## Plans for Development of Senior College

L. L. REILE, *President, Seventh-day Adventist Church in Canada*

After much prayer, research and discussion, the Canadian Union Conference Executive Committee voted an action that is important to every member of the Seventh-day Adventist Church in Canada. It concerns our Senior College Program. This vital subject has actually been under consideration for many years. To delay a decision longer would be tragic.

Youth today face the crisis of the ages — a time of trouble such as never was. They have serious challenges, they must make important decisions and be prepared for the future. Some will yet stand before rulers and in legislation halls. All need help to

witness faithfully day by day in the routine of daily living.

Time is limited, Eternity is at stake. Heaven is real, "Nothing is more important than the education of our youth."

Several fact-finding commissions have carefully surveyed our field and its needs, then made specific recommendations. Additional information was sought, so earnest consideration was given to the whole question. The committee was unanimous in its decision.

So that you might be informed we quote the action in its entirety:

*WHEREAS* by action of the Executive Committee of the Canadian Union Conference, it was voted to establish a senior college to serve denominational requirement for a post-secondary institution in Canada and,

*WHEREAS* the Executive Committee voted to establish a commission to investigate and report on the legal and academic requirements of various provinces that would govern the establishment of a private post-secondary institution, and the recognition that would be accorded to that college.

*WHEREAS* the Canadian Union Conference Board of Education has considered the report of the exploratory commission and has recommended that steps be taken to proceed with the development of a senior college in Alberta on the Canadian Union College campus

*VOTED* that a special working commission be established in co-operation with the North American Board of Higher Education to report to the Executive Committee from time to time and with a final report to be available for submission to the forthcoming Union Conference Session with respect to the detailed planning required to found a senior college in Canada and in particular to report on the following matters:

- a. The scope and scale of curriculum development in terms of quality, demand, faculty and equipment required and costs involved.
- b. The development of a model administrative, departmental and vocational/industrial structure for the new college.
- c. The cost and funding requirements in order to provide the required buildings and equipment including the cost of relocating either that would be accorded to that college other campus.
- d. The approval of degree-granting status by the Provincial Cabinet.
- e. In the event that specific and definitive degree-granting status cannot be obtained in Alberta that the Commission initiate negotiations in Ontario forthwith and transfer the focus of their planning to that locale on the understanding that the new college be located at a site other than on the present Kingsway College campus.

*Much remains to be done to implement the action. Our only desire is to save our youth and finish God's work. We earnestly seek Heaven's guidance and request your prayers, so that God's plan for His children may be fully realized. We seek your*

*earnest co-operation and support in behalf of our youth. Let us, God's Church in Canada, move forward unitedly, with courage, stability and faith. We are homeward bound. We must all be there.*

## Items from the Canadian Union Office

### Introducing Elder and Mrs. E. C. Beck New Conference President for Ontario

By

L. L. REILE, *President, Seventh-day Adventist Church in Canada*

It is a pleasure to introduce Elder and Mrs. E. C. Beck to our Canadian membership. Elder Beck is the president of the Seventh-day Adventist Church in Ontario. He has replaced Elder Philip Moores, who is now co-ordinator of the TV Arm of the Radio TV Center in Thousand Oaks, California.

Pastor Beck is a minister of successful experience. He has served God and his Church with dedication in various fields of the earth since 1946, when he accepted

ministerial responsibilities in Texas. From there he and Mrs. Beck accepted a mission appointment to the Southern Asia Division. During their last seven years of service, Elder Beck was president of the Ceylon Union. Returning from overseas service, Pastor Beck served in the Washington Conference of the North Pacific Union, and later transferred to the Upper Columbia Conference.

Mrs. Beck has ably served her Church as a teacher and secretary.

The Becks have three children. Jeanne is the wife of Pastor David Jarnes of the Washington Conference. Nancy is a Registered Nurse and married to Garry Ireland, a music major at Walla Walla College. Peter and his wife are in business in Seattle, Washington.

We welcome the Becks to our Union knowing that their ministry will be blessed of God so that God's Church may continue to grow. Please pray for these dedicated workers.

\* \* \* \* \*

### Evangelism News

By LAWTON LOWE, *Ministerial Secretary, Canadian Union Conference of S.D.A.*

This is just to keep everyone informed as to the evangelistic news and plans from the Union.

Just about every worker across Canada is involved in an evangelistic campaign, and we are expecting a great harvest of souls between now and General Conference Session in July. Let us *pray* one for another!

There have been several campaigns completed and the Lord has blessed in a marked way. In Windsor, Elders Juriansz and Pollett baptized more than 50. In Westminster Elders Spent and Knolls baptized close to 30. Elders Burton and Snow baptized more than 30. Many of the pastor-evangelists have had one and in some cases two baptisms in their district already this year and this has resulted in a very fine number of souls being gathered into the fold.

There are a few items that I would like everyone to be conscious of through this year, such as:

#### BAPTISMAL SERVICES

1. Endeavour to have a baptismal service every month in your district and preferably in every church. Several of the ministers have planned their program with a baptismal service each month and they are amazed at how the Lord is blessing their plans.

#### BAPTISMAL GOAL — 10% OF CHURCH MEMBERSHIP

2. The challenge before God's people in 1975 — 10% or more increase in every church in every district during 1975.

#### CRUSADES ACROSS THE UNION

3. It is planned to hold at least two evangelistic campaigns in all  
*(Canadian Union Office Items Continued on Next Page)*

Official Organ of the CANADIAN UNION CONFERENCE of Seventh-day Adventists. A. N. How Editor; Pearl I. Browning, Associate Editor; President, L. L. Reile; Secretary, A. N. How; Treasurer, Carl Klam. Departmental Secretaries: Publishing, C. K. Okuno; Lay Activities, Sabbath School, Communication, W. E. Kuester; Education, P. W. Manuel; Public Affairs, D. L. Michael; Medical, H. W. Gimbel, M.D. Issued semimonthly. Subscription price \$2.00 a year. Second class mail registration number 0912. Printed by Maracle Press Limited, Oshawa, Ontario.

churches before 1975 comes to an end. Remember the promises found in I Corinthians 1:21.

**CHALLENGE LAITY!**

4. Train and direct the laity of each church to do something this year that will enlarge their vision and bring glory to God's name. Read and study John 15:1-16. God expects us to bear fruit — tangible fruit — not to be content just with good intentions.

**CHURCH ORGANIZATION**

5. Organize your church for service around the Sabbath School class. Encourage each class to organize another Bible Class outside of the church either in a school room or in someone's home. These Bible Classes soon become companies and then churches.

**START NEW CHURCHES**

6. Plan to start one more church in your district this year. Several of our larger churches have learned to benefit from starting new churches. It is amazing how much talent we have in some of our churches that we are not using. However, when starting a new church give opportunity for some of this hidden talent to come to the surface.

**SUNDAY SERVICES**

7. When the evangelistic campaign is over, why don't you continue

meetings in your church on a Sunday and on a prayer meeting night? It would cheer my heart to see our churches being opened up to the community on Sundays and Wednesday nights.

**ALTAR CALLS**

8. Just one more suggestion — have an altar call, (at least once a month) during the church services. If you carry out this suggestion you will be forced to have a baptismal service each month! Try it — God will reward your faith.

**SEMINARS — BRANCH SABBATH SCHOOLS**

9. Several of you have tried the Seminar approach, and you have mentioned to me that you are more than pleased with the results. We are preparing a new Seminar Kit which should be available in the next few weeks. Several lay-preachers are holding very successful seminars and we want this approach to sweep across Canada. It works!

**ADVENTURE IN FAITH OFFERING**

10. There is an appeal before God's people to respond to the "Adventure in Faith Offering." Just think what we could accomplish for the Cause of God if every member would give one week's wages for this special offering? It is time to work and give to the Lord!

## A President's Anxiety

By HENRIQUE BERG, *President, Mozambique Union Mission*

"Yes, Pastor, as you can see, the whole plant needs to be improved. Classrooms are not large enough. Dormitories are not adequate. Two boys sleep in a single bed, and girls sleep three in a bed — both without mattresses. Students pay a token matriculation fee, but does not cover even their writing materials. Our students do not have any money, nor a way of earning any. According to law our teachers could be barred from continuing, unless they receive more training. If that happens, our schools will be closed and 6,000 boys and girls will be without any means of education."

This was the welcome I received when I arrived in Mozambique and visited Munguluni, site of our preparatory school for workers. I learned too that the entire curriculum offered only four years of primary school and three years of Bible study. Later as I explored the grounds, I also discovered that the students eat only at noon and in the evening. During their free time they cook their own cassava in oil drums on the ground outdoors.

The Munguluni Training School has only one teacher for the entire ministerial course. Funds do not permit the hiring of a second. If tuition were raised, the students would not be able to pay it. They would be happy to work to cover part of their expenses, but school industries are impracticable, because Munguluni is too isolated, too far from a market for student products.

Actually this is the day of opportunity for our church in Mozambique. Everywhere groups are calling for someone to

teach them, but there are no workers to send. There are alert, promising young men; however, they must be trained.

### *How to Solve These Problems*

The Mozambique Union Mission has 15,000 church members and 27,000 Sabbath School members. Since the reorganization of the field in 1972, the new union has dedicated its efforts to finding a solution to these very real and urgent problems. All agree that the only way to meet the emergency is by building a new Adventist educational institution in a more accessible location. The site chosen for the school is 15 kilometers from Beira, the geographical centre of the country. There we have a ready market for products of school industries, and Beira offers excellent territory for literature evangelists. In addition plans are under way to add the secondary course to the curriculum and to upgrade the ministerial training for future workers.

The total cost of this project will be about 9 million escudos (\$320,000). We have faith that somehow God will provide the means to build this urgently needed institution. The future of the church in Mozambique depends on it.

We look to you, dear Sabbath School members around the world. We are confident that through you God will answer our prayers. These are serious times in Mozambique. We cannot count on tomorrow, but if we have well-prepared Mozambique workers, all will be well. Then there will be a church ready for the Master's return in this corner of the southeast Africa.

In Mozambique there are over 6,000 children in schools like this, most of them taught by teachers with only four years of formal education. Where can the teachers go to upgrade their preparation? Where will the students study after their first years of primary school? Your offering this 13th Sabbath will help to build the SDA Educational Center in Mozambique and give them an opportunity to prepare for service in God's Cause.

Henriques Berg, President of the Mozambique Union, and Alberto Nunes, president of the Central Mission, lay the first stone for the dispensary, which is part of the proposed Adventist Educational Center in Mozambique. Anxious youth look on. They hope that soon a school will be built and doors opened, offering them the opportunity to prepare to take God's truth to every part of their country.

13th Sabbath Offering

\* \* \*

## Welcome to Dr. and Mrs. Gary E. Marais

On March 5, Dr. Gary Marais and his wife Janeen arrived in St. John's and on the next day went to Marystown where Dr. Marais has taken up practice in the Seventh-day Adventist Medical Arts Building. He is associated with Dr. Constance Victoros, in General practice. Also, in the Medical Arts Building is Dr. Bob Walkowiak, Optometrist.

We are very pleased that the Marais' can be with us here in Newfoundland. He and his wife are very much appreciated by Pastor Victor Gill, who is the leader in the Marystown District.

The Marais come from South Africa, but they interned in the Branson Memorial Hospital before coming to Marystown to practice. Already the Marais have made many friends. May the Lord bless in their ministry in the Marystown community.

RAY A. MATTHEWS, *President S.D.A. Church in Newfoundland*

## Five-day Plan in Corner Brook

Early in January of this year Pastor W. Max Mercer was approached by the Knights of Columbus here in the City to assist in their campaign to stop smoking. They designated February as STOP SMOKING MONTH. They requested the Pastor to be their guest speaker to acquaint those attending with the FIVE-DAY PLAN TO STOP SMOKING. The meeting turned out to be very cordial and interesting. Included in the same request was the invitation for the Adventist Church to present the FIVE-DAY PLAN TO STOP SMOKING as the climax to the STOP SMOKING MONTH, February 24-28. They did a good job of advertising. On the early morning program the CBC radio host interviewed the chairman of the Knights of Columbus campaign and he presented the work of the Seventh-day Adventist Church in the FIVE-DAY PLAN very favourably. The local newspaper, *The Western Star*, in its

editorial expressed its appreciation for the fine community spirit as fostered by the FIVE-DAY PLAN. During the FIVE-DAY PLAN a number of the Knights of Columbus members and others attended and were successful in overcoming the smoking habit. In the FIVE-DAY PLAN presentation a number of the local church members very ably assisted the Pastor in registering and hosting the participants.

In connection with the STOP SMOKING MONTH the Knights of Columbus also sponsored a City-wide poster contest in which two of our Grade 8 students received top awards. Miss Carolyn Reimche received a cheque of \$25.00 for first prize and a cheque of \$10.00 for second prize went to Miss Beverly Buckle. Third prize went to a Grade eleven student of a Catholic School in the City of Corner Brook.

EDWARD REIMCHE, *Principal*

## New Chapel in Marystown

A new chapel nears completion in Marystown. Already church services are being held in the chapel and during the weekday church school is held.

Miss Shirley Vansickle, who recently came to Newfoundland is teaching the church school in Marystown. A big welcome is extended to Miss Vansickle. Her ministry in the school and in the community is greatly appreciated.

As soon as the carpeting arrives for the Chapel Pastor Gill plans to hold a series of Evangelistic Meetings.

May the Lord richly bless in the work of the Gospel in the Burin Peninsula.

## A New Day at Perth, N.B.

The new Perth Seventh-day Adventist Church, located on McCrea Avenue in Perth, New Brunswick, officially opened its doors on February 22.

Construction of the new building began last May under the direction of Pastor John Lyons. The structure represents a joint effort by the Carlingford and Upper Kent congregations to consolidate in Perth, a more densely populated area than the original two sites.

The public was invited to attend the opening service on Sabbath morning. The result was a congregation of about 100, a large portion of which was not Adventist. Among the visitors was the village mayor, Douglas Moore. He expressed his pleasure to see the church locate in the community where it would be instrumental in lifting the moral tone of the people.

From left to right the picture shows Pastor Lyons; Mayor Douglas Moore; Gilbert E. Andersen, president of the Maritime Conference; Elder Cliff Patterson, secretary-treasurer for the conference, and Fred Clark, local elder.

President Andersen delivered the sermon entitled: "The New Dynamic in '75." In it he uplifted Christ as the only way to salvation.

Many visitors commented on the fine spirit present in the congregation and expressed their desire to return again. The fine spirit and pleasant surroundings afford an opportunity to successfully begin an evangelistic series which is scheduled for April 12 under the direction of Don Corkum, conference evangelist. A new day has dawned in the Perth-Andover dis-

New church at Perth, N.B.

Left to right: Pastor Lyons; Mayor Douglas Moore; Gilbert E. Andersen, president of the Maritime Conference; Elder Cliff Patterson, secretary-treasurer for the conference, and Fred Clark, local elder.

trict of New Brunswick. Now we look forward to the baptism of many converted souls.

It is expected that the new facility will be dedicated in the very near future.

LILLIAN SCHRADER, *Press Secretary*

\* \* \* \* \*

## Dedication in the Perth Church

On February 22 three children were dedicated in the Perth Seventh-day Adventist Church. Elder Gilbert E. Andersen, President of the Maritime Conference, conducted the service. This was the first baby dedication to be held in the new church which is located in the village of Perth, N.B.

The three children are pictured as follows: Richard Currie pictured with his grandmother Audrey Bowmaster, Peter Lyons presented by his mother and father — John (pastor) and Muriel, and Darlene Schrader presented by her mother and father — Arnold and Lillian.

LILLIAN SCHRADER  
*Communication Secretary*

## Discussion on Speaking in Tongues, etc.

While Ingathering from house to house on Campobello Island (Canadian owned Island off the coast of Northern Maine) I had a most rewarding experience.

Entering a home with the usual canvass — requesting funds to carry on the work for the blind, educational institutions, hospitals, medical assistance to remotely isolated areas, disaster relief, etc., showing the annual report of the work done with their last year's donations to the Seventh-day Adventist program I was quickly informed that they were of the Pentecostal Church giving to it all they could give. Likewise, I replied, I too give of my means to help the church; I delight to give of my *time* to help non-Seventh-day Adventists.

I related how happy my childhood days were spent in a missionary family. My father sometimes slept on plain boards placed on two "horses" (used in work shops) in a home where they wished they had beds to offer him. This he did as he kept advancing the work in areas that were scarcely reached. Also I recalled getting up at 4 a.m. to catch the train to the first church in which father had to speak, then a bus to the second, etc. until the Sabbath day ended. By experience I truly believe in the work accomplished by the offerings received by the interested communities.

"What do Seventh-day Adventists believe?" the gentleman of the house queried.

"Well, Adventist means we believe Jesus is coming again!"

"Do you believe He is coming soon?"

"Yes, we do. Seventh-day means we believe the commandments are His character of love expressed for our benefit. Satan rebelled against their principles in heaven saying, "The way to be happy is to do what YOU want." This he has continued to do even until now, "The way to be happy is to do your OWN way." But God is the same yesterday, today and forever, and those who choose to be like Him and keep all the commandments come into a very intimate relationship with Him. Since we realize we cannot keep the commandments by ourselves we depend more on Him."

The minutes passed quickly as he questioned about Baptism, Hell, then zeroed in on perhaps his main point of interest "Speaking in Tongues". His wife, a strong believer in "tongues" said, "You know that tongues is the evidence that you have the Holy Spirit!"

"Well," I said, "you would have to

show that to me in a text." Quickly the gentleman turned to his wife and said, "There is no text for that. We just say that to get our point across."

From my study on this question, I told them I believed the gift of miracles, and prophecy were also gifts of the Holy Spirit. We have the gift of Prophecy in our church. In these times when Christians are faced with greater perils than ever before He sees to it that we are prepared to meet them. But as for me, God knows I have steadily been yielding myself to His will and if He saw the need of bestowing upon me the gift of "tongues" He would have been able to use me in this way, but He has not. The Lord knows I am happy even to be a door-keeper in the house of my God.

Turning to his wife he exclaimed, "I had never talked with a Seventh-day Adventist before. I believe she is a real Christian." This encouraged me, but I was later more encouraged.

After having prayer together the gentleman turned to me and said, "I am a Pentecostal Minister." I reached out my hand and shook his telling them the dearest work to my heart was that of the

ministry, and they as a family would surely be blessed with more and more truths through the many hours he studied the Bible.

Then as I was leaving, he handed me two dollars. "Oh, no," I said, "you keep that for your church." But, forcing it into my hand he said, "I want you to have it — for YOUR church."

What an experience! — one of the many that all were having during In-gathering. I was thankful that his heart — this family — was a little bit *with* us. And perhaps through the Bible Course offered in the pamphlet or through the *Desire of Ages* which was sent to them as a Christmas present, they might be drawn even closer to the Lord who loves us all desiring that all should be saved.

At the time of sending this article, a minister in the Maritime conference will be stationed on or near the island of Grand Manan, later having the privilege of coming in contact with many of the Lord's "other sheep" not having had an opportunity to hear the good news which they soon will.

CELEST CORKUM  
*Saint John, New Brunswick*

## Advent Message To Grand Manan Island

What for many years was a dream is now becoming a reality — to have an established work on Grand Manan Island.

On February 14 a Five-Week Evangelistic Crusade began under the direction of Don Corkum, Conference Evangelist, and Dave Friesen, local pastor. The first week was spent in discussing the plan of Salvation, and this Christ-centered beginning answered many questions in people's minds, for they had been warned that Adventists were not true Christians and were false prophets.

It was necessary to visit each of the 800 homes on the Island to build up the confidence of the people. Laymen from Saint John who ingather there each year came and assisted in the campaign.

Pastor Friesen is now following up the meetings with Bible Studies, evangelistic meetings along with Sabbath Services for the folk who now want to unite with our fellowship.

DON CORKUM, *Conference Evangelist*

## Ontario —

### An Alumnus of Kingsway College Becomes Assistant Campus Business Administrator of Loma Linda University

Seppo Vartija has been named assistant campus business administrator, according to Arthur W. Spoo, campus business manager.

Educated at Andrews University, Berrien Springs, Michigan, and York University in Toronto, Canada, Mr. Vartija is a member of the Institute of Management Accountants, and is an under-graduate member of the Certified General Accountant Association (Canadian).

A Canadian citizen, Mr. Vartija taught for three years and served on the administration at Kingsway College in Ontario, Canada, prior to his coming to Loma Linda University.

Prior to his assignment at the campus business office, Mr. Vartija was an associate internal auditor for the University.

He is married to Sherrie Poulson.

Seppo Vartija

\* \* \*

### Sacred Concert in Orillia

For the first time, in its history of recent years anyway, the Orillia Opera House was the scene of a Sacred Concert. The Perth Avenue Choir, under its di-

rector Brother David Walker, sensing its mission in these last days, has become a forceful soul-winning agency as can be seen in their efforts in 1974. The Choir

Director's words of "each avenue in the church must be an avenue through which the Holy Spirit can reach men's hearts" was clearly seen in Orillia on the night of November 24, 1974.

The hearts of some 400 people were thrilled again and again as these wonderful artists portrayed "Christ in song." Brother Earle Edward thrilled the audience with his rendition of "Amazing Grace" and "He Touched Me" on the harmonica. The Master of Ceremonies, Pastor F. C. J. Pearse had to appease the crowd, who gave thunderous applause, by promising another song by Brother Edwards. "Onward Christian Soldiers" was rendered.

Brother Courtney Edwards rendered "He" for which he was summoned again, and two soloists from the Orillia Church also enriched the evening with their voices.

The Perth Avenue Choir rendered several beautiful pieces; among them was "I Am Going to Ride." The last item was Handel's beautiful "Alleluah Chorus" to which the audience in gratefulness to God rose to their feet while this was being rendered.

The Orillia Church can scarcely express their thanks enough to these artists for braving the weather conditions to come to Orillia for this project. Our spe-

cial thanks to Pastor Pearse who was Master of Ceremonies that night.

Orillia Seventh-day Adventists took this opportunity to present Pastor Pearse with a briefcase as a parting gift.

Special mention must also go to Pastor E. Bacchus of the Perth Avenue Church

for his inspiring leadership. His direction in missionary endeavours has certainly set the pace for the missionary outreach seen in the brethren of the Perth Avenue Church.

The Orillia Church would also thank Brother Stanley Powell and Brother David

Walker for the tremendous effort they have made in helping this church. The proceeds of the concert will be used partly for lay evangelism and partly for the church building fund.

AILEENE M. KETCHING  
Church Communication Secretary

## Belleville Five-day Plans in Two Places

V. MATTHEWS, *Communication Secretary, Belleville Church*

What can \$3 buy these days? Not much, you say. However, a varied assortment of people all agree that it can buy something priceless — a new lease on life and glowing health.

In they poured through the doors of the Belleville General Hospital's Education Hall: teachers, nurses, merchants, students, retired folk, employees of industry, banks, CTC, CNR, the Armed Forces, civil servants, labourers, landscapers, carpenters, salesmen and farmers. These people having been enslaved to the smoking habit for anywhere from 3 to 50 or more years are now demanding "a divorce from Lady Nicotine."

Flyers were distributed, local radio and TV announcements were broadcast, Pastor McMiller contacted the downtown businessmen and thanks to the local TB and RD Association, a striking full-sized ad appeared in the local newspaper. And the people came! A teacher who had attended the Plan last year invited our smoking clinic to Stirling, a village outside Belleville. He very kindly arranged the use of the Junior Public School for this purpose. In Belleville, 21 registered in December, 65 in January; in Stirling, 20 registered. Approximately 29 from Belleville and 11 from Stirling had not smoked during the five days and were greatly pleased to receive their graduation button: "I CHOOSE NOT TO SMOKE."

Pastor McMiller made clear to the participants what the plan hoped to accomplish for them: (1) combat withdrawal, (2) lessen the craving, (3) build up willpower. These were attempted by a training program of motivational films, slides, control booklets, guest speakers and discussions. The "Five-day Plan to Stop Smoking Control Films" conducted by Dr. Wayne McFarland demonstrated the adverse effects of tobacco smoke on the human machine, in particular, the lungs, heart, stomach and nerves; Pastor Folkenberg emphasized the importance of the union of the will and divine aid as a means of depressing the smoker's craving. His motivating slogan was: "I Choose Not to Smoke". Dr. McFarland outlined the practical aids of stopping the craving: (1). 4-6 glasses of water daily, (2). eat fruit and drink fruit juices instead of tea, coffee, alcohol, (3). deep breathing, (4). cold mitten friction to oxygenate the blood, (5). exercise — (walking), (6). rest (avoid overwork), (7). breakfast like a king, lunch like a prince, supper like a pauper.

Each night a guest was invited to share his experience and help the folk in their battle against this destructive, gripping habit. Mr. Gailya Muir who had participated in the December Plan, appeared in January and February to praise the buddy-system in being a most helpful and valuable aid of encouragement. Mr. Angus Duffy of the EMO was also successful in kicking the habit. His motivating reason? He wanted to be his "own boss" and disliked the idea of being "controlled by a stinking weed." Mr. Flip Clare, a Belleville businessman who had smoked for 30 years decided to quit 15 years ago when it was discovered he had cancer of the larynx. He underwent an operation and had to learn to speak all over again. He breathes through his throat. He can smell only very strong odours (he misses the fragrance of flowers,) and he can't shout or whistle. A physiotherapist from the Belleville General Hospital em-

phasized the importance of building up exercise tolerance with deep breathing exercises.

We would like to thank ladies of the TB and RD Association, Verla Dales, Barbara Trupp, Bonnie Carroll, F. McMiller, Sylvia and V. Matthews, for greeting the people at the door and  
(See next page)

Registration time for the Five-day Plan to Stop Smoking.

"I'm not so sure about all this, but let's push toward victory."

Exercise time. This helps me to keep the body fit and lessens craving for nicotine.

### Five-day Plans (Continued)

for serving orange, grape-juice and Pioneer coffee-substitute for refreshment each evening.

The first follow-up program held February 10 brought back 20 participants. A team from Counterweight, formerly Weight Watchers of Ontario, led the discussion. Knowing the struggle against craving, they could well sympathize with the cigarette quitters and upheld the tremendous power of the will and the value of the buddy-system in this battle. Most of the folk present had been off cigarettes since the start of the Plan. And, they all received a big hand of deserving applause for their great achievement. Let's all pray that they keep it up with the help of God.

Graduation — "I Choose Not to Smoke."

## The Heritage Singers Coming to Ontario and Quebec

The Heritage Singers will make the following appearances:

May 21, 7:30 p.m.  
Ottawa S.D.A. Church  
2200 Benjamin St., Ottawa

### IN ONTARIO:

Ontario Conference

## New Church in Mississauga Moves Ahead

By

MARGUERITE MILLER

Mississauga Church

The first child dedication service to be conducted at the recently organized Mississauga Church was a very special event for Matt and Rena Iwanski and Eveine Homer as their children Doris and Susan Iwanski and Allster Homer were dedicated to the Lord on December 7.

The Mississauga group began to meet last January following an evangelistic effort conducted by Pastor Lawton Lowe in which 28 were baptized. Pastors Don Godsoe and Eric Juriansz and local members worked together to make the meetings a success.

A church of 50 members was organized April 6 by Pastors P. Moores, S. E. White, L. Lowe, and C. L. Smith. Since then the membership has grown to 70 and the weekly attendance ranges from 125 to 150.

The progress of the work in Mississauga can be attributed to the blessing of the Lord and the enthusiastic dedicated leadership of members such as Lee Dunbar, Richard Lincoln, Calvin Smith, Edmund Prescott, Kathleen Hunter, and Royce Curry, to mention only a few, who are determined to see the work finished in this large area.

There has been a spirit of genuine revival manifested and a perseverance in soul-winning activity on the part of the zealous new members as well as the older ones that has been very encouraging. The Ingathering campaign was an unqualified success with up to 90% participation.

Under the direction of the new pastor, Brian Juriansz, the goal was quintupled. Since "on-the-job training" was introduced at the time the group started meeting, there has been no break in the program. Although work in this new area has not been exceptionally easy, a number have been baptized and others are now making decisions.

Please pray for the continued advancement in the work at Mississauga. The great need now is for a church home and a church school facility for this city of over 200,000.

Mississauga Church Child Dedication.

### Medical-Evangelistic Outreach Program in Winnipeg

By LILLIAN KEMPERT, *Henderson Highway Church*

Staff members of Park Manor, West Park Manor, Winnipeg area pastors, and church members, participated in a Medical Evangelistic Outreach program during the weekend of March 1 and 2. Sabbath's program was open to all who wished to attend, while Sunday's was for the staff and area pastors. Dr. Hervey Gimbel, of Calgary, medical secretary for the Canadian Union Conference of Seventh-day Adventists was guest speaker and director of the seminars.

At the Henderson Highway Church on Sabbath morning during the worship hour Dr. Gimbel spoke on "Good News or Bad," and in the afternoon on "Community Health Education — the Calgary Story." The afternoon program was informal and involved the audience in questions and suggestions. His challenge to the membership to become involved in some phase of gospel medical missionary work stirred many minds with new ideas which we trust will produce much fruit in the near future.

Sunday's program was introduced with a devotional by Chaplain Mervin Kempert, whose key thought was this: "Our work of soul-winning will be successful only as we use Christ's methods. What were His methods? "The Saviour mingled with men as one who desired their good. He showed sympathy for them, ministered to their needs, and won their confidence. Then He bade them, Follow Me." Using the same theme, Dr. Gimbel then directed seminars on the following topics: "How to Dispel Prejudice in the Community", "Putting Your Best Foot Forward", "Utilization of Community Health Resources", "Utilization of the Media", "Bringing Health Education Home to Staff". Audience participation was active and it was evident that there is much room for improvement and changes. "Whether you are working with your Adventist staff, non-Adventist staff, residents, or community, we must always remember that only Christ's methods will work," concluded Dr. Gimbel. "We may not see the results of our labors in total numbers of immediate baptisms, but the fruit will come in a variety of ways, for Christ has promised success and His promises never fail."

The group that attended the Seminar on Medical Evangelistic Outreach. Dr. Hervey Gimbel.

Dr. Gimbel

## Yorkton Church — Activities For First Quarter 1975

January 5th marked the beginning of the "It Is Written" telecast on the local station. To date, approximately 80 calls have been received requesting books offered.

February 14 and 15 — MV Leadership courses for the Manitoba-Saskatchewan Conference were held in Yorkton.

February 16 — Yorkton Church was host to over 200 delegates attending a constituency meeting held at our school auditorium.

February 17, 18 — Workers' meetings (for Man.-Sask. Conference), convened in the Yorkton Church.

February 23-27 — Five-day Plan to Stop Smoking held at the school auditorium. Although the enrollment wasn't too high, all who participated overcame the habit. It is interesting to note that victims of the Plan held in 1970 attended this series to encourage those who were trying to overcome it.

March 9 — Our annual International Supper — it is encouraging to note that each year the attendance on this occasion is increased by non-Adventists.

March 10 — The beginning of nutrition classes conducted by Mrs. Hiebert—three days a week for two weeks. The day of the first class Mrs. Hiebert and Mrs. Carol Tataryn appeared on the local TV morning show for an interview regarding the class.

March 23 — We were pleased to have the Kingsway Choir present their sacred concert.

March 29 — This 13th Sabbath, marking the end of the first quarter, was highlighted by a baptism wherein three souls were baptized.

The Dorcas ladies have been busy "quilting" during these winter months, and to date have made 19 quilts.

*Communication Secretary*

### Joy in Heaven

There was joy in heaven as well as in Inglis, Yorkton and Melville as church families witnessed four precious youths take their stand for Jesus Christ. They took up the challenge, responsibility and privilege that is a part of being a son and daughter of the heavenly King.

On March 29 the Yorkton Church presented a happy occasion as Jerry Liske and Maureen Liske from Inglis, Manitoba, and Penny Dreger of Ebenezer, Saskatchewan, joined the Inglis and Yorkton Churches by baptism. Brother Ivon Cherpneski and Brother Roland Liske, our first elders in Yorkton and Inglis, led in

offering the right hand of welcome and fellowship to the new members.

Maureen Liske, Jerry Liske and Penny Dreger with Pastor Arthur Hiebert and Elder Stan Gallant as they begin their new life in Christ.

Elder S. H. Gallant as he conducted the baptism for Perry Shipowick in the Melville Church.

Then at 3:00 p.m. another happy occasion with our church family in Melville, Saskatchewan, witnessed Perry Shipowick follow his Lord in baptism with Elder Gallant, a former pastor here, conducting the ordinance. Perry was welcomed by his father, Brother Tom Shipowick and Brother Reg Demitor, the elders of the Melville Church, as he became a third generation member of the Seventh-day Adventist Church. Our prayers go with Perry as well as the others that they may be great in the sight of the Lord.

A. HIEBERT, *Pastor*

### Banquet for X-Smokers In Saskatoon

On Sunday, February 23rd the Saskatoon Church Five-day Plan Team held their second annual "Smoke Out" banquet at the Saskatoon Junior Academy auditorium to honour all those who stopped smoking through the plan for three months or more. Those who made it were awarded a special certificate. Ninety-one persons were present at the happy gathering and it could have been more if all those who had qualified were able to attend. Eighty-six persons qualified, but only 35 were present as some had to cancel out up to the last day. However,

we had a wonderful time. Many were there who quit for almost two years.

Mrs. Ramsey from the Dietary Staff at Sunnyside Nursing Home was in charge of the menu and made a lovely vegetarian meal, which for many was their first all-vegetarian meal.

Following the supper, Dr. S. Houston from the Department of Radiology, University Hospital gave a brief presentation showing slides of x-rays he has read over the years of people who cut short their lives by smoking. He concluded by saying that "the Five-day Plan team is doing more to save lives here in the city than all the doctors put together".

There was a short variety concert to round off the evening. Four lovely young ladies (one of them a convert to the status of x-smokers and now counsellor) entertained the crowd with their very fine music and singing. There were some selections by some members of the academy band blending their instruments in melodious harmony. Mrs. O. Tkachuk, with her sweet voice, rendered two very fine selections. F. Williams played on his flute, accompanied by Kay Scrace on the organ. Then L. Williams, local director of the program rendered two solos to end a most enjoyable evening. Tom Scrace was M.C. for the evening.

Ladies — X-smokers enjoying a vegetarian supper prepared by Sunnyside Nursing Home. Men who gave up the habit are enjoying good taste too.

L. WILLIAMS  
*Director of Five-day Plan  
Saskatoon, Saskatchewan*

### 20th Century Nutrition At Inglis

The ladies of the Inglis Seventh-day Adventist Church took turns meeting in various homes as Mrs. Elsie Hiebert conducted a series of nutrition classes.

Thoughts were presented from the nutrition counsels of Ellen White, and the latest in scientific findings, as well as foods

examined for protein and other nutritional value. The foods to be demonstrated were generally divided into two parts: one, partly prepared, to be finished for sampling, the other to be started from scratch, and taken home as door prizes.

Mrs. Elsie Hiebert, at left, with happy graduates from the nutrition classes at Inglis, Manitoba.

As a final test, the ladies decided to invite the rest of their families to a nutritious dinner at the Norman Steward home on March 2. At this time the certificates were given out, and also a special book to both Mrs. Evelyn Steward and Mrs. Myrtle Liske for experimenting with the most recipes. Everything seemed to end too soon, but the nutritious and meatless dishes will continue to be enjoyed.

A. HIEBERT, *Pastor*

### Baptism at Yorkton

Sabbath, February 15, 1975 was a high day in the Yorkton Church when Penny McEwan gave her heart to the Lord and went forward in baptism. Penny has enjoyed the fellowship with the Seventh-day Adventist folk and felt a part of them. Baptism was conducted by Elder Stan Gallant.

## Alberta —

### Sixtieth Wedding Anniversary

On March 16 Mr. and Mrs. S. N. Booth of Ryley were honoured by their children and families at a dinner in the Old-timers cabin in Edmonton. The occasion was the couple's sixtieth anniversary.

Telegrams of congratulations were received from the Governor General of Canada, Prime Minister Trudeau, Opposition Leader Stanfield, Premier Lougheed of Alberta, Vegreville M.P. Don and Mrs. Mazankowski, relatives in Waterloo and South Stukely, Quebec, and from a granddaughter in Brisbane, Australia. They also received many cards and long distance phone calls.

Florence McElroy and Sewell Booth were married on March 17, 1915 in West Bolton, Quebec, by Elder A. V. Olson. They spent their honeymoon travelling west to their farm at Ryley, Alberta.

Mr. and Mrs. Booth retired from farming and moved into Ryley in 1958. Both are active and enjoying comparatively good health.

Old timers will remember that both Mrs. Booth's and Mr. Booth's parents were charter members of the South Stukely S.D.A. Church.

### Rutland News

Ida Mae Wolfe, daughter of Brother and Sister Peter Wolfe, was baptized and welcomed into church fellowship on Sabbath, March 22. May Ida keep close to her Saviour to the end.

The junior boys and girls under the leadership of Brother Ivan Abbott and Sister Jack McKinley treated the members plus seventy-five visitors to a very interesting Sabbath School on the thirteenth Sabbath. Their songs and sword drill (the Bible being the sword) were greatly ap-

preciated. One junior told of God's care over him in an accident. A group led by Sister Jani Vlug discussed the needs of Southern Asia. While the juniors sang, the thirteenth Sabbath offering amounting to \$1,388.10 was taken up.

These energetic juniors love to sing to shut-ins in their private homes and in rest homes. They enjoy hearing the invitation, "Come again".

### Alberta Youth Rally

Righteousness by faith? Is it really possible? We hope so because several billion people have proved that it isn't possible any other way. Christ's righteousness we may have — free. It all depends on what we choose and how we go about it. Before one can have life in Christ he must die to self. It was all explained and put together by Elder Morris Venden, pastor of the Pacific Union College Church, during his visit to the Alberta Conference.

Elder Venden, well known from the last Week of Prayer readings on Righteousness by Faith, spent a week in Calgary. His visit, sponsored by the Calgary SDA Church School, the Calgary

churches and the Conference MV Department, was a blessing to all who had the opportunity to attend the scheduled meetings. Pastor Venden conducted the school's week of prayer as well as a series of presentations for the churches, during the week of March 16-22. On the 22nd he was the guest speaker at the Alberta Conference Youth Rally, held in Calgary at the North Stake Centre which was made available to us by the Church of Jesus Christ of Latter-day Saints.

In spite of less than ideal weather conditions, upwards to 2,000 (according to

*See pictures on next page*

## Alberta Youth Rally — (Continued)

the caretakers estimate) were in attendance at the 11 o'clock worship service.

In addition to Elder Venden's presentations, programs were presented by CUC MV, the Olympix, and Calgary youth. Naturally, there were a host of helpers, too numerous to mention, behind the scenes who deserve our "thanks."

### Five-day Plan — 80% Success Eight Weeks After

A number of phone calls convinced Pastor Lehmann that it was time to conduct a Five-day Plan in Prince George. The timing was NOT SO GOOD — December, just before the intemperance of the Christmas season and also midst the press of Prince George door-to-door In-gathering. However, by God's grace a

large percentage were able to kick the habit and remain successful over the holiday. The news spread around town and the need became apparent for a second plan. The two local radio stations, CJCI and CKPG gave free advertising and the newspaper, *Citizen*, sent a reporter to take part in the plan and report

to the paper. Steve Whipp, the reporter, not only gave us some very fine coverage but was able to overcome "Lady Nicotine" as well. The second class, conducted in January, boasts an 80 percent success rate verified by phone eight weeks after the conclusion of the plan. The phone has again been ringing, often two or three calls per day, and a third plan is slated for the month of April. Yours for "Better Living."

PASTOR BOB

### Stone-ground Whole Wheat Flour

Mrs. Jack Zachary from Canadian Union College has been demonstrating in several homes in the neighbourhood the uses of a special stone-ground whole wheat flour milled at the college. The mill

Mrs. Jack Zachary.

is one secured by Mr. Zachary from Germany as mentioned in the book, "Into the Blizzard." The wheat is put into the mill dry and the flour keeps good for years. With the ordinary steel mill the wheat has to be moist and the flour gradually spoils.

Flour from the Zachary mill was tested at the University of Edmonton and showed no signs of deterioration even after two years. This special flour is milled about six times and is very fine. The wheat germ, with so many millings, is emulsified into the flour and does not become rancid. For those who cannot use the regular whole wheat flour, a process has been developed so that a flour containing all the nutrients has been prepared as a whole wheat cream. It makes excellent, digestible gluten by using one cup of the cream of whole wheat, one cup gluten flour and one cup oat flour.

Mrs. Zachary turned out bread, buns and pie crust with a very fine texture and excellent flavour. The flour can be used successfully in any baking.

## News from Bangladesh Through Rutland, B.C.

BERTHA E. WARNER, *Communication Secretary, Rutland Church*

We are told that the health work is an entering wedge, making a way for other truths to reach the heart. We were happy, therefore, to hear of another Five-day Plan to Stop Smoking being held by Pastor Teranski in Kelowna. He reports that 55 enrolled and of those who stayed right through, 92 percent felt they were free from the smoking habit. One lady who had smoked for 46 years and was using 40 cigarettes a day was one of these happy people.

Another avenue leading people to accept the gospel invitation is that of the Community Services Department. This department had a very successful year under Sister Jim Dalke's directorship. Now Sister Dalke is the Federation director and Sister Art Rodwell is this year directing the department with continuing success. Last year's report of main items is as follows: Average number helping at the Centre each week — 27; quilts made — 86; clothing given away — 9,230 pieces; bedding given — 135 articles; furniture given — 45 articles; clothing to Unitarian Service — 3,500 pounds; bandages purchased for Bangladesh — \$50; *Life and Health* subscriptions given — \$100; mailing of parcels and Bibles — \$57.82.

The picture shows Marvel Wells (a Canadian girl from both east and west) in the operating room of the Golpalganj Hospital in Bangladesh. Dr. Solivio and Probobt, a Bengali young man whom the doctor has trained to help with surgery, are with the patient. The hospital with 20 beds had its first full year of operation in 1974. Now a new 36-bed addition is about to be opened. Marvel is often kept at surgeries all day. Many

who would have died are living today because of the hospital and the care given them by Drs. Solivio and Rosario and their helpers. The hearts of the healed people and their friends and relatives are more open to receive the gospel message. Each week Dr. Solivio holds a Bible study for the Hindu people; Marvel has songs for the children. The picture shows her in a sari talking to the children through an interpreter.

During the Camp Meeting a Catholic priest from Montreal offered accommodation at his mission for the white missionaries. He was glad to accept a *Great Controversy* which Brother Harry Fell, Lacombe, Alberta, had sent Marvel for missionary purposes. The priest wants to pay a visit to the hospital.

A group of Baptists who have discovered the Sabbath truth came to Dr. Solivio to tell him they wanted to join the Seventh-day Adventist Church.

Last year 409 people were baptized in Bangladesh; three of them were Muslims. That was the largest number baptized there in any one year.

Marvel writes to say that they are eating pumpkins from the seeds sent out recently from members of the Rutland Church. Many more seeds have been sent and will provide food for the villagers. The population is tremendous — seven babies being born each minute — and we wonder how the work will be finished. Then the text comes to our mind, "Not by power, nor by might, but by my Spirit, saith the Lord." We can help by prayer and sacrifice.

Marvel Wells in her sari talking to children through an interpreter.

## Meetings Held in Kamloops

Part of the baptismal group.

Pastor Verne Snow conducted an inspiring and exciting crusade in the Kamloops Seventh-day Adventist Church. The series is associated with the IT IS WRITTEN program.

People filled the pews night after night as they listened in rapt attention to the clearly revealed truths of God's Word. Prophecies were explained in a way that was easily understood by all the listeners.

The Lord richly blessed this crusade as many came forward to dedicate their lives to Christ, and an active visitation program was carried out with interested people. The members of the church were caught up with these messages as they rededicated their lives to the Lord. As the Third Angel's Message spread throughout this metropolis, the gospel touched hundreds of individuals.

Pastor Robert Burton and Clifford Driberg assisted Pastor Verne Snow. Sisters June Burton and Gladys Vaughn looked after the Bible program. Royce Glanzer was chorister and Evelyn Reader was the music co-ordinator and organist for the series.

The advertising for this series was em-

The electrically lit sign advertising the lectures.

phasized by a huge electrically lit sign placed near a busy thoroughfare near the church, and people read the subject of each evening's lecture as they drove by. This proved effective, and people came after reading the sign.

The crusade ended February 25 with 32 people following their Saviour in baptism.
