TWELVE PASSENGER BRAKE—CANOPY AND CURTAINS

## A GREAT MONEY MAKER

This popular passenger vehicle seats comfortably three full grown persons on each seat. The engines are powerful double cylinder gasoline motors, with plenty of power. Wheels 40 inches in diameter, supplied with  $4\frac{1}{2}$  inch face traction tires—the best ever produced. For hotels, summer resorts, golfing, park touring and business travel, these vehicles are unsurpassed. Bodies are furnished for the above No. 5 gear, suited to every kind of commercial delivery. For further information call at our salesroom, 370 Wabash Avenue, or write for catalogue and prices.

AUTO TRUCK WITH FROM 2 TO 4 TONS CAPACITY  
FURNISHED WITH ENCLOSED VESTIBULE FRONT

These celebrated Auto-Trucks may be seen daily doing work on the streets of Chicago—doing more work than any two teams, and at less cost for power than would feed one team. Demonstrated at any time. We call especial attention to our unequalled friction application of power for heavy work. See them at 370-372 Wabash Avenue—or write for prices.
