

Harvest Ingathering Campaign

"Whatsoever thy hand findeth to do, do with thy might." I pray this will be the motto of every one of our people in the great movement just before us,—the harvest ingathering. My brother, sister, have you determined to go out in this work and give God your very best service? If not, why not?

God has led the minds of our brethren to lay this plan that everyone old and young can have a part in the finishing work. How many times have you borne this testimony, "I want to have a part in this work of winning souls?"

Now here is your chance to take up the work of the Lord, and God is calling you to do so. O! how important that we yield to His kind pleading voice, and go forward in the strength of Israel's God.

Please do not give up to the idea that you are too busy to go, but just ask the Lord to help you to improve the moments that are spent carelessly or not improved; or if you are very busy ask Him to help you plan your work so you can answer this worthy call. Let us all go forward at the time appointed, which begins Oct 30, remembering our motto. Do not forget the banner we are marching under, and that our Captain knows no retreat or defeat. If we will do this, our souls will be watered with the dews of heaven, our neighbors will also receive a blessing, and the mission board will be relieved of anxiety and embarrassment. Our missionaries will receive the help that is so much needed at this time.

The *Signs of the Times*, our pioneer missionary paper, is to be used in this campaign this year. Secure your papers at an early date, also the instruction leaflets. Study them well before trying

to interest others in your work. Be sure you are interested and angels of God are with you, and success will attend your efforts.

J. S. ROUSE.

Ingathering

"These are busy days at the office of the Pacific Press." We are informed that for a number of weeks the great perfecting press has been urged to its full capacity, rolling out the Missions number of the *Signs of the Times*. Now ~~the time is at hand when the busy zone~~ must be extended to the field. Hundreds of thousands of copies of this beautiful Missions number should quickly find their way into the homes of the American people. And if the Lord's people will arise as one, and with prayer and enthusiasm go to neighbors and friends with this demonstration of the world's need, there will be many ready to co-operate with us in sending forth the Good News, and many thousands of dollars will flow into the needy Mission treasury.

Our brothers and sisters, our sons and daughters who are facing the great Mission problems in the dark places of the earth, are looking to this Ingathering campaign to supply the means for long needed facilities that are so necessary for the success of the work and the preservation of their lives. Shall they look in vain? Let us resolve now that they shall not be disappointed. Let us be laborers together with God in this movement. It may be that He will be pleased to work mightily for the glory of His name.

M. A. ALTMAN.

From The Sanitarium

Perhaps no branch of our organized work is a greater factor in breaking

down prejudice and bringing our truth prominently before the classes of people that are the very hardest to reach by our ordinary methods than the Sanitarium work. We are apt to look at our Sanitariums as commercial enterprises, while they constitute, in reality, the right arm of the message. But little is known of the work along these lines that is being accomplished through these agencies. Our efforts to plant the seeds of truth in honest hearts are so closely interwoven with our efforts to relieve bodily infirmity that it is difficult to distinguish between them. We would be glad, however, to sit down by your side and recount some of the rich experiences the Lord is giving us as we strive to become channels through which He can reach hearts with His saving truth. We have seen some dear souls embrace the truth that is so precious to our hearts, but have not seen the results we have wished to see. This we think is to some extent owing to the fact that many of our guests stay only a few weeks with us. However, in a number of instances we have arranged to place these interested ones in touch with our churches and pray that the seed sown may be duly watered and that the good Lord may in his own time grant an abundant increase.

Dear brethren and sisters, pray for the work in the Boulder-Colorado Sanitarium, not only that God may bless the proclamation of a message that has power to save both the body and soul, but that He may lead and bless in training faithful young men and women to carry the last warning message to the earth's remotest bounds, and thus hasten the ushering in of that blessed condition, when righteousness shall cover the earth as the waters cover the sea.

We need your interest, your prayers,

and then your intelligent efforts to cooperate with God in answering your prayers. This is your work. Let us remember that in it we are laborers together with God. May we all enter into this work with a zeal that is not without knowledge and speedily raise our institution to that plane that will make possible the accomplishment of the divine purpose of God in its establishment, and let us begin today.

CHAS. E. RICE.

Conference Committee Proceedings

At a meeting of the Conference Committee held in Boulder, October 11, the following recommendations were made for the Harvest Ingathering Campaign:

That Elder Rouse look after the interests of the campaign in Boulder, Niwot and Longmont.

Prof. Salisbury and Brother Hankins in Berthoud.

Brother P. P. Gaede will hold himself in readiness to respond to calls from the needy churches as the Conference Committee may direct.

Elder Emery in Fort Morgan and Greeley.

Elder Richards in Capitol Hill and assist in other churches as the needs may require.

Brother Roy E. Hay in the San Luis Valley.

Elder Altman in Colorado Springs, Rocky Ford, Lamar and La Junta.

Elder Anglebarger in Pueblo, Florence and Canon City.

Brother McConnell in Victor and Cripple Creek.

Elder Alway in West Denver, Arvada and Third Denver.

Brother Cox in Fort Collins and Peaceful Valley.

Elder Aufderhar in Loveland, Hygiene—English and German—and Bennett.

Elder Kite in Idaho Springs and Denver, Swedish.

Owing to the limited number of Workers in our conference, the committee found it impossible to provide help for all the churches. But in the churches not provided for, correspondence will be taken up encouraging the church officers in this important work.

G. M. ALWAY, Secretary.

Greeley

Our regular quarterly meeting was held at the church on Sabbath, October 7. After the opening song we were led in prayer by Brother Babcock. Brother

Barger took charge of the services giving us an instructive talk on the second coming of Christ, and the ordinances of the Lord's house. During the social meeting which followed we were all glad to testify of the Lord's blessing to us during the past quarter and tell of our good courage. The ordinances were then celebrated. The attendance at this meeting was very good.

MRS. M. L. HODGEN, Clerk.

Blanca

Our quarterly meeting was held September 23, as that was the last Sabbath Elder Rouse could be with us before going to his new field of labor.

It was a precious season to our little company. In the morning Elder Rouse gave a talk on the meaning of the ordinances we were to celebrate. After dinner, three who had previously connected with our company (subject to baptism) were baptized. One of these is a young brother who is just starting in the Christian life. Another to receive baptism was a sister who had hesitated about identifying herself with the church, but who now came forward to give herself without reservation to the Lord.

After the baptism, the ordinances were celebrated, all taking part in a spirit of love and harmony. We rejoice that the work is so well started here and pray that the Lord will send us help as Brother Rouse leaves us. Most of the company are new in the faith and must have help and encouragement.

We are especially thankful that two whole families have accepted the truth here.

MRS. R. D. MUSSELMAN.

Calhan and Vicinity

September 14 I returned to my former field of labor twelve miles southeast of Calhan. There are some here who as yet have not fully taken their stand for the truth, but who are still in the valley of decision. May the Lord help them to decide aright before it is too late.

Elder Aufderhar and the writer began meetings about ten miles south of Calhan in a school house known as Buena Vista. The people are very friendly, and already some have become very much interested. A gentleman, who with his wife and mother are attending the meetings at this place, related to me the following rather peculiar experience:

About two weeks before the meeting began, he dreamed that he was in a meeting where the subject of "Christ's Second Coming" was being presented

by two men, showing that the end of the world was very near and if he wanted to be saved he must make haste or it would be forever too late. He recognized Elder Aufderhar as one of the two men. His mother related a similar dream which she had nearly five years ago. She saw a man come into the house and begin explaining the Bible to her and her children, and she said to me, "You are the man I saw in my dream."

These dreams were told me after I had given the Bible study in the home of these people last Sunday. The Lord surely gave them these dreams for a purpose,—to prepare them to receive the truth. They were entire strangers to both Elder Aufderhar and myself.

Dear brethren and sisters, pray for the success of the work in this part of the Lord's vineyard.

W. H. Cox.

Sanitarium Items

Brother E. J. Baker and family left last week for Deadwood, South Dak., for a short visit with relatives and friends at that place.

Miss Clara Nelson, a graduate nurse of the class of '07, has been visiting in Boulder for several weeks. She expects to return to Lincoln, Nebr., this week, to continue private nursing.

Brother Peter Collins of Akron, Colo., who has been a patient at the Sanitarium for several weeks, returned home last Thursday.

Sister C. R. Kite and children have been guests at the institution this past week.

Mrs. H. A. Green left several days ago for a visit with friends and relatives at St. Joseph, Mo.

The nurses are very busy these days with an unusual amount of nursing for this time of the year.

Mr. W. J. Huffman, the Union Conference Auditor, has been spending the past week at the Sanitarium, checking over the books.

On account of poor health, Brother R. R. Cook has disconnected from the work at Boulder, and has removed his family to a farm at Lamar, Colo. Brother Cook has been connected with the institution as steward, for about a year, and will be greatly missed by all the Sanitarium family.

Miss Della Moore, of the class of '10 is visiting in the city with her sister, Mrs. J. F. Britt. During the past summer Miss Moore has been employed by the St. Louis, Mission but is now on her way to Washington to connect with one of our institutions.

M. E. B.

Missions Investment Fund

\$40.00 came from one church the other day to apply on this fund. \$17.05 came from another company. We trust that these early remittances indicate good results from the investments that have been made during the past summer. We hope that much more than \$1,000 will be realized from the campaign. So far, we have received nearly \$200.00.

Last spring when the question was considered, December 1, was the date given by which time the investment was to be paid. Although that date is nearly six weeks from now we are looking forward to it with a good deal of interest.

Obituary

WOEMPNER—Rose Woempner died through an accident in falling from a wagon near Hygiene, Colo., at the age of two years, eleven months and seventeen days. The father being in Texas, it was a hard blow for the mother, but she sorrows not as others who have no hope. Words of comfort were spoken by Prof. J. F. Simon and the writer to a large company of relatives and friends.

F. G. SPECHT.

In our last issue under the heading, "Our Pioneer" we gave an announcement of the forthcoming series of the *Signs* weekly. This plan of having a new series every six months and presenting the truth in different settings each time, is, it seems to us, a very good idea. The *Signs* is always a very effectual means of carrying a knowledge of the truth to others.

The report from Brother Cox which appears on another page of this paper reached us just too late for publication in our last issue. Since writing this report, Brother Cox received a sprain in his back which has confined him to his bed. Elder Aufderhar brought him to Denver Thursday and he is gaining slowly. We trust it will not be long until he is able to take up the work again. Brother Aufderhar plans to return to continue the meetings this week. They report some who have taken their stand for the truth.

WANTED—An experienced piano teacher desires a few more pupils. Price 50c per lesson. Will also teach classes of eight or more secured in the surrounding country, for 50c per pupil and railroad fare. Please write to Mrs. Anna Graham, 841 S. Washington St., Denver, or phone Ellsworth 1827.

SUBSCRIPTION, 25 CTS. PER YEAR.

Entered at Denver Post Office as Second-class
 Mail Matter.

NOTES AND ITEMS.

Sabbath, October 7, Elder Kite met with the church at Fort Collins.

Last Sabbath Elder C. H. Bates met with the church at Idaho Springs.

Miss Grace White, formerly of Boulder, is teaching at the mission school in Mexico City.

Elder J. S. Rouse has moved his family to Boulder and has commenced his work as chaplain of the Sanitarium and pastor of the Boulder church.

Brother Roy E. Hay and family spent last Sabbath with his parents at Fort Morgan. They leave this week for their new field of labor in the San Luis Valley.

Elder G. M. Alway and family have moved to Denver, and he has commenced his work in connection with the First Denver church. They live at 428 Cherokee St.

So far fifteen people have signified their intention of keeping the Sabbath and obeying the truth as taught in the Bible, at the tent meetings which are being held in North Denver.

Elder W. D. Emery has joined Brother McConnell in a series of meetings at Victor. They report that the church building, which has a seating capacity of about seventy-five, has been filled with attentive listeners.

Elder Anglebarger met with the Denver Swedish church last Sabbath to assist them with their quarterly meeting service. The Sabbath before, Elder Anglebarger met with the brethren and sisters of the Peaceful Valley church.

Miss Della Moore, who has been engaged in Bible work in St. Louis since she was graduated from the Training School at Boulder, has accepted the position of head nurse in the Northwestern Sanitarium, located at Port Townsend.

Elder Carl Swenson writes that they had a good attendance at the tent meetings which they held in Duluth, Minn. last summer. Some have commenced to obey the Lord. He writes that they like Minnesota and enjoy their work.

He renewed his subscription to the ECHOES.

The Pueblo Sabbath school report a very profitable Ingathering service which was held in their church building Sunday, October 1. We notice from the program which they sent that the children and young people united to make this a very profitable service.

Elder C. R. Kite and Professor E. G. Salisbury went to College View Thursday to attend an educational council of the Northern and Central Union Conferences. There is also being held the annual meeting of the International Publishing Association, and a meeting of the Central Union Conference committee.

The Colorado Sanitarium Food Co. of Boulder are now in a position to offer exceedingly low prices on their doubly refined and de-odorized cooking oil. They have recently made arrangements for nearly two carloads of this article, and offer the following prices: One gallon cans \$90, five gallon cans \$4.00. In lots of twenty-five gallons, 77½c per gallon, and in barrels of about fifty-five gallons 62c per gallon.

Elder Kite, who has just returned from the meeting at College View, brings encouraging reports. The International Publishing Association made a net gain last year of about \$1,500. This is considered a most excellent showing. The Association is publishing papers in the German, Swedish, and Danish-Norwegian. Some of these papers are always a source of loss, but they are missionary enterprises. Practically the same officers were re-elected for the ensuing year as served the Association last year.

The educational convention was attended by conference presidents and educational men from both the Northern and Central Union Conferences. The principal subject of discussion was the uniformity of courses in our intermediate schools and academies, and the relation which these schools should sustain to our colleges. No definite action was taken at this time, but a committee of seven was appointed to study the conditions in the field and to submit a report

to the Union conferences which will convene this winter. This committee consists of Professor H. R. Salisbury, General Conference Educational Secretary; Elder Russell; Elder Underwood; Elder Campbell and Professor Sheldon of Iowa; President Griggs and Professor Morrison of Union College.

It was decided to hold a joint session of the Central Union and Northern Union Conferences at College View, commencing January 16. At the same time a ministerial institute for these two Unions will be held. The Conferences will be either before or after the institute so as not to interfere with the meeting. Elder Daniells, Elder Spicer, Elder Thompson, and probably other general men are expected to be present at this institute. Judging from the reports which come from institutes which have been held in different parts of the United States this will be a very valuable meeting for our workers.

At the meetings of the Central Union Conference committee plans were made for some changes in the officers of the conferences in the Union. Elder Curtis of Wyoming was asked by the Western Colorado Conference to accept the presidency of Western Colorado. Elder Hale of the South Missouri Conference is requested to take the presidency of the Wyoming Conference. Elder Terry, president of the East Kansas Conference, is requested to take the presidency of the South Missouri Conference. Elder Kennedy is requested to take the presidency of the East Kansas Conference.

The committee also considered how best to advance different interests connected with the work. Among other things they gave careful study to the finishing of the \$300,000 Fund, and the Harvest Ingathering Campaign.

Notice

All correspondence for the North American Negro Department, *Gospel Herald*, and A. J. Haysmer, should be addressed to 536 Fifth Ave. S., Nashville, Tenn. instead of 61 Lindsley Ave. A. J. HAYSMER, Sec.
