that an increase that large was unwise at present in view of the raise in tuition already planned for next year.

"We have the lowest tuition rates of any of our sister colleges and we are trying to keep it that way," said Mr. Roy W. Crawford, director of student finance.

However, the expanding needs of the student body were recognized, and a decision was made in the student-staff council.

A request was submitted to the finance committee for a \$3 per student increase in ASB appropriations and a \$50 increase in the salaries, or service awards as they are called for tax purposes, of the ASB president and the editors of the **Clock Tower** and **Golden Cords**. This was approved by the administration finance committee.

The salaries of the other ASB officers will remain the same as in the 1968-69 salary schedule. Scholarships from the college will match half of the salaries of the executive officers and the two editors.

This would bring the ASB president's total allotment to \$475, executive vice-president, \$150;

associate vice-president, \$150; secretary, \$150; business manager, \$300; treasurer, \$450; **Clock Tower** editor, \$475 and **Golden Cords** editor, \$475.

"The \$3 per student increase is needed to boost the ASB back up in the black," states associate vice-president Jerry Pogue. Both the **Golden Cords** and the **Peanut Hill** exceeded their budgets this year, and much of the \$5700 reserve fund of the ASB was used up.

"The key to the whole problem is more students to enroll at Union," said Crawford.

However, he also feels that a closer relationship between the

publications and finance officers of the ASB will help solve some of the problems. Crawford feels he will have more time to work with the ASB financial matters next year.

After the elections the publications and finance officers will meet to work out a definite budget, he reported. Competitive bids will be obtained and the definite costs of the publications determined.

An understanding concerning advertising will also be reached.

"With the increased allotment and a more efficient operation, we should be able to keep within our budget," Crawford said.

Colorado speech-English major to be tenth student missionary

Ruthita Jensen, junior English and speech major, has been chosen as Union's third student missionary for 1969-70.

She becomes the tenth student missionary from Union and will be going to Saigon, So. Vietnam.

Miss Jensen was born in Honduras where her father was serving as president of the mission. Already she has had experience in overseas travel having recently spent part of a summer traveling in the Scandinavian countries.

Upon returning to the States from the mission field at the age of two, she started school under a special test program. As a result, Ruthita entered Union College at the early age of 16, where she is now pursuing her third year of study.

At Union, Ruthita has worked as **Golden Cords** layout editor, Kappa Theta president, Adventist

Education Association secretary, Student-Staff Council representative and MV secretary. She also held class offices her sophomore and junior years.

Ruthita has lived in Colorado the past eleven years. She attended Campion Academy where she participated in extra-curricular organizations on campus. Besides belonging to the National Honor Society, she worked with the Sabbath school, Voice of Youth, the annual, and the MV.

Ruthita says she feels "honored, excited, and fearful" about her new responsibility as Union's newest student missionary.

She looks forward to the experience as a "wonderful opportunity to work with people," and adds, "I want to be courageous enough to forget about myself so that I can do whatever needs to be done."

Photo by Glen Wintermeyer
Ruthita Jensen, newly chosen student missionary, takes advantage of the spring weather as she studies on the campus lawn.

six to study at LLU in field of health

Six students from Union College have recently been accepted at Loma Linda University in three of the health-related schools.

Linda Mondragon has been studying in the secretarial science field and has been accepted in the school of Medical Records Administration. She is a sophomore from Simi, California.

Olivia Chung, majoring in chemistry and minoring in biology, is a junior from Singapore who has been accepted in the school of Occupational Therapy.

Four students have been accepted to the school of Physical Therapy. Tony Murrell, a history major from Lincoln, who will graduate this summer, and Kathy Knott, a sophomore biology major from Dallas, Texas, have been accepted in physical therapy.

Harry Royal, from Lincoln, and Robert Trimble, from Sioux City, Iowa, both sophomores in the area of pre-professional study, were also accepted in the school of Physical Therapy.

Joslyn Art Museum exhibit features outstanding painter, Mary Cassatt

"Mary Cassatt Among the Impressionists," is an exhibit now on view at Joslyn Art Museum.

The exhibit, which will be on display until June 1, includes major works by Mary Cassatt, as

well as paintings and graphics by ten additional artists residing in France during the last quarter of the nineteenth century.

They are Edgar Degas, Edward Manet, Claude Monet, Auguste Renoir, Camille Pissarro, Berthe Morisot, Henri de Toulouse-Lautrec, Childe Hassam, John Singer Sargent and James Abbott McNeil Whistler.

"Special emphasis has been directed to include significant works by Mary Cassatt, America's outstanding woman painter, who is represented in the Joslyn collection by her outstanding painting, 'Portrait of Lydia Cassatt, The Artist's Sister,'" stated Sheri Hronek, manager of public relations.

Nearly one hundred works are being lent from private collections, museums and dealers in

this country and France for the display.

An illustrated, documented catalogue will be available beginning April 10 in the Joslyn Art Museum Shop at a charge of \$1.50.

Mrs. Adelyn D. Breeskin, special consultant and curator of contemporary art, National Collection of Fine Arts, Smithsonian Institution, Washington, D.C., prepared the essay "Mary Cassatt Among the Impressionists," for the catalogue.

Joslyn Art Museum has a general admission charge of 25¢, but there is no admission charge on Saturday.

The museum is open Tuesday through Saturday, 10 a.m. to 5 p.m. and Sunday, 1-5 p.m. It is closed on Mondays and major holidays.

7 delegates attend MV workshop

Seven Union College students have been named as delegates to the MV workshop to be held at Southern Missionary College in Collegedale, Tennessee, April 22-28.

The workshop is designed to give delegates from eight of the Seventh-day Adventist colleges an opportunity to exchange ideas and to compare problems, successes, and plans related to the individual campus MV societies.

The delegates are Dave Ferguson, MV leader; Ruthita Jensen, secretary; Vonnie Pierson, treasurer; Dale Rowland, student missionary committee; Delmar Aitken, MV leader (1969-70); and Dr. Gerald Colvin, next year's sponsor.

Also chosen as delegates are Susan Carter and Linda Sterling from the Denver campus.

Karr's "B" league wins championship

by Don Soderstrom

Karr's team defeated Miller's team, 68-66, in a tight "B" league basketball playoff which determined the championship on March 22.

Karr and Miller both had five wins and two losses.

The battle for the championship was close throughout the game; regulation time score was tied at 58 points apiece.

Each team matched baskets throughout the three-minute overtime. The score was still tied, 66-66, with just seconds left when Karr put a press on Miller and stole the ball. They then worked the ball underneath the basket for a close shot and a winning two-point margin.
